16 essential academic learning requirements;

17 (iii) A system to intervene in schools and school districts in  
18 which significant numbers of students persistently fail to learn the  
19 essential academic learning requirements; and

20 (iv) An awards program to provide incentives to school staff to  
21 help their students learn the essential academic learning requirements,  
22 with each school being assessed individually against its own baseline.  
23 Incentives shall be based on the rate of percentage change of students  
24 achieving the essential academic learning requirements. School staff  
25 shall determine how the awards will be spent.
