5 On page 4, line 26 of the amendment, after "project" insert ",  
6 except in those projects which have been previously submitted to the  
7 department prior to August 1994, under this act's predecessor  
8 legislation. In such cases the department will accept the proposer who  
9 previously submitted a proposal in good faith under the terms and  
10 conditions of the predecessor's legislation: PROVIDED, That the  
11 department, with the input of the legislative transportation committee  
12 and a public hearing, reviews the project's proposed costs and rates of  
13 return and finds them reasonable"
