3 On page 2, line 18, after "28A.300.138." insert "Once credits
4 earned by certificated instructional staff are approved by a school
5 district, the credits shall be counted even if a certificated
6 instructional staff member transfers to other school districts."

EFFECT: Provides that once credits have been approved by a school district, the credits will continue to be approved even if an employee transfers to another school district that has different approval criteria.
