

2 **SSB 6251** - S AMD - 199  
3 By Senator Zarelli

4 On page 30, line 11, increase the FY 1996 general fund  
5 appropriation by \$15,118,000 and adjust the total appropriation  
6 accordingly.

7 On page 30, line 32, insert the following:

8 "(3) \$15,118,000 of the general fund--state appropriation for  
9 fiscal year 1996 is provided solely for assistance grants to families  
10 and individuals who experienced property losses and damages to their  
11 residences, residential property, and contents resulting from the  
12 February 1996 floods. The funds shall be separate from and in addition  
13 to state appropriations provided as matching funds for federal flood  
14 assistance funds. The division of emergency management shall work with  
15 appropriate county officials to design a process for allocation of  
16 these monies, subject to the following conditions and limitations: (a)  
17 The funds shall be used only to provide assistance grants in addition  
18 to those provided through the federal emergency management assistance  
19 (FEMA) program or to provide for assistance grants to families and  
20 individuals who do not qualify for FEMA grants but whose losses cause  
21 significant economic hardship; and (b) the funds shall be allocated to  
22 those individuals and families suffering the most significant economic  
23 hardship."

24 On page 124, line 8, decrease the FY 1997 general fund--state  
25 appropriation by \$8,880,000 and adjust the total appropriation  
26 accordingly.

27 On page 126, beginning on line 13, strike all material down to and  
28 including line 18 and renumber the subsections accordingly.

29 On page 126, line 38, decrease the FY 1997 general fund--state  
30 appropriation by \$2,554,000 and adjust the total appropriation  
31 accordingly.

1 On page 128, beginning on line 22, strike all material down to and  
2 including line 26 and renumber the subsections accordingly.

3 On page 128, line 37, decrease the FY 1997 general fund--state  
4 appropriation by \$1,448,000 and adjust the total appropriation  
5 accordingly.

6 On page 130, beginning on line 7, strike all material down to and  
7 including line 11 and renumber the subsections accordingly.

8 On page 130, line 21, decrease the FY 1997 general fund--state  
9 appropriation by \$612,000 and adjust the total appropriation  
10 accordingly.

11 On page 131, beginning on line 1, strike all material down to and  
12 including line 5 and renumber the subsections accordingly.

13 On page 131, line 15, decrease the FY 1997 general fund--state  
14 appropriation by \$590,000 and adjust the total appropriation  
15 accordingly.

16 On page 131, beginning on line 31, strike all material down to and  
17 including line 35 and renumber the subsections accordingly.

18 On page 132, line 6, decrease the FY 1997 general fund--state  
19 appropriation by \$271,000 and adjust the total appropriation  
20 accordingly.

21 On page 132, beginning on line 19, strike all material down to and  
22 including line 23 and renumber the subsections accordingly.

23 On page 132, line 36, decrease the FY 1997 general fund--state  
24 appropriation by \$763,000 and adjust the total appropriation  
25 accordingly.

26 On page 133, beginning on line 16, strike all material down to and  
27 including line 20 and renumber the subsections accordingly.

1     **EFFECT:**     Shifting \$15.1 million GF-S from higher education  
2     innovation funding to assistance grants for persons suffering  
3     residential property losses in the February 1996 floods.
