HOUSE COMMITTEE ON LAW & JUSTICE

Majority Report: Do pass. Signed by 15 members: Representatives Padden, Chair; Delvin, Vice Chair; Hickel, Vice Chair; Appelwick, Ranking Minority Member; Costa, Assistant Ranking Minority Member; Carrell; Chappell; Cody; Lambert; McMahan; Morris; Robertson; Sheahan; Smith and Veloria.

Background: Before a county may increase the number of District Court judges, the Legislature must approve the increase. The Supreme Court makes a recommendation to the Legislature and bases its recommendation on a weighted caseload analysis. Additional judgeships are effective only if the county legislative authority approves the additional position and agrees to pay for the position with county funds without reimbursement from the state. The county may use criminal justice funding money received from the state to fund the positions.

The Benton County commissioners have approved the addition of one, full-time Benton County District Court Judge, based on a weighted caseload analysis.

Summary of Bill: The number of District Court judges in Benton County is increased from two to three.

Appropriation: None.

Fiscal Note: Requested January 20, 1995.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: Benton County's request for another District Court judge is supported by the weighted caseload analysis and approved by the county legislative authority.

Testimony Against: None.

Testified: Judge Eugene Pratt, Benton County District Court (pro).
