Mr. Speaker:
Mr. President:

We of your Conference Committee, to whom was referred ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5448, Modifying provisions for public water system regulation, have had the same under consideration and we recommend that the House striking amendment (5448-S2.E AMH CHAN AMH-29) be adopted with the following changes:

On page 5, beginning on line 17, strike all of section 5

On page 8, line 35, after "monitoring" strike "or water quality standards," and insert ", or water quality standards which would put the public health at risk,"

On page 12, line 13, after "connection," strike all material down to and including "In" on line 19 and insert "or, in"

On page 19, after line 35, insert the following:

"NEW SECTION. Sec. 17. A new section is added to chapter 70.119A RCW to read as follows:

An individual well serving a group domestic use shall be allowed to provide water service connections for up to a number equal to the approved maximum daily withdrawal amount for the well as determined by the water right divided by four hundred. The department may approve a greater number of service connections based on a factor of less than four hundred gallons per day delivered to each residence."

Renumber the remaining sections consecutively, correct internal references accordingly, and correct the title.
