5 On page 2, beginning on line 28, strike all of subsection (3) and
6 insert the following:

7 "(3) "Written consent" means a direct communication in writing that
8 unambiguously indicates a parent's approval for the student to
9 participate in a specific exceptional school component. The writing
10 must be kept with the student's records. Written consent may be
11 implied if a parent has failed to provide written consent within a
12 reasonable time after the school district has sent two mailings by
13 certified mail to a parent notifying the parent of their rights under
14 this chapter and that failure to respond will constitute written
15 consent by the parent. The two return receipts must be kept with the
16 student's records."
