

1 **SHB 1357 - H AMD 265 ADOPTED 3/11/95**

2 By Representative Ballasiotes

3 On page 6, line 7, after "or 9.92.060." insert: "When
4 pursuant to this section a county assumes responsibility for
5 misdemeanor supervision, the county legislative authority will
6 apply the standards adopted by the Washington state law and justice
7 advisory council or will develop its own supervision and
8 classification standards subject to approval by the department of
9 corrections as a part of the contract for county supervision."

EFFECT: As an alternative to the development of supervision and classification standards by the Law and Justice Advisory Council, this amendment authorizes counties to develop their own standards subject to approval by the department of corrections.
