4 On page 3, line 2, after "(d)" strike all material through and
5 including "carriers" on line 4, and insert "Provisions ensuring that
6 both the conventional and intermodal rail service needs of local
7 shippers are met. Such accommodations may comprise agreements with the
8 franchisee to offer or maintain adequate service or to provide for
9 service by other carriers at commercially reasonable rates.

10 (e) Provisions for haulage agreements or proportional rate
11 agreements which shall enable other carriers to quote rates across what
12 is commonly known as the Stampede Pass rail line from Cle Elum to
13 Auburn.

14 (f) If any part of the franchise is invalidated by actions or
15 rulings of the federal surface transportation board, the remaining
16 portions of the franchise are not invalidated."
