

1 **2SSB 5088** - H AMDS TO H COMM AMD (H2802.1) **665 WITHDRAWN 4/10/95**
2 By Representative Lambert

3
4 On page 12, line 13 of the amendment, after "or others."
5 insert "If necessary to ensure public safety, the court may also
6 require the person to undergo drug therapy involving Depo-privera
7 or similar medication during the period of conditional release."
8

9 On page 13, line 33 of the amendment, after "this chapter."
10 insert "If the court finds the person violated a requirement to
11 undergo drug therapy, the court shall revoke the conditional
12 release and return the person to total confinement."
13

EFFECT: The judge who is setting the conditions for a conditional release may include a requirement, if necessary to ensure public safety, that the person undergo drug therapy during the period of conditional release. If the court finds after a hearing that the person violated this required drug therapy, the court must revoke the conditional release and return the person to total confinement.
