13 Zarelli, Roach and Cantu

14 WITHDRAWN 2/12/96

15 On page 2, beginning on line 1, after "services," strike all
16 material through "mother." on line 8, and insert "coverage must be
17 provided for inpatient, postdelivery care to a mother and her newly
18 born child. Provider decisions to establish or limit the length of
19 inpatient stay should use as a guideline the recommendations of the
20 American college of obstetrics and gynecology and the American college
21 of pediatrics. These decisions must be made by the attending providers
22 after conferring with the mother and taking into account the needs of
23 the newborn. The postpartum and infant care period starts at 11:59
24 p.m. for either vaginal delivery or cesarean section."

25 On page 2, beginning on line 16, strike all of subsection (3) and
26 insert the following:

27 "(3) Before discharge of the mother and newborn there must be in
28 place a discharge plan that provides for coverage of outpatient
29 postdelivery care using as a guideline the recommendations of the
30 American college of obstetrics and gynecology and the American college
31 of pediatrics. Any outpatient postdelivery visits determined to be
32 medically necessary must be provided by a licensed health care provider
33 with appropriate training in maternal and child health care."
