15 and in the exercise of its police power, it is necessary to regulate
16 and license (~~motor~~) vehicle wreckers and dismantlers, the buyers-for-
17 resale, and the sellers of second-hand vehicle components doing
18 business in Washington, in order to prevent the sale of stolen vehicle
19 parts, to prevent frauds, impositions, and other abuses, and to

24 reasonable notice of and opportunity for a hearing. The director may
25 issue a temporary order pending a hearing. The temporary order remains
26 in effect until ten days after the hearing is held and becomes final if
27 the person to whom the notice is addressed does not request a hearing
28 within fifteen days after receipt of the notice.

29 (2) The director may assess a fine of up to one thousand dollars
30 with the final order for each act or practice constituting a violation

20 engaging in the business of wrecking (~~(motor)~~) vehicles or selling used
21 vehicle parts in this state and reliable persons may be encouraged to
22 engage in businesses of wrecking or reselling vehicle parts in this
23 state.

24 NEW SECTION. **Sec. 22.** (1) The legislature recognizes that
25 currently the state patrol inspects rebuilt vehicles for stolen parts.
26 However, they are not authorized to perform complete safety
27 inspections.

28 (2) The state patrol shall assemble a study group and complete a
29 study, to be submitted to the legislative transportation committee no

31 inspections for vehicles that are rebuilt after surrender of the
32 certificate of ownership to the department of licensing under RCW
33 46.12.070 due to the vehicle's destruction or declaration as a total
34 loss. The study shall include, but is not limited to:

13 prescribed in subsection (3) of this section, shall study the
14 feasibility of expanding the notification requirement to apply to all

33 department may in any instance, in addition to the information required
34 on the application, require additional information and a physical
35 examination of the vehicle or of any class of vehicles, or either. A
36 physical examination of the vehicle is mandatory if it previously was
37 registered in any other state or country or if it has been rebuilt
38 after surrender of the certificate of ownership to the department under

1 RCW 46.12.070 due to the vehicle's destruction or declaration as a
2 total loss. The inspection must verify that the vehicle identification
3 number is genuine and agrees with the number shown on the foreign title
4 and registration certificate. If the vehicle is from a jurisdiction
5 that does not issue titles, the inspection must verify that the vehicle
6 identification number is genuine and agrees with the number shown on
7 the registration certificate. The inspection must also confirm that
8 the license plates on the vehicle are those assigned to the vehicle by
9 the jurisdiction in which the vehicle was previously licensed. The
10 inspection must be made by a member of the Washington state patrol or
11 other person authorized by the department to make such inspections.

12 The application shall be subscribed by the registered owner and be
13 sworn to by that applicant in the manner described by RCW 9A.72.085.
14 The department shall retain the application in either the original,
15 computer, or photostatic form.

17 to read as follows:

19 certificate of ownership and certificate of license registration, as
20 required by chapter 46.16 RCW, for vehicles less than four years old
21 that are rebuilt after surrender of the certificate of ownership to the
22 department under RCW 46.12.070 due to the vehicle's destruction or
23 declaration as a total loss. Each certificate shall conspicuously
24 display across its front, a word indicating that the vehicle was
25 rebuilt.

27 has been rebuilt under RCW 46.12.030, the state patrol shall securely

29 indicating that the vehicle has previously been destroyed or declared
30 a total loss.

24 **Sec. 26.** RCW 46.70.180 and 1994 c 284 s 13 are each amended to
25 read as follows:

26 Each of the following acts or practices is unlawful:

27 (1) To cause or permit to be advertised, printed, displayed,
28 published, distributed, broadcasted, televised, or disseminated in any
29 manner whatsoever, any statement or representation with regard to the
30 sale or financing of a vehicle which is false, deceptive, or
31 misleading, including but not limited to the following:

32 (a) That no down payment is required in connection with the sale of
33 a vehicle when a down payment is in fact required, or that a vehicle
34 may be purchased for a smaller down payment than is actually required;

35 (b) That a certain percentage of the sale price of a vehicle may be
36 financed when such financing is not offered in a single document
37 evidencing the entire security transaction;

1 (c) That a certain percentage is the amount of the service charge
2 to be charged for financing, without stating whether this percentage
3 charge is a monthly amount or an amount to be charged per year;

4 (d) That a new vehicle will be sold for a certain amount above or
5 below cost without computing cost as the exact amount of the factory
6 invoice on the specific vehicle to be sold;

7 (e) That a vehicle will be sold upon a monthly payment of a certain
8 amount, without including in the statement the number of payments of
9 that same amount which are required to liquidate the unpaid purchase
10 price.

11 (2) To incorporate within the terms of any purchase and sale
12 agreement any statement or representation with regard to the sale or
13 financing of a vehicle which is false, deceptive, or misleading,
14 including but not limited to terms that include as an added cost to the
15 selling price of a vehicle an amount for licensing or transfer of title
16 of that vehicle which is not actually due to the state, unless such
17 amount has in fact been paid by the dealer prior to such sale.

18 (3) To set up, promote, or aid in the promotion of a plan by which
19 vehicles are to be sold to a person for a consideration and upon
20 further consideration that the purchaser agrees to secure one or more
21 persons to participate in the plan by respectively making a similar
22 purchase and in turn agreeing to secure one or more persons likewise to
23 join in said plan, each purchaser being given the right to secure
24 money, credits, goods, or something of value, depending upon the number
25 of persons joining the plan.

26 (4) To commit, allow, or ratify any act of "bushing" which is
27 defined as follows: Taking from a prospective buyer of a vehicle a
28 written order or offer to purchase, or a contract document signed by
29 the buyer, which:

30 (a) Is subject to the dealer's, or his or her authorized
31 representative's future acceptance, and the dealer fails or refuses
32 within forty-eight hours, exclusive of Saturday, Sunday, or legal
33 holiday, and prior to any further negotiations with said buyer, to
34 deliver to the buyer either the dealer's signed acceptance or all
35 copies of the order, offer, or contract document together with any
36 initial payment or security made or given by the buyer, including but
37 not limited to money, check, promissory note, vehicle keys, a trade-in,
38 or certificate of title to a trade-in; or

1 (b) Permits the dealer to renegotiate a dollar amount specified as
2 trade-in allowance on a vehicle delivered or to be delivered by the
3 buyer as part of the purchase price, for any reason except:

4 (i) Failure to disclose that the vehicle's certificate of ownership
5 has been branded for any reason, including, but not limited to, status
6 as a rebuilt vehicle as provided in RCW 46.12.050 and section 24 of
7 this act; and

8 (ii) Substantial physical damage or latent mechanical defect
9 occurring before the dealer took possession of the vehicle and which
10 could not have been reasonably discoverable at the time of the taking
11 of the order, offer, or contract; or

12 (c) Fails to comply with the obligation of any written warranty or
13 guarantee given by the dealer requiring the furnishing of services or
14 repairs within a reasonable time.

15 (5) To commit any offense relating to odometers, as such offenses
16 are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A
17 violation of this subsection is a class C felony punishable under
18 chapter 9A.20 RCW.

19 (6) For any vehicle dealer or vehicle salesman to refuse to
20 furnish, upon request of a prospective purchaser, the name and address
21 of the previous registered owner of any used vehicle offered for sale.

22 (7) To commit any other offense under RCW 46.37.423, 46.37.424, or
23 46.37.425.

24 (8) To commit any offense relating to a dealer's temporary license
25 permit, including but not limited to failure to properly complete each
26 such permit, or the issuance of more than one such permit on any one
27 vehicle.

28 (9) For a dealer, salesman, or mobile home manufacturer, having
29 taken an instrument or cash "on deposit" from a purchaser prior to the
30 delivery of the bargained-for vehicle, to commingle the "on deposit"
31 funds with assets of the dealer, salesman, or mobile home manufacturer
32 instead of holding the "on deposit" funds as trustee in a separate
33 trust account until the purchaser has taken delivery of the bargained-
34 for vehicle. Delivery of a manufactured home shall be deemed to occur
35 in accordance with RCW 46.70.135(5). Failure, immediately upon
36 receipt, to endorse "on deposit" instruments to such a trust account,
37 or to set aside "on deposit" cash for deposit in such trust account,
38 and failure to deposit such instruments or cash in such trust account
39 by the close of banking hours on the day following receipt thereof,

1 shall be evidence of intent to commit this unlawful practice:
2 PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate
3 trust account which equals his or her customary total customer deposits
4 for vehicles for future delivery. For purposes of this section, "on
5 deposit" funds received from a purchaser of a manufactured home means
6 those funds that a seller requires a purchaser to advance before
7 ordering the manufactured home, but does not include any loan proceeds
8 or moneys that might have been paid on an installment contract.

9 (10) For a dealer or manufacturer to fail to comply with the
10 obligations of any written warranty or guarantee given by the dealer or
11 manufacturer requiring the furnishing of goods and services or repairs
12 within a reasonable period of time, or to fail to furnish to a
13 purchaser, all parts which attach to the manufactured unit including
14 but not limited to the undercarriage, and all items specified in the
15 terms of a sales agreement signed by the seller and buyer.

16 (11) For a vehicle dealer to pay to or receive from any person,
17 firm, partnership, association, or corporation acting, either directly
18 or through a subsidiary, as a buyer's agent for consumers, any
19 compensation, fee, gratuity, or reward in connection with the purchase
20 or sale of a new motor vehicle.

21 (12) For a buyer's agent acting directly or through a subsidiary to
22 pay to or to receive from any motor vehicle dealer any compensation,
23 fee, gratuity, or reward in connection with the purchase or sale of a
24 new motor vehicle.

25 (13) For a buyer's agent to arrange for or to negotiate the
26 purchase, or both, of a new motor vehicle through an out-of-state
27 dealer without disclosing in writing to the customer that the new
28 vehicle would not be subject to chapter 19.118 RCW.

29 (14) Being a manufacturer, other than a motorcycle manufacturer
30 governed by chapter 46.94 RCW, to:

31 (a) Coerce or attempt to coerce any vehicle dealer to order or
32 accept delivery of any vehicle or vehicles, parts or accessories, or
33 any other commodities which have not been voluntarily ordered by the
34 vehicle dealer: PROVIDED, That recommendation, endorsement,
35 exposition, persuasion, urging, or argument are not deemed to
36 constitute coercion;

37 (b) Cancel or fail to renew the franchise or selling agreement of
38 any vehicle dealer doing business in this state without fairly
39 compensating the dealer at a fair going business value for his or her

1 capital investment which shall include but not be limited to tools,
2 equipment, and parts inventory possessed by the dealer on the day he or
3 she is notified of such cancellation or termination and which are still
4 within the dealer's possession on the day the cancellation or
5 termination is effective, if: (i) The capital investment has been
6 entered into with reasonable and prudent business judgment for the
7 purpose of fulfilling the franchise; and (ii) the cancellation or
8 nonrenewal was not done in good faith. Good faith is defined as the
9 duty of each party to any franchise to act in a fair and equitable
10 manner towards each other, so as to guarantee one party freedom from
11 coercion, intimidation, or threats of coercion or intimidation from the
12 other party: PROVIDED, That recommendation, endorsement, exposition,
13 persuasion, urging, or argument are not deemed to constitute a lack of
14 good faith.

15 (c) Encourage, aid, abet, or teach a vehicle dealer to sell
16 vehicles through any false, deceptive, or misleading sales or financing
17 practices including but not limited to those practices declared
18 unlawful in this section;

19 (d) Coerce or attempt to coerce a vehicle dealer to engage in any
20 practice forbidden in this section by either threats of actual
21 cancellation or failure to renew the dealer's franchise agreement;

22 (e) Refuse to deliver any vehicle publicly advertised for immediate
23 delivery to any duly licensed vehicle dealer having a franchise or
24 contractual agreement for the retail sale of new and unused vehicles
25 sold or distributed by such manufacturer within sixty days after such
26 dealer's order has been received in writing unless caused by inability
27 to deliver because of shortage or curtailment of material, labor,
28 transportation, or utility services, or by any labor or production
29 difficulty, or by any cause beyond the reasonable control of the
30 manufacturer;

31 (f) To provide under the terms of any warranty that a purchaser of
32 any new or unused vehicle that has been sold, distributed for sale, or
33 transferred into this state for resale by the vehicle manufacturer may
34 only make any warranty claim on any item included as an integral part
35 of the vehicle against the manufacturer of that item.

36 Nothing in this section may be construed to impair the obligations
37 of a contract or to prevent a manufacturer, distributor,
38 representative, or any other person, whether or not licensed under this
39 chapter, from requiring performance of a written contract entered into

1 with any licensee hereunder, nor does the requirement of such
2 performance constitute a violation of any of the provisions of this
3 section if any such contract or the terms thereof requiring
4 performance, have been freely entered into and executed between the
5 contracting parties. This paragraph and subsection (14)(b) of this
6 section do not apply to new motor vehicle manufacturers governed by
7 chapter 46.96 RCW.

8 (15) Unlawful transfer of an ownership interest in a motor vehicle
9 as defined in RCW 19.116.050.

10 NEW SECTION. **Sec. 27.** The following acts or parts of acts are
11 each repealed:

12 (1) RCW 46.12.360 and 1990 c 42 s 325, 1980 c 32 s 7, & 1975-'76
13 2nd ex.s. c 91 s 7; and

14 (2) RCW 46.80.055 and 1985 c 109 s 8."

15 Correct the title accordingly.
