Brief Description: Providing youth training programs.

SB 6525 - DIGEST

Provides technical and financial resources to communities, school districts, and institutions that offer youth long-term positive alternatives to violence, reduce the factors contributing to youth violence, and establish strong ties between youth and their communities.

Establishes a formula for providing funds for services to at-risk youth.

Provides for positive employment opportunities and role models.

Makes an appropriation of an unspecified amount to carry out the purposes of the act.
