4 NOT ADOPTED 5/24/95

5 On page 27, line 36, after "Network." insert "The WIN kiosks shall  
6 not compete against other, private sector information or service  
7 providers. For currently existing private sector service providers  
8 that provide services or products also to be offered by the WIN kiosks  
9 after the effective date of this act, the department of information  
10 services shall complete a business impact study of the anticipated  
11 effects on the private sector businesses of adding the product or  
12 service to the kiosk system prior to adding the service or product to  
13 the kiosk system. If any impact on the private sector providers is  
14 found, the department shall submit the project or service to the  
15 legislature for approval."

--- END ---

EFFECT: Restricts the authority of the WIN kiosks to compete against private sector providers. For currently existing private sector services providers, DIS must analyze the effect on the private sector of adding a service or product to the kiosk system. If an impact is found, the department shall submit the product or service to the Legislature for approval.
