4 material through line 9 and insert:

5 "~~((In any county with a population of one million or more or in  
6 any county having a population of four hundred thousand or more  
7 bordering a county with a population of one million or more,  
8 these funding sources may be imposed only by a regional transit  
9 authority)) An authorizing proposition to impose these dedicated

11 legislative approval to do so."~~

**EFFECT:** High capacity transit taxes, in all areas where such taxes are authorized, must have prior legislative approval before they may be placed on the ballot. Without this amendment, legislative approval is required only prior to a vote in the Regional Transit System area.
