24 (2) Effective January 1, 1996, every health carrier shall

26 or trustees of the health carrier during the preceding year, and
27 the amount of wages, expense reimbursements, or other payments to
28 such individuals."

Re-number the remaining sections; correct all references and the title.

EFFECT: Clarifies that the "Permit every category of health care provider" provision applies only to the benefits offered specifically with the model plan.
