5 On page 5, line 12, after "sought" insert ". The department may  
6 require the successful completion of annual refresher courses provided  
7 or approved by the department for continued certification as an  
8 asbestos worker or supervisor. However, the authority of the director  
9 to adopt rules implementing this section is limited to rules that are  
10 specifically required, and only to the extent specifically required,  
11 for the standards to be as stringent as the applicable federal laws  
12 governing work subject to this chapter"

13 On page 5, beginning on line 18, after "training." strike all  
14 material through "supervisor." on line 21, and insert "((~~The department~~  
15 ~~may require the successful completion of annual refresher courses~~  
16 ~~provided or approved by the department for continued certification as~~  
17 ~~an asbestos worker or supervisor.))"~~

18 EFFECT: Limits the rule-making authority of the director of the  
19 Department of Labor and Industries to rules specifically required, and  
20 only to the extent specifically required, for the state's worker  
21 certification standards to be as stringent as federal law requirement  
22 for asbestos projects.
