5 On page 3, line 3, after "(b)" strike all material through "use."  
6 on line 8 and insert "Allowed use" means the use or uses specified by  
7 local development regulations as appropriate within those areas  
8 designated through the advance or comprehensive planning process. Once  
9 designated, a proposed allowed use shall be reviewed for project  
10 specific impacts and may be conditioned to mitigate significant adverse  
11 impacts within the context of site plan approval, but such review shall  
12 not revisit the question of land use."
