2 By Representative Sherstad

3 On page 1, beginning on line 18, strike:

4
5 "rehabilitation services and chiropractic services; however, the
6 combination of these services shall not increase the actuarial
7 value of the basic health plan benefits by more than one percent"

8
9 and insert:

10
11 "chiropractic services; however, this service shall not increase
12 the actuarial value of the basic health plan benefits by more than
13 one-half of one percent"

14
15
16

EFFECT: Deletes rehabilitation services, e.g., physical
therapy and occupational therapy, from the BHP service
expansion; reduces the related-authorized cost increase from
1% to 1/2%.
