20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

1        NEW SECTION.    **Sec. 1.**    (1) The legislature finds that:

2        (a) One of its fundamental responsibilities, to the benefit of all  
3 the citizens of the state, is the protection of public health and  
4 safety, including health and safety in the workplace, and the  
5 preservation of the extraordinary natural environment with which  
6 Washington is endowed;

7        (b) Essential to this mission is the delegation of authority to  
8 state agencies to implement the policies established by the  
9 legislature; and that the adoption of administrative rules by these  
10 agencies helps assure that these policies are clearly understood,  
11 fairly applied, and uniformly enforced;

12        (c) Despite its importance, Washington's regulatory system must not  
13 impose excessive, unreasonable, or unnecessary obligations; to do so  
14 serves only to discredit government, makes enforcement of essential  
15 regulations more difficult, and detrimentally affects the economy of  
16 the state and the well-being of our citizens.

17        (2) The legislature therefore enacts chapter . . . , Laws of 1995  
18 (this act), to be known as the regulatory reform act of 1995, to ensure  
19 that the citizens and environment of this state receive the highest  
20 level of protection, in an effective and efficient manner, without  
21 stifling legitimate activities and responsible economic growth. To  
22 that end, it is the intent of the legislature, in the adoption of this  
23 act, that:

24        (a) Unless otherwise authorized, substantial policy decisions  
25 affecting the public be made by those directly accountable to the  
26 public, namely the legislature, and that state agencies not use their  
27 administrative authority to create or amend regulatory programs;

28        (b) When an agency is authorized to adopt rules imposing  
29 obligations on the public, that it do so responsibly: The rules it  
30 adopts should be justified and reasonable, with the agency having  
31 determined, based on common sense criteria established by the  
32 legislature, that the obligations imposed are truly in the public  
33 interest;

34        (c) Governments at all levels better coordinate their regulatory  
35 efforts to avoid confusing and frustrating the public with overlapping  
36 or contradictory requirements;

37        (d) The public respect the process whereby administrative rules are  
38 adopted, whether or not they agree with the result: Members of the  
39 public affected by administrative rules must have the opportunity for

1 a meaningful role in their development; the bases for agency action  
2 must be legitimate and clearly articulated;

3 (e) Members of the public have adequate opportunity to challenge  
4 administrative rules with which they have legitimate concerns through  
5 meaningful review of the rule by the executive, the legislature, and  
6 the judiciary. While it is the intent of the legislature that upon  
7 judicial review of a rule, a court should not substitute its judgment  
8 for that of an administrative agency, the court should determine  
9 whether the agency decision making was rigorous and deliberative;  
10 whether the agency reached its result through a process of reason; and  
11 whether the agency took a hard look at the rule before its adoption;

12 (f) In order to achieve greater compliance with administrative  
13 rules at less cost, that a cooperative partnership exist between  
14 agencies and regulated parties that emphasizes education and assistance  
15 before the imposition of penalties; and

16 (g) Workplace safety and health in this state not be diminished,  
17 whether provided by constitution, by statute, or by rule.

7 The insurance commissioner shall make reasonable regulations in aid  
8 of the administration of this chapter which may include, but shall not  
9 be limited to regulations concerning the maintenance of adequate  
10 insurance, bonds, or cash deposits, information required of  
11 registrants, and methods of expediting speedy and fair payments to  
12 claimants: PROVIDED, That the commissioner may not adopt rules after  
13 the effective date of this section that are based solely on this  
14 section, a statute's statement of intent or purpose, or on the enabling  
15 provisions of the statute establishing the agency, or any combination  
16 of such provisions, for statutory authority to adopt any rule, except  
17 rules defining or clarifying terms in, or procedures necessary to the  
18 implementation of a statute.

19 **Sec. 116.** RCW 48.46.200 and 1975 1st ex.s. c 290 s 21 are each  
20 amended to read as follows:

21 The commissioner may adopt, in accordance with the provisions of

23 rules and regulations as necessary or proper to carry out the  
24 provisions of this chapter: PROVIDED, That the commissioner may not  
25 adopt rules after the effective date of this section that are based  
26 solely on this section, a statute's statement of intent or purpose, or  
27 on the enabling provisions of the statute establishing the agency, or  
28 any combination of such provisions, for statutory authority to adopt  
29 any rule, except rules defining or clarifying terms in, or procedures  
30 necessary to the implementation of a statute. Nothing in this chapter  
31 shall be construed to prohibit the commissioner from requiring changes  
32 in procedures previously approved by (~~him~~) the commissioner.

33 NEW SECTION. **Sec. 117.** A new section is added to chapter 70.94  
34 RCW to read as follows:

35 (1) After the effective date of this section, the department may  
36 adopt or amend a rule under the authority of this chapter that exceeds

1 the requirements of the federal clean air act or regulations adopted  
2 under it or that imposes burdens or obligations before the scheduled  
3 adoption of federal regulations addressing similar subject matter only  
4 after compliance with the procedures established in section 201 of this  
5 act.

6 (2) In fulfilling the requirements of section 201(1)(g)(ii) of this  
7 act, the department shall consider: (a) The differences between the  
8 proposed rule and the corresponding provisions of the federal clean air  
9 act; (b) the air quality problem that the proposed rule would address,  
10 including the sources of the problem and any factors that make the  
11 problem different in the state or in a part of the state than in other  
12 parts of the United States; and (c) the effect of the proposed rule in  
13 eliminating the problem or reducing its severity. This section shall  
14 not be interpreted to impede efforts to streamline or simplify federal  
15 air regulations that are developed with participation of the public and  
16 regulated entities.

17 (3) This section shall expire July 1, 1999.

18 NEW SECTION. **Sec. 118.** A new section is added to chapter 34.05  
19 RCW under the subchapter heading Part III to read as follows:

20 For rules implementing statutes enacted after the effective date of  
21 this section, an agency may not rely solely on the section of law  
22 stating a statute's intent or purpose, or on the enabling provisions of  
23 the statute establishing the agency, or on any combination of such  
24 provisions, for its statutory authority to adopt the rule. An agency  
25 may use the statement of intent or purpose or the agency enabling  
26 provisions to interpret ambiguities in a statute's other provisions.

27 NEW SECTION. **Sec. 119.** A new section is added to chapter 34.05  
28 RCW under the subchapter heading Part III to read as follows:

29 Section 118 of this act does not apply to: The commissioner of

**PART II**  
**RULE-MAKING CRITERIA**

1  
2  
3       NEW SECTION.   **Sec. 201.**   A new section is added to chapter 34.05  
4 RCW under the subchapter heading Part III to read as follows:

5       (1) Before adopting a rule described in subsection (5) of this  
6 section, an agency shall:

7       (a) Clearly state in detail the general goals and specific  
8 objectives of the statute that the rule implements;

9       (b) Determine that the rule is needed to achieve the general goals  
10 and specific objectives stated under (a) of this subsection, and  
11 analyze alternatives to rule making and the consequences of not  
12 adopting the rule;

13       (c) Determine that the probable benefits of the rule are greater  
14 than its probable costs, taking into account both the qualitative and  
15 quantitative benefits and costs and the specific directives of the  
16 statute being implemented;

17       (d) Determine, after considering alternative versions of the rule  
18 and the analysis required under (b) and (c) of this subsection, that  
19 the rule being adopted is the least burdensome alternative for those  
20 required to comply with it that will achieve the general goals and  
21 specific objectives stated under (a) of this subsection;

22       (e) Determine that the rule does not require those to whom it  
23 applies to take an action that violates requirements of another federal  
24 or state law;

25       (f) Determine that the rule does not impose more stringent  
26 performance requirements on private entities than on public entities  
27 unless required to do so by federal or state law;

28       (g) Determine if the rule differs from any federal regulation or  
29 statute applicable to the same activity or subject matter and, if so,  
30 determine that the difference is justified by the following:

31       (i) A state statute that explicitly allows the agency to differ  
32 from federal standards; or

33       (ii) Substantial evidence that the difference is necessary to  
34 achieve the general goals and specific objectives stated under (a) of  
35 this subsection; and

36       (h) Coordinate the rule, to the maximum extent practicable, with  
37 other federal, state, and local laws applicable to the same activity or  
38 subject matter.

1 (2) In making its determinations pursuant to subsection (1)(b)  
2 through (g) of this section, the agency shall place in the rule-making  
3 file documentation of sufficient quantity and quality so as to persuade  
4 a reasonable person that the determinations are justified.

5 (3) Before adopting rules described in subsection (5) of this  
6 section, an agency shall place in the rule-making file a rule  
7 implementation plan for rules filed under each adopting order. The  
8 plan shall describe how the agency intends to:

9 (a) Implement and enforce the rule, including a description of the  
10 resources the agency intends to use;

11 (b) Inform and educate affected persons about the rule;

12 (c) Promote and assist voluntary compliance; and

13 (d) Evaluate whether the rule achieves the purpose for which it was  
14 adopted, including, to the maximum extent practicable, the use of  
15 interim milestones to assess progress and the use of objectively  
16 measurable outcomes.

17 (4) After adopting a rule described in subsection (5) of this  
18 section regulating the same activity or subject matter as another  
19 provision of federal or state law, an agency shall do all of the  
20 following:

21 (a) Provide to the business assistance center a list citing by  
22 reference the other federal and state laws that regulate the same  
23 activity or subject matter;

24 (b) Coordinate implementation and enforcement of the rule with the  
25 other federal and state entities regulating the same activity or  
26 subject matter by making every effort to do one or more of the  
27 following:

28 (i) Deferring to the other entity;

29 (ii) Designating a lead agency; or

30 (iii) Entering into an agreement with the other entities specifying  
31 how the agency and entities will coordinate implementation and  
32 enforcement.

33 If the agency is unable to comply with this subsection (4)(b), the  
34 agency shall report to the legislature pursuant to (c) of this  
35 subsection;

36 (c) Report to the joint administrative rules review committee:

37 (i) The existence of any overlap or duplication of other federal or  
38 state laws, any differences from federal law, and any known overlap,  
39 duplication, or conflict with local laws; and

1 (ii) Make recommendations for any legislation that may be necessary  
2 to eliminate or mitigate any adverse effects of such overlap,  
3 duplication, or difference.

4 (5)(a) Except as provided in (b) of this subsection, this section  
5 applies to:

6 (i) Significant legislative rules of the departments of ecology,  
7 labor and industries, health, revenue, and natural resources, the  
8 employment security department, the forest practices board, the office  
9 of the insurance commissioner, and to the legislative rules of the  
10 department of fish and wildlife implementing chapter 75.20 RCW; and

11 (ii) Any rule of any agency, if this section is voluntarily made  
12 applicable to the rule by the agency, or is made applicable to the rule  
13 by a majority vote of the joint administrative rules review committee  
14 within forty-five days of receiving the notice of proposed rule making  
15 under RCW 34.05.320.

16 (b) This section does not apply to:

17 (i) Emergency rules adopted under RCW 34.05.350;

18 (ii) Rules relating only to internal governmental operations that  
19 are not subject to violation by a nongovernment party;

20 (iii) Rules adopting or incorporating by reference without material  
21 change federal statutes or regulations, Washington state statutes,  
22 rules of other Washington state agencies, shoreline master programs  
23 other than those programs governing shorelines of state-wide  
24 significance, or, as referenced by Washington state law, national  
25 consensus codes that generally establish industry standards, if the  
26 material adopted or incorporated regulates the same subject matter and  
27 conduct as the adopting or incorporating rule;

28 (iv) Rules that only correct typographical errors, make address or  
29 name changes, or clarify language of a rule without changing its  
30 effect;

31 (v) Rules the content of which is explicitly and specifically  
32 dictated by statute; or

33 (vi) Rules that set or adjust fees or rates pursuant to legislative  
34 standards.

35 (c) For purposes of this subsection:

36 (i) A "procedural rule" is a rule that adopts, amends, or repeals  
37 (A) any procedure, practice, or requirement relating to any agency  
38 hearings; (B) any filing or related process requirement for making  
39 application to an agency for a license or permit; or (C) any policy

1 statement pertaining to the consistent internal operations of an  
2 agency.

3 (ii) An "interpretive rule" is a rule, the violation of which does  
4 not subject a person to a penalty or sanction, that sets forth the  
5 agency's interpretation of statutory provisions it administers.

6 (iii) A "significant legislative rule" is a rule other than a  
7 procedural or interpretive rule that (A) adopts substantive provisions  
8 of law pursuant to delegated legislative authority, the violation of  
9 which subjects a violator of such rule to a penalty or sanction; (B)  
10 establishes, alters, or revokes any qualification or standard for the  
11 issuance, suspension, or revocation of a license or permit; or (C)  
12 adopts a new, or makes significant amendments to, a policy or  
13 regulatory program.

14 (d) In the notice of proposed rule making under RCW 34.05.320, an  
15 agency shall state whether this section applies to the proposed rule  
16 pursuant to (a)(i) of this subsection, or if the agency will apply this  
17 section voluntarily.

18 (6) By January 31, 1996, and by January 31st of each even-numbered  
19 year thereafter, the office of financial management, after consulting  
20 with state agencies, counties, and cities, and business, labor, and  
21 environmental organizations, shall report to the governor and the  
22 legislature regarding the effects of this section on the regulatory  
23 system in this state. The report shall document:

25 extent possible, how compliance with this section affected the  
26 substance of the rule, if any, that the agency ultimately adopted;

27 (b) The costs incurred by state agencies in complying with this  
28 section;

33 capacity of agencies to fulfill their legislatively prescribed mission;

34 (e) The extent to which this section has improved the acceptability  
35 of state rules to those regulated; and

36 (f) Any other information considered by the office of financial  
37 management to be useful in evaluating the effect of this section.

(2) Agencies are encouraged to develop and use new procedures for reaching agreement among interested parties before publication of notice and the adoption hearing on a proposed rule. Examples of new procedures include, but are not limited to:

(a) Negotiated rule making ~~((which includes:~~

1       ~~(i) Identifying individuals and organizations that have a~~

10 ~~pertinent issues, to set reasonable completion deadlines, and to~~  
11 ~~provide fair and objective settlement of disputes that may arise;~~

12       ~~(v) Agreeing on a reasonable time period during which the agency~~  
13 ~~will be bound to the rule resulting from the negotiations without~~  
14 ~~substantive amendment; and~~

15       ~~(vi) Providing a mechanism by which one or more parties may~~  
16 ~~withdraw from the process or the negotiations may be terminated if it~~  
17 ~~appears that consensus cannot be reached on a draft rule that~~  
18 ~~accommodates the needs of the agency, interested parties, and the~~  
19 ~~general public and conforms to the legislative intent of the statute~~  
20 ~~that the rule is intended to implement)) by which representatives of an~~  
21 ~~agency and of the interests that are affected by a subject of rule~~  
22 ~~making, including, where appropriate, county and city representatives,~~

24 ~~process by which it is negotiated; and~~

25       ~~(b) Pilot rule making which includes testing the ((draft of a~~  
26 ~~proposed rule)) feasibility of complying with or administering draft~~  
27 ~~new rules or draft amendments to existing rules through the use of~~

29 ~~provided in RCW 34.05.313 or as otherwise provided by the agency.~~

30       (3)(a) An agency must make a determination whether negotiated rule

32 participation from interested parties prior to development of the rule  
33 is appropriate.

34       (b) An agency must include a written justification in the rule-  
35 making file if an opportunity for interested parties to participate in  
36 the rule-making process prior to publication of the proposed rule has

24 to the rule adoption.

25 (2) Upon filing notice of the proposed rule with the code reviser,

2 read as follows:

3       ~~((If,))~~ (1) During the development of a rule or after its adoption,

19 rule)). Volunteers who agree to test a rule and attempt to meet the  
20 requirements of the draft rule, to report periodically to the proposing  
21 agency on the extent of their ability to meet the requirements of the  
22 draft rule, and to make recommendations for improving the draft rule  
23 shall not be obligated to comply fully with the rule being tested nor  
24 be subject to any enforcement action or other sanction for failing to  
25 comply with the requirements of the draft rule.

27 subsection (1) of this section may waive one or more provisions of  
28 agency rules otherwise applicable to participants in such a pilot  
29 project if the agency first determines that such a waiver is in the

31 may be only for a stated period of time, not to exceed the duration of  
32 the project.

33       (3) The findings of the pilot project should be widely shared and,

9 employ eleven to twenty-six employees, and

10 (C) Not less than twenty percent of the small businesses must  
11 employ zero to ten employees.

12 (ii) If there do not exist a sufficient number of small businesses  
13 in each size category set forth in (b)(i) of this subsection willing to  
14 participate in the pilot project to meet the minimum requirements of  
15 that subsection, then the agency must comply with this section to the  
16 maximum extent practicable.

17 (c) The agency may not terminate the pilot project before  
18 completion.

19 (d) Before filing the notice of proposed rule making pursuant to  
20 RCW 34.05.320, the agency must prepare a report of the pilot rule  
21 project that includes:

22 (i) A description of the difficulties small businesses had in  
23 complying with the pilot rule;

24 (ii) A list of the recommended revisions to the rule to make  
25 compliance with the rule easier or to reduce the cost of compliance  
26 with the rule by the small businesses participating in the pilot rule  
27 project;

28 (iii) A written statement explaining the options it considered to  
29 resolve each of the difficulties described and a statement explaining  
30 its reasons for not including a recommendation by the pilot test group  
31 to revise the rule; and

32 (iv) If the agency was unable to meet the requirements set forth in  
33 (b)(i) of this subsection, a written explanation of why it was unable  
34 to do so and the steps the agency took to include small businesses in  
35 the pilot project.

36 **Sec. 304.** RCW 34.05.325 and 1994 c 249 s 7 are each amended to  
37 read as follows:

1 (1) The agency shall make a good faith effort to insure that the  
2 information on the proposed rule published pursuant to RCW 34.05.320  
3 accurately reflects the rule to be presented and considered at the oral  
4 hearing on the rule. Written comment about a proposed rule, including  
5 supporting data, shall be accepted by an agency if received no later  
6 than the time and date specified in the notice, or such later time and  
7 date established at the rule-making hearing.

8 (2) The agency shall provide an opportunity for oral comment to be  
9 received by the agency in a rule-making hearing.

10 (3) If the agency possesses equipment capable of receiving  
11 telefacsimile transmissions or recorded telephonic communications, the  
12 agency may provide in its notice of hearing filed under RCW 34.05.320  
13 that interested parties may comment on proposed rules by these means.  
14 If the agency chooses to receive comments by these means, the notice of  
15 hearing shall provide instructions for making such comments, including,  
16 but not limited to, appropriate telephone numbers to be used; the date  
17 and time by which comments must be received; required methods to verify  
18 the receipt and authenticity of the comments; and any limitations on  
19 the number of pages for telefacsimile transmission comments and on the  
20 minutes of tape recorded comments. The agency shall accept comments  
21 received by these means for inclusion in the official record if the  
22 comments are made in accordance with the agency's instructions.

23 (4) The agency head, a member of the agency head, or a presiding  
24 officer designated by the agency head shall preside at the rule-making  
25 hearing. Rule-making hearings shall be open to the public. The agency  
26 shall cause a record to be made of the hearing by stenographic,  
27 mechanical, or electronic means. Unless the agency head presides or is  
28 present at substantially all the hearings, the presiding official shall  
29 prepare a memorandum for consideration by the agency head, summarizing  
30 the contents of the presentations made at the rule-making hearing. The  
31 summarizing memorandum is a public document and shall be made available  
32 to any person in accordance with chapter 42.17 RCW.

33 (5) Rule-making hearings are legislative in character and shall be  
34 reasonably conducted by the presiding official to afford interested  
35 persons the opportunity to present comment. Rule-making hearings may  
36 be continued to a later time and place established on the record  
37 without publication of further notice under RCW 34.05.320.

1 (6) (~~Before the adoption of a final rule~~) (a) Before it files an  
2 adopted rule with the code reviser, an agency shall prepare a (~~written~~  
3 ~~summary of~~) concise explanatory statement of the rule:

4 (i) Identifying the agency's reasons for adopting the rule;

5 (ii) Describing differences between the text of the proposed rule  
6 as published in the register and the text of the rule as adopted, other  
7 than editing changes, stating the reasons for differences; and

8 (iii) Summarizing all comments received regarding the proposed  
9 rule, and (~~a substantive response~~) responding to the comments by  
10 category or subject matter, indicating how the final rule reflects  
11 agency consideration of the comments, or why it fails to do so.

12 (b) The agency shall provide the (~~written summary and response~~)  
13 concise explanatory statement to any person upon request or from whom  
14 the agency received comment.

15 NEW SECTION. Sec. 305. RCW 34.05.355 and 1994 c 249 s 8 & 1988 c  
16 288 s 310 are each repealed.

#### 17 PART IV

#### 18 REGULATORY FAIRNESS ACT

19 NEW SECTION. Sec. 401. A new section is added to chapter 19.85  
20 RCW to read as follows:

21 (1) Unless an agency receives a written objection to the expedited  
22 repeal of a rule, this chapter does not apply to a rule proposed for  
23 expedited repeal pursuant to section 701 of this act. If an agency  
24 receives a written objection to expedited repeal of the rule, this  
25 chapter applies to the rule-making proceeding.

26 (2) This chapter does not apply to the adoption of a rule described  
27 in RCW 34.05.310(4).

28 (3) An agency is not required to prepare a separate small business  
29 economic impact statement under RCW 19.85.040 if it prepared an  
30 analysis under section 201 of this act that meets the requirements of  
31 a small business economic impact statement, and if the agency reduced  
32 the costs imposed by the rule on small business to the extent required  
33 by RCW 19.85.030(3). The portion of the analysis that meets the  
34 requirements of RCW 19.85.040 shall be filed with the code reviser and  
35 provided to any person requesting it in lieu of a separate small  
36 business economic impact statement.

1       **Sec. 402.** RCW 19.85.030 and 1994 c 249 s 11 are each amended to  
2 read as follows:

3       (1) ~~((In the adoption of any rule pursuant to RCW 34.05.320 that~~  
4 ~~will impose more than minor costs on more than twenty percent of all~~  
5 ~~industries, or more than ten percent of any one industry, the adopting~~  
6 ~~agency:~~

7       ~~(a) Shall reduce the economic impact of the rule on small business~~  
8 ~~by doing one or more of the following when it is legal and feasible in~~  
9 ~~meeting the stated objective of the statutes which are the basis of the~~  
10 ~~proposed rule:~~

11       ~~(i) Establish differing compliance or reporting requirements or~~  
12 ~~timetables for small businesses;~~

13       ~~(ii) Clarify, consolidate, or simplify the compliance and reporting~~  
14 ~~requirements under the rule for small businesses;~~

15       ~~(iii) Establish performance rather than design standards;~~

16       ~~(iv) Exempt small businesses from any or all requirements of the~~  
17 ~~rule;~~

18       ~~(v) Reduce or modify fine schedules for noncompliance; and~~

19       ~~(vi) Other mitigation techniques;~~

20       ~~(b) Before filing notice of a proposed rule, shall prepare a small~~  
21 ~~business economic impact statement in accordance with RCW 19.85.040 and~~  
22 ~~file notice of how the person can obtain the statement with the code~~  
23 ~~reviser as part of the notice required under RCW 34.05.320.~~

24       ~~(2) If requested to do so by a majority vote of the joint~~  
25 ~~administrative rules review committee within thirty days after notice~~  
26 ~~of the proposed rule is published in the state register, an agency~~  
27 ~~shall prepare a small business economic impact statement on the~~  
28 ~~proposed rule before adoption of the rule. Upon completion, an agency~~  
29 ~~shall provide a copy of the small business economic impact statement to~~  
30 ~~any person requesting it.~~

31       ~~(3))~~ In the adoption of a rule under chapter 34.05 RCW, an agency  
32 shall prepare a small business economic impact statement: (a) If the  
33 proposed rule will impose more than minor costs on businesses in an  
34 industry; or (b) if requested to do so by a majority vote of the joint  
35 administrative rules review committee within forty-five days of  
36 receiving the notice of proposed rule making under RCW 34.05.320.  
37 However, if the agency has completed the pilot rule process as defined  
38 by RCW 34.05.313 before filing the notice of a proposed rule, the

1 agency is not required to prepare a small business economic impact  
2 statement.

3 An agency shall prepare the small business economic impact  
4 statement in accordance with RCW 19.85.040, and file it with the code  
5 reviser along with the notice required under RCW 34.05.320. An agency  
6 shall file a statement prepared at the request of the joint  
7 administrative rules review committee with the code reviser upon its  
8 completion before the adoption of the rule. An agency shall provide a  
9 copy of the small business economic impact statement to any person  
10 requesting it.

11 An agency may request assistance from the business assistance  
12 center in the preparation of the small business economic impact  
13 statement.

14 ~~((4))~~ (2) The business assistance center shall develop guidelines  
15 to assist agencies in determining whether a proposed rule will impose  
16 more than minor costs on businesses in an industry and therefore  
17 require preparation of a small business economic impact statement. The  
18 business assistance center may review an agency determination that a  
19 proposed rule will not impose such costs, and shall advise the joint  
20 administrative rules review committee on disputes involving agency  
21 determinations under this section.

22 (3) Based upon the extent of disproportionate impact on small  
23 business identified in the statement prepared under RCW 19.85.040, the  
24 agency shall, where legal and feasible in meeting the stated objectives  
25 of the statutes upon which the rule is based, reduce the costs imposed  
26 by the rule on small businesses. Methods to reduce the costs on small  
27 businesses may include:

28 (a) Reducing, modifying, or eliminating substantive regulatory  
29 requirements;

30 (b) Simplifying, reducing, or eliminating recordkeeping and  
31 reporting requirements;

32 (c) Reducing the frequency of inspections;

33 (d) Delaying compliance timetables;

34 (e) Reducing or modifying fine schedules for noncompliance; or

35 (f) Any other mitigation techniques.

36 **Sec. 403.** RCW 19.85.040 and 1994 c 249 s 12 are each amended to  
37 read as follows:

1 (1) A small business economic impact statement must include a brief  
2 description of the reporting, recordkeeping, and other compliance  
3 requirements of the proposed rule, and the kinds of professional  
4 services that a small business is likely to need in order to comply  
5 with such requirements. It shall analyze the costs of compliance for  
6 businesses required to comply with the proposed rule adopted pursuant  
7 to RCW 34.05.320, including costs of equipment, supplies, labor, and  
8 increased administrative costs. It shall consider, based on input  
9 received, whether compliance with the rule will cause businesses to  
10 lose sales or revenue. To determine whether the proposed rule will  
11 have a disproportionate impact on small businesses, the impact  
12 statement must compare the cost of compliance for small business with  
13 the cost of compliance for the ten percent of businesses that are the  
14 largest businesses required to comply with the proposed rules using one  
15 or more of the following as a basis for comparing costs:

- 16 (a) Cost per employee;
- 17 (b) Cost per hour of labor; or
- 18 (c) Cost per one hundred dollars of sales.

19 (2) A small business economic impact statement must also include:

20 (a) A statement of the steps taken by the agency to reduce the  
21 costs of the rule on small businesses as required by RCW  
22 19.85.030(~~((1))~~) (3), or reasonable justification for not doing so,  
23 addressing the options listed in RCW 19.85.030(~~((1))~~) (3);

24 (b) A description of how the agency will involve small businesses  
25 in the development of the rule; and

26 (c) A list of industries that will be required to comply with the  
27 rule. However, this subsection (2)(c) shall not be construed to  
28 preclude application of the rule to any business or industry to which  
29 it would otherwise apply.

30 (3) To obtain information for purposes of this section, an agency  
31 may survey a representative sample of affected businesses or trade  
32 associations and should, whenever possible, appoint a committee under  
33 RCW 34.05.310(2) to assist in the accurate assessment of the costs of  
34 a proposed rule, and the means to reduce the costs imposed on small  
35 business.

36 NEW SECTION. **Sec. 404.** A new section is added to chapter 19.85  
37 RCW to read as follows:

1 Unless so requested by a majority vote of the joint administrative  
2 rules review committee under RCW 19.85.030, an agency is not required  
3 to comply with this chapter when adopting any rule solely for the  
4 purpose of conformity or compliance, or both, with federal statute or  
5 regulations. In lieu of the statement required under RCW 19.85.030,  
6 the agency shall file a statement citing, with specificity, the federal  
7 statute or regulation with which the rule is being adopted to conform  
8 or comply, and describing the consequences to the state if the rule is  
9 not adopted.

10 NEW SECTION. **Sec. 405.** RCW 19.85.060 and 1989 c 374 s 5 are each  
11 repealed.

12 **PART V**

13 **STRENGTHENED LEGISLATIVE OVERSIGHT**

14 NEW SECTION. **Sec. 501.** A new section is added to chapter 34.05  
15 RCW under the subchapter heading Part VI to read as follows:

16 The joint administrative rules review committee shall not render a  
17 decision on a rule unless a quorum is present. A quorum shall consist  
18 of at least five members of the committee. Once a quorum is  
19 established, a majority of the quorum may render any decision except a  
20 suspension recommendation. A recommendation to suspend a rule under  
21 RCW 34.05.640 shall require a majority vote of the entire membership of  
22 the rules review committee.

23 NEW SECTION. **Sec. 502.** A new section is added to chapter 34.05  
24 RCW under the subchapter heading Part VI to read as follows:

25 (1) Any person may petition the rules review committee for a review  
26 of that rule. Within thirty days of the receipt of the petition, the  
27 rules review committee shall acknowledge receipt of the petition and  
28 describe any initial action taken. If the rules review committee  
29 rejects the petition, a written statement of the reasons for rejection  
30 shall be included.

31 (2) Within ninety days of receipt of the petition, the rules review  
32 committee shall make a final decision on the rule for which the  
33 petition for review was not previously rejected.

1        NEW SECTION.    **Sec. 503.**    A new section is added to chapter 34.05  
2    RCW under the subchapter heading Part VI to read as follows:

3        Any individual employed or holding office in any department or  
4    agency of state government may submit rules warranting review to the  
5    rules review committee.    Any such state employee is protected under  
6    chapter 42.40 RCW.

7        **Sec. 504.**    RCW 34.05.660 and 1988 c 288 s 606 are each amended to  
8    read as follows:

9        (1) Except as provided in subsection (2) of this section, it is the  
10    express policy of the legislature that establishment of procedures for  
11    review of administrative rules by the legislature and the notice of  
12    objection required by RCW 34.05.630(2) and 34.05.640(2) in no way  
13    serves to establish a presumption as to the legality or  
14    constitutionality of a rule in any subsequent judicial proceedings  
15    interpreting such rules.

16        (2) If the joint administrative rules review committee recommends  
17    to the governor that an existing rule be suspended because it does not  
18    conform with the intent of the legislature, the recommendation shall  
19    establish a rebuttable presumption in any proceeding challenging the  
20    validity of the rule that the rule is invalid.    The burden of  
21    demonstrating the rule's validity is then on the adopting agency.

22        NEW SECTION.    **Sec. 505.**    A new section is added to chapter 34.05  
23    RCW under the subchapter heading Part VI to read as follows:

26    of its findings or recommendations.    The committee shall keep complete  
27    minutes of its meetings.

28        (2) The committee may establish ad hoc advisory boards, including  
29    but not limited to, ad hoc economics or science advisory boards to  
30    assist the committee in its rules review functions.

31        (3) The committee may hire staff as needed to perform functions  
32    under this chapter.

33        NEW SECTION.    **Sec. 506.**    A new section is added to chapter 34.05  
34    RCW under the subchapter heading Part VI to read as follows:

35        In the discharge of any duty imposed under this chapter, the rules  
36    review committee may examine and inspect all properties, equipment,

1 facilities, files, records, and accounts of any state office,  
2 department, institution, board, committee, commission, or agency, and  
3 administer oaths, issue subpoenas, compel the attendance of witnesses  
4 and the production of any papers, books, accounts, documents, and  
5 testimony, and cause the deposition of witnesses, either residing  
6 within or without the state, to be taken in the manner prescribed by  
7 law for taking depositions in civil actions in the superior courts.

8 NEW SECTION. **Sec. 507.** A new section is added to chapter 34.05  
9 RCW under the subchapter heading Part VI to read as follows:

13 she may be lawfully interrogated, it is the duty of the superior court  
14 of any county, or of the judge thereof, on application of the  
15 committee, to compel obedience by proceedings for contempt, as in the  
16 case of disobedience of the requirements of a subpoena issued from the  
17 court or a refusal to testify in the court.

18 **Sec. 508.** RCW 42.40.010 and 1982 c 208 s 1 are each amended to  
19 read as follows:

20 It is the policy of the legislature that employees should be  
21 encouraged to disclose, to the extent not expressly prohibited by law,  
22 improper governmental actions, and it is the intent of the legislature  
23 to protect the rights of state employees making these disclosures. It  
24 is also the policy of the legislature that employees should be  
25 encouraged to identify rules warranting review or provide information  
26 to the rules review committee, and it is the intent of the legislature  
27 to protect the rights of these employees.

28 **Sec. 509.** RCW 42.40.020 and 1992 c 118 s 1 are each amended to

2 otherwise, the definitions in this section apply throughout this  
3 chapter.

4        (1) "Civil penalty" means a monetary penalty administratively  
5 issued by a regulatory agency for noncompliance with state or federal

23 include but are not limited to technical assistance visits, printed

18 technical assistance visit before any civil penalty provided for by law  
19 is imposed for those violations. A regulatory agency may revisit a  
20 facility, business, or other location after a technical assistance

19       (3) If the department issues a notice of correction, it shall not  
20 issue a civil penalty for the violations identified in the notice of  
21 correction unless the responsible party fails to comply with the  
22 notice.

23       NEW SECTION.    **Sec. 608.**    The department of ecology may issue a  
24 civil penalty provided for by law without first issuing a notice of  
25 correction if: (1) The person has previously been subject to an  
26 enforcement action for the same or similar type of violation of the  
27 same statute or rule or has been given previous notice of the same or  
28 similar type of violation of the same statute or rule; or (2)  
29 compliance is not achieved by the date established by the department in  
30 a previously issued notice of correction, if the department has  
31 responded to any request for review of such date by reaffirming the  
32 original date or establishing a new date; or (3) the violation has a  
33 probability of placing a person in danger of death or bodily harm, has  
34 a probability of causing more than minor environmental harm, or has a  
35 probability of causing physical damage to the property of another in an  
36 amount exceeding one thousand dollars.

1        NEW SECTION.    **Sec. 609.**    The provisions of sections 607 and 608 of  
2 this act affecting civil penalties issued by the department of ecology  
3 shall not apply to civil penalties for negligent discharge of oil as  
4 authorized under RCW 90.56.330 or to civil penalties as authorized  
5 under RCW 90.03.600 for unlawful use of water in violation of RCW  
6 90.03.250 or 90.44.050.

7        NEW SECTION.    **Sec. 610.**    (1) Following a consultative visit  
8 pursuant to RCW 49.17.250, the department of labor and industries shall  
9 issue a report to the employer that the employer shall make available  
10 to its employees.    The report shall contain:

11        (a) A description of the condition that is not in compliance and a  
12 specific citation to the applicable law or rule;

13        (b) A statement of what is required to achieve compliance;

14        (c) The date by which the department requires compliance to be  
15 achieved;

16        (d) Notice of means to contact technical assistance services  
17 provided by the department; and

18        (e) Notice of when, where, and to whom a request to extend the time  
19 to achieve compliance for good cause may be filed with the department.

20        (2) Following a compliance inspection pursuant to RCW 49.17.120,  
21 the department of labor and industries shall issue a citation for  
22 violations of industrial safety and health standards.    The citation  
23 shall not assess a penalty if the violations:

24        (a) Are determined not to be of a serious nature;

25        (b) Have not been previously cited;

26        (c) Are not willful; and

27        (d) Do not have a mandatory penalty under chapter 49.17 RCW.

28        NEW SECTION.    **Sec. 611.**    (1) If in the course of any inspection or  
29 visit that is not a technical assistance visit, the department of  
30 agriculture, fish and wildlife, health, licensing, or natural resources  
31 becomes aware of conditions that are not in compliance with applicable  
32 laws and rules enforced by the department and are not subject to civil  
33 penalties as provided for in section 612 of this act, the department  
34 may issue a notice of correction to the responsible party that shall  
35 include:

36        (a) A description of the condition that is not in compliance and a  
37 specific citation to the applicable law or rule;

- 1 (b) A statement of what is required to achieve compliance;
- 2 (c) The date by which the department requires compliance to be  
3 achieved;
- 4 (d) Notice of the means to contact any technical assistance  
5 services provided by the department or others; and
- 6 (e) Notice of when, where, and to whom a request to extend the time  
7 to achieve compliance for good cause may be filed with the department.
- 8 (2) A notice of correction is not a formal enforcement action, is  
9 not subject to appeal, and is a public record.
- 10 (3) If the department issues a notice of correction, it shall not  
11 issue a civil penalty for the violations identified in the notice of  
12 correction unless the responsible party fails to comply with the  
13 notice.

14 NEW SECTION. **Sec. 612.** The department of agriculture, fish and  
15 wildlife, health, licensing, or natural resources may issue a civil  
16 penalty provided for by law without first issuing a notice of  
17 correction if: (1) The person has previously been subject to an  
18 enforcement action for the same or similar type of violation of the  
19 same statute or rule or has been given previous notice of the same or  
20 similar type of violation of the same statute or rule; or (2)  
21 compliance is not achieved by the date established by the department in  
22 a previously issued notice of correction, if the department has  
23 responded to any request for review of such date by reaffirming the  
24 original date or establishing a new date; (3) the violation has a  
25 probability of placing a person in danger of death or bodily harm, has  
26 a probability of causing more than minor environmental harm, or has a  
27 probability of causing physical damage to the property of another in an  
28 amount exceeding one thousand dollars; or (4) the violation was  
29 committed by a business that employed fifty or more employees on at  
30 least one day in each of the preceding twelve months. In addition, the  
31 department of fish and wildlife may issue a civil penalty provided for  
32 by law without first issuing a notice of correction for a violation of  
33 any rule dealing with seasons, catch or bag limits, gear types, or  
34 geographical areas for fish or wildlife removal, reporting, or  
35 disposal.

36 NEW SECTION. **Sec. 613.** The date for compliance established by the  
37 department of ecology, labor and industries, agriculture, fish and

1 wildlife, health, licensing, or natural resources pursuant to section  
2 607, 610, or 611 of this act respectively shall provide for a  
3 reasonable time to achieve compliance. Any person receiving a notice  
4 of correction pursuant to section 607 or 611 of this act or a report or  
5 citation pursuant to section 610 of this act may request an extension  
6 of time to achieve compliance for good cause from the issuing  
7 department. Requests shall be submitted to the issuing department and  
8 responded to by the issuing department in writing in accordance with  
9 procedures specified by the issuing department in the notice, report,  
10 or citation.

11 NEW SECTION. **Sec. 614.** The departments of revenue and labor and  
12 industries and the employment security department shall undertake an  
13 educational program directed at those who have the most difficulty in  
14 determining their tax or premium liability. The departments may rely  
15 on information from internal data, trade associations, and businesses  
16 to determine which entities should be selected. The educational  
17 programs may include, but not be limited to, targeted informational  
18 fact sheets, self-audits, or workshops, and may be presented  
19 individually by the agency or in conjunction with other agencies.

20 NEW SECTION. **Sec. 615.** The department of revenue, the department  
21 of labor and industries in respect to its duties in Title 51 RCW, and  
22 the employment security department shall develop and administer a pilot  
23 voluntary audit program. Voluntary audits can be requested by  
24 businesses from any of these agencies according to guidelines  
25 established by each agency. No penalty assessments may be made against  
26 participants in such a program except when the agency determines that  
27 either a good faith effort has not been made by the taxpayer or premium  
28 payer to comply with the law or that the taxpayer has failed to remit  
29 previously collected sales taxes to the state. The persons conducting  
30 the voluntary audit shall provide the business undergoing the voluntary  
31 audit an audit report that describes errors or omissions found and  
32 future reporting instructions. This program does not relieve a  
33 business from past or future tax or premium obligations.

34 NEW SECTION. **Sec. 616.** The departments of revenue and labor and  
35 industries and the employment security department shall each review the  
36 penalties it issues related to taxes or premiums to determine if they

1 are consistent and provide for waivers in appropriate circumstances.  
2 Each department shall report the results of its review to the  
3 legislature no later than December 1, 1995.

4 NEW SECTION. **Sec. 617.** Nothing in this chapter obligates a  
5 regulatory agency to conduct a technical assistance visit. The state  
6 and officers or employees of the state shall not be liable for damages  
7 to a person to the extent that liability is asserted to arise from  
8 providing technical assistance, or if liability is asserted to arise  
9 from the failure of the state or officers or employees of the state to  
10 provide technical assistance. This chapter does not limit the  
11 authority of any regulatory agency to take any enforcement action,  
12 other than a civil penalty, authorized by law. This chapter shall not  
13 limit a regulatory agency's authority to issue a civil penalty as  
14 authorized by law based upon a person's failure to comply with specific  
15 terms and conditions of any permit or license issued by the agency to  
16 that person.

17 NEW SECTION. **Sec. 618.** Agency rules, guidelines, and procedures  
18 necessary to implement sections 601 through 615, 617, and 619 through  
19 621 of this act shall be established and implemented expeditiously and  
20 not later than July 1, 1996.

21 NEW SECTION. **Sec. 619.** If a regulatory agency determines any part  
22 of this chapter to be in conflict with federal law or program  
23 requirements, in conflict with federal requirements that are a  
24 prescribed condition to the allocation of federal funds to the state,  
25 or in conflict with the requirements for eligibility of employers in  
26 this state for federal unemployment tax credits, the conflicting part  
27 of this chapter shall be inoperative solely to the extent of the  
28 conflict. Any rules under this chapter shall meet federal requirements  
29 that are a necessary condition to the receipt of federal funds by the  
30 state or the granting of federal unemployment tax credits to employers  
31 in this state.

32 NEW SECTION. **Sec. 620.** If notified by responsible federal  
33 officials of any conflict of this chapter with federal law or program  
34 requirements or with federal requirements that are a prescribed  
35 condition to the allocation of federal funds to the state, the

1 regulatory agency notified of the conflict shall actively seek to  
2 resolve the conflict. If the agency determines that the conflict  
3 cannot be resolved without loss of benefits or authority to the state,  
4 the agency shall notify the governor, the president of the senate, and  
5 the speaker of the house of representatives in writing within thirty  
6 days of making that determination.

7 NEW SECTION. **Sec. 621.** (1) By January 31, 1996, and by January  
8 31st of each even-numbered year thereafter, the office of financial  
9 management, after consulting with state regulatory agencies, counties,  
10 and cities, and business, labor, and environmental organizations, shall  
11 report to the governor and the legislature regarding the effects of  
12 sections 601 through 615, 617, and 619 through 621 of this act on the  
13 regulatory system in this state. The report shall document:

14 (a) Technical assistance, including but not limited to technical  
15 assistance visits, provided by state regulatory agencies consistent  
16 with this chapter;

17 (b) Any rules adopted, guidelines developed, or training conducted  
18 to implement this chapter;

19 (c) Any changes in the appropriation, allocation, or expenditure of  
20 regulatory agency resources to implement this chapter;

21 (d) Any legal action against state regulatory agencies for any  
22 alleged failure to comply with this chapter, the costs to the state of  
23 the action, and the result;

24 (e) The extent to which this chapter has resulted in either an  
25 increase or decrease in regulatory agency use of civil penalties;

26 (f) The extent to which this chapter has contributed to any change  
27 in voluntary compliance with state statutes or rules;

28 (g) The extent to which this chapter has improved the acceptability  
29 or effectiveness of state regulatory procedures; and

30 (h) Any other information considered by the office of financial  
31 management to be useful in evaluating the effect of this chapter.

32 (2) This section shall expire June 30, 2000.

33 NEW SECTION. **Sec. 622.** A new section is added to chapter 43.12  
34 RCW to read as follows:

35 Enforcement action taken after the effective date of this section  
36 by the commissioner of public lands shall be in accordance with  
37 sections 611 and 612 of this act.

16       NEW SECTION.    **Sec. 626.**    A new section is added to chapter 43.70  
17   RCW to read as follows:

19   by the director or the department shall be in accordance with sections  
20   611 and 612 of this act.

21       NEW SECTION.    **Sec. 627.**    A new section is added to chapter 43.300  
22   RCW to read as follows:

26       **Sec. 628.**    RCW 18.104.155 and 1993 c 387 s 21 are each amended to  
27   read as follows:

28       (1) Except as provided in sections 607 through 609 and 617 of this  
29   act, the department of ecology may assess a civil penalty for a  
30   violation of this chapter or rules or orders of the department adopted  
31   or issued pursuant to it.

32       (2) There shall be three categories of violations: Minor, serious,  
33   and major.

1 (a) A minor violation is a violation that does not seriously  
2 threaten public health, safety, and the environment. Minor violations  
3 include, but are not limited to:

4 (i) Failure to submit completed start cards and well reports within  
5 the required time;

6 (ii) Failure to submit variance requests before construction;

8 (iv) Failure to place a well identification tag on a new well; and

9 (v) Minor or reparable construction problems.

10 (b) A serious violation is a violation that poses a critical or

22 (ii) After the person's license has been suspended for more than  
23 ninety days or revoked.

24 (3)(a) The penalty for a minor violation shall be not less than one  
25 hundred dollars and not more than five hundred dollars. Before the  
26 imposition of a penalty for a minor violation, the department may issue  
27 an order of noncompliance to provide an opportunity for mitigation or  
28 compliance.

29 (b) The penalty for a serious violation shall be not less than five  
30 hundred dollars and not more than five thousand dollars.

31 (c) The penalty for a major violation shall be not less than five  
32 thousand dollars and not more than ten thousand dollars.

33 (4) In determining the appropriate penalty under subsection (3) of

35 (a) Has demonstrated a general disregard for public health and  
36 safety through the number and magnitude of the violations;

37 (b) Has demonstrated a disregard for the well construction laws or  
38 rules in repeated or continuous violations; or

8 water well contractor or water well construction operator, shall also  
9 be sent by the department to the well owner.

10 (7) Penalties collected by the department pursuant to this section  
11 shall be deposited in the reclamation account established by chapter  
12 89.16 RCW. Subject to legislative appropriation, the penalties may be  
13 spent only for purposes related to the restoration and enhancement of  
14 ground water resources in the state.

15 **Sec. 629.** RCW 49.17.180 and 1991 c 108 s 1 are each amended to  
16 read as follows:

17 (1) Except as provided in section 610 of this act, any employer who  
18 willfully or repeatedly violates the requirements of RCW 49.17.060, of  
19 any safety or health standard promulgated under the authority of this  
20 chapter, of any existing rule or regulation governing the conditions of  
21 employment promulgated by the department, or of any order issued  
22 granting a variance under RCW 49.17.080 or 49.17.090 may be assessed a  
23 civil penalty not to exceed seventy thousand dollars for each  
24 violation. A minimum penalty of five thousand dollars shall be  
25 assessed for a willful violation.

26 (2) Any employer who has received a citation for a serious  
27 violation of the requirements of RCW 49.17.060, of any safety or health  
28 standard promulgated under the authority of this chapter, of any  
29 existing rule or regulation governing the conditions of employment  
30 promulgated by the department, or of any order issued granting a  
31 variance under RCW 49.17.080 or 49.17.090 as determined in accordance  
32 with subsection (6) of this section, shall be assessed a civil penalty  
33 not to exceed seven thousand dollars for each such violation.

34 (3) Any employer who has received a citation for a violation of the  
35 requirements of RCW 49.17.060, of any safety or health standard  
36 promulgated under this chapter, of any existing rule or regulation  
37 governing the conditions of employment promulgated by the department,  
38 or of any order issued granting a variance under RCW 49.17.080 or

1 49.17.090, where such violation is specifically determined not to be of  
2 a serious nature as provided in subsection (6) of this section, may be  
3 assessed a civil penalty not to exceed seven thousand dollars for each  
4 such violation, unless such violation is determined to be de minimis.

5 (4) Any employer who fails to correct a violation for which a  
6 citation has been issued under RCW 49.17.120 or 49.17.130 within the  
7 period permitted for its correction, which period shall not begin to  
8 run until the date of the final order of the board of industrial  
9 insurance appeals in the case of any review proceedings under this  
10 chapter initiated by the employer in good faith and not solely for  
11 delay or avoidance of penalties, may be assessed a civil penalty of not  
12 more than seven thousand dollars for each day during which such failure  
13 or violation continues.

14 (5) Any employer who violates any of the posting requirements of  
15 this chapter, or any of the posting requirements of rules promulgated  
16 by the department pursuant to this chapter related to employee or  
17 employee representative's rights to notice, including but not limited  
18 to those employee rights to notice set forth in RCW 49.17.080,  
19 49.17.090, 49.17.120, 49.17.130, 49.17.220(1) and 49.17.240(2), shall  
20 be assessed a penalty not to exceed seven thousand dollars for each  
21 such violation. Any employer who violates any of the posting  
22 requirements for the posting of informational, educational, or training  
23 materials under the authority of RCW 49.17.050(7), may be assessed a  
24 penalty not to exceed seven thousand dollars for each such violation.

25 (6) For the purposes of this section, a serious violation shall be  
26 deemed to exist in a work place if there is a substantial probability  
27 that death or serious physical harm could result from a condition which  
28 exists, or from one or more practices, means, methods, operations, or  
29 processes which have been adopted or are in use in such work place,  
30 unless the employer did not, and could not with the exercise of  
31 reasonable diligence, know of the presence of the violation.

32 (7) The director, or his authorized representatives, shall have  
33 authority to assess all civil penalties provided in this section,  
34 giving due consideration to the appropriateness of the penalty with  
35 respect to the number of affected employees of the employer being  
36 charged, the gravity of the violation, the size of the employer's  
37 business, the good faith of the employer, and the history of previous  
38 violations.

1 (8) Civil penalties imposed under this chapter shall be paid to the  
2 director for deposit in the supplemental pension fund established by  
3 RCW 51.44.033. Civil penalties may be recovered in a civil action in  
4 the name of the department brought in the superior court of the county  
5 where the violation is alleged to have occurred, or the department may  
6 utilize the procedures for collection of civil penalties as set forth  
7 in RCW 51.48.120 through 51.48.150.

8 **Sec. 630.** RCW 70.94.431 and 1991 c 199 s 311 are each amended to  
9 read as follows:

10 (1) Except as provided in sections 607 through 609 and 617 of this  
11 act, and in addition to or as an alternate to any other penalty  
12 provided by law, any person who violates any of the provisions of  
13 chapter 70.94 RCW, chapter 70.120 RCW, or any of the rules in force  
14 under such chapters may incur a civil penalty in an amount not to  
15 exceed ten thousand dollars per day for each violation. Each such  
16 violation shall be a separate and distinct offense, and in case of a  
17 continuing violation, each day's continuance shall be a separate and  
18 distinct violation.

19 Any person who fails to take action as specified by an order issued  
20 pursuant to this chapter shall be liable for a civil penalty of not  
21 more than ten thousand dollars for each day of continued noncompliance.

22 (2) Penalties incurred but not paid shall accrue interest,  
23 beginning on the ninety-first day following the date that the penalty  
24 becomes due and payable, at the highest rate allowed by RCW 19.52.020  
25 on the date that the penalty becomes due and payable. If violations or  
26 penalties are appealed, interest shall not begin to accrue until the  
27 thirty-first day following final resolution of the appeal.

28 The maximum penalty amounts established in this section may be  
29 increased annually to account for inflation as determined by the state  
30 office of the economic and revenue forecast council.

31 (3) Each act of commission or omission which procures, aids or  
32 abets in the violation shall be considered a violation under the  
33 provisions of this section and subject to the same penalty. The  
34 penalties provided in this section shall be imposed pursuant to RCW  
35 43.21B.300.

36 (4) All penalties recovered under this section by the department  
37 shall be paid into the state treasury and credited to the air pollution  
38 control account established in RCW 70.94.015 or, if recovered by the

1 authority, shall be paid into the treasury of the authority and  
2 credited to its funds. If a prior penalty for the same violation has  
3 been paid to a local authority, the penalty imposed by the department  
4 under subsection (1) of this section shall be reduced by the amount of  
5 the payment.

6 (5) To secure the penalty incurred under this section, the state or  
7 the authority shall have a lien on any vessel used or operated in  
8 violation of this chapter which shall be enforced as provided in RCW  
9 60.36.050.

10 (6) Public or private entities that are recipients or potential  
11 recipients of department grants, whether for air quality related  
12 activities or not, may have such grants rescinded or withheld by the  
13 department for failure to comply with provisions of this chapter.

14 (7) In addition to other penalties provided by this chapter,  
15 persons knowingly under-reporting emissions or other information used  
16 to set fees, or persons required to pay emission or permit fees who are  
17 more than ninety days late with such payments may be subject to a  
18 penalty equal to three times the amount of the original fee owed.

19 (8) By January 1, 1992, the department shall develop rules for  
20 excusing excess emissions from enforcement action if such excess  
21 emissions are unavoidable. The rules shall specify the criteria and  
22 procedures for the department and local air authorities to determine  
23 whether a period of excess emissions is excusable in accordance with  
24 the state implementation plan.

25 **Sec. 631.** RCW 70.105.080 and 1987 c 109 s 12 are each amended to  
26 read as follows:

27 (1) Except as provided in sections 607 through 609 and 617 of this  
28 act, every person who fails to comply with any provision of this  
29 chapter or of the rules adopted thereunder shall be subjected to a  
30 penalty in an amount of not more than ten thousand dollars per day for  
31 every such violation. Each and every such violation shall be a  
32 separate and distinct offense. In case of continuing violation, every  
33 day's continuance shall be a separate and distinct violation. Every  
34 person who, through an act of commission or omission, procures, aids,  
35 or abets in the violation shall be considered to have violated the  
36 provisions of this section and shall be subject to the penalty herein  
37 provided.

1 (2) The penalty provided for in this section shall be imposed  
2 pursuant to the procedures in RCW 43.21B.300.

4 read as follows:

5 Except as provided in sections 607 through 609 and 617 of this act,  
6 any person who violates any provision of this chapter or any rule  
7 adopted under this chapter is subject to a civil penalty not exceeding  
8 five hundred dollars for each violation. Each day of a continuing  
9 violation is a separate violation.

10 **Sec. 633.** RCW 70.138.040 and 1987 c 528 s 4 are each amended to  
11 read as follows:

12 (1) Except as provided in sections 607 through 609 and 617 of this

28 Within fifteen days after the notice is received, the person incurring  
29 the penalty may apply in writing to the department for the remission or  
30 mitigation of such penalty. Upon receipt of the application, the  
31 department may remit or mitigate the penalty upon whatever terms the  
32 department in its discretion deems proper, giving consideration to the  
33 degree of hazard associated with the violation, provided the department  
34 deems such remission or mitigation to be in the best interests of  
35 carrying out the purposes of this chapter. The department shall have  
36 authority to ascertain the facts regarding all such applications in  
37 such reasonable manner and under such rules as it may deem proper.

1 (3) Any penalty imposed by this section shall become due and  
2 payable thirty days after receipt of a notice imposing the same unless  
3 application for remission or mitigation is made or petition for review  
4 by the hearings board is filed. When such an application for remission  
5 or mitigation is made, any penalty incurred pursuant to this section  
6 shall become due and payable thirty days after receipt of notice  
7 setting forth the disposition of such application.

8 (4) If the amount of any penalty is not paid to the department  
9 within thirty days after it becomes due and payable, the attorney  
10 general, upon the request of the director, shall bring an action in the  
11 name of the state of Washington in the superior court of Thurston  
12 county, or any county in which such violator may do business, to  
13 recover such penalty. In all such actions, the procedure and rules of  
14 evidence shall be the same as an ordinary civil action except as

21 necessary to ensure compliance with this chapter.

22 (2) Any person who fails to comply with this chapter shall also be  
23 subject to a civil penalty not to exceed one thousand dollars for each  
24 violation. Each violation or each day of noncompliance shall  
25 constitute a separate violation.

26 (3) The penalty provided for in this section shall be imposed by a  
27 notice in writing, either by certified mail with return receipt  
28 requested or by personal service, to the person incurring the same from  
29 the department or local government, describing the violation with  
30 reasonable particularity and ordering the act or acts constituting the  
31 violation or violations to cease and desist or, in appropriate cases,  
32 requiring necessary corrective action to be taken within a specific and  
33 reasonable time.

34 (4) Any penalty imposed pursuant to this section by the department  
35 shall be subject to review by the pollution control hearings board.

8 the provisions of this chapter and chapters 43.83B, 90.22, and 90.44  
9 RCW, and rules, permits, and similar documents and regulatory orders of  
10 the department of ecology adopted or issued pursuant to such chapters.

27 violation shall be a separate and distinct offense, and in case of a  
28 continuing violation, every day's continuance shall be and be deemed to  
29 be a separate and distinct violation. Every act of commission or  
30 omission which procures, aids or abets in the violation shall be  
31 considered a violation under the provisions of this section and subject  
32 to the penalty herein provided for. The penalty amount shall be set in  
33 consideration of the previous history of the violator and the severity

7 state in conflict with the provisions and programs of this chapter, and  
8 to otherwise enforce the provisions of this chapter.

9       (2) Any person who shall fail to conform to the terms of a permit

11 shorelines of the state without first obtaining any permit required  
12 under this chapter shall also be subject to a civil penalty not to  
13 exceed one thousand dollars for each violation. Each permit violation  
14 or each day of continued development without a required permit shall  
15 constitute a separate violation.

16       (3) The penalty provided for in this section shall be imposed by a  
17 notice in writing, either by certified mail with return receipt  
18 requested or by personal service, to the person incurring the same from  
19 the department or local government, describing the violation with  
20 reasonable particularity and ordering the act or acts constituting the  
21 violation or violations to cease and desist or, in appropriate cases,  
22 requiring necessary corrective action to be taken within a specific and  
23 reasonable time.

4 dollars a day for every such violation. Each and every such violation  
5 shall be a separate and distinct offense, and in case of a continuing  
6 violation, every day's continuance shall be and be deemed to be a

16 application therefor received within fifteen days after notice imposing  
17 any penalty is received by the person incurring the penalty, and when  
18 deemed to carry out the purposes of this chapter, remit or mitigate any  
19 penalty provided for in this section upon such terms as he or she deems  
20 proper, and shall have authority to ascertain the facts upon all such  
21 applications in such manner and under such regulations as he or she may  
22 deem proper.

23       (3) Any person incurring any penalty under this section may appeal  
24 the penalty to the hearings board as provided for in chapter 43.21B  
25 RCW. Such appeals shall be filed within thirty days of receipt of  
26 notice imposing any penalty unless an application for remission or  
27 mitigation is made to the department. When an application for  
28 remission or mitigation is made, such appeals shall be filed within  
29 thirty days of receipt of notice from the director or the director's  
30 representative setting forth the disposition of the application. Any  
31 penalty imposed under this section shall become due and payable thirty  
32 days after receipt of a notice imposing the same unless application for  
33 remission or mitigation is made or an appeal is filed. When an  
34 application for remission or mitigation is made, any penalty incurred  
35 hereunder shall become due and payable thirty days after receipt of  
36 notice setting forth the disposition of the application unless an  
37 appeal is filed from such disposition. Whenever an appeal of any

21 not to exceed five thousand dollars for each tank per day of violation.

22 **PART VII**  
23 **RULES REVIEW**

24 NEW SECTION. **Sec. 701.** A new section is added to chapter 34.05  
25 RCW under the subchapter heading Part III to read as follows:

26 (1) Not later than June 30th of each year, each agency shall submit  
27 to the code reviser, according to procedures and time lines established  
28 by the code reviser, rules that it determines should be repealed by the  
29 expedited repeal procedures provided for in this section. An agency  
30 shall file a copy of a preproposal notice of inquiry, as provided in  
31 RCW 34.05.310(1), that identifies the rule as one that is proposed for  
32 expedited repeal.

33 (2) An agency may propose the expedited repeal of rules meeting one  
34 or more of the following criteria:

1 (a) The statute on which the rule is based has been repealed and  
2 has not been replaced by another statute providing statutory authority  
3 for the rule;

4 (b) The statute on which the rule is based has been declared  
5 unconstitutional by a court with jurisdiction, there is a final  
6 judgment, and no statute has been enacted to replace the  
7 unconstitutional statute;

8 (c) The rule is no longer necessary because of changed  
9 circumstances; or

10 (d) Other rules of the agency or of another agency govern the same  
11 activity as the rule, making the rule redundant.

12 (3) The agency shall also send a copy of the preproposal notice of  
13 inquiry to any person who has requested notification of copies of  
14 proposals for the expedited repeal of rules or of agency rule making.  
15 The preproposal notice of inquiry shall include a statement that any  
16 person who objects to the repeal of the rule must file a written  
17 objection to the repeal within thirty days after the preproposal notice  
18 of inquiry is published. The notice of inquiry shall also include an  
19 explanation of the reasons the agency believes the expedited repeal of  
20 the rule is appropriate.

21 (4) The code reviser shall publish all rules proposed for expedited  
22 repeal in a separate section of a regular edition of the Washington  
23 state register or in a special edition of the Washington state  
24 register. The publication shall be not later than July 31st of each  
25 year, or in the first register published after that date.

26 (5) Any person may file a written objection to the expedited repeal  
27 of a rule. The notice shall be filed with the agency rules coordinator  
28 within thirty days after the notice of inquiry has been published in  
29 the Washington state register. The written objection need not state  
30 any reason for objecting to the expedited repeal of the rule.

31 (6) If no written objections to the expedited repeal of a rule are  
32 filed with the agency within thirty days after the preproposal notice  
33 of inquiry is published, the agency may enter an order repealing the  
34 rule without further notice or an opportunity for a public hearing.  
35 The order shall be published in the manner required by this chapter for  
36 any other order of the agency adopting, amending, or repealing a rule.  
37 If a written objection to the expedited repeal of the rule is filed  
38 with the agency within thirty days after the notice of inquiry has been  
39 published, the preproposal notice of inquiry published pursuant to this

1 section shall be considered a preproposal notice of inquiry for the  
2 purposes of RCW 34.05.310(1) and the agency may initiate rule adoption  
3 proceedings in accordance with the provisions of this chapter.

4 **Sec. 702.** RCW 34.05.230 and 1988 c 288 s 203 are each amended to  
5 read as follows:

6 (1) If the adoption of rules is not feasible and practicable, an  
7 agency is encouraged to advise the public of its current opinions,  
8 approaches, and likely courses of action by means of interpretive or  
9 policy statements. Current interpretive and policy statements are  
10 advisory only. An agency is encouraged to convert long-standing  
11 interpretive and policy statements into rules.

12 (2) A person may petition an agency requesting the conversion of  
13 interpretive and policy statements into rules. Upon submission, the  
14 agency shall notify the joint administrative rules review committee of  
15 the petition. Within sixty days after submission of a petition, the  
16 agency shall either deny the petition in writing, stating its reasons  
17 for the denial, or initiate rule-making proceedings in accordance with  
18 this chapter.

19 (3) Each agency shall maintain a roster of interested persons,  
20 consisting of persons who have requested in writing to be notified of  
21 all interpretive and policy statements issued by that agency. Each  
22 agency shall update the roster once each year and eliminate persons who  
23 do not indicate a desire to continue on the roster. Whenever an agency  
24 issues an interpretive or policy statement, it shall send a copy of the  
25 statement to each person listed on the roster. The agency may charge  
26 a nominal fee to the interested person for this service.

27 **Sec. 703.** RCW 34.05.330 and 1988 c 288 s 305 are each amended to  
28 read as follows:

29 (1) Any person may petition an agency requesting the adoption,  
30 amendment, or repeal of any rule. ~~((Each agency may))~~ The office of  
31 financial management shall prescribe by rule the ~~((form))~~ format for  
32 such petitions and the procedure for their submission, consideration,  
33 and disposition and provide a standard form that may be used to  
34 petition any agency. Within sixty days after submission of a petition,  
35 the agency shall ~~((+1+))~~ either (a) deny the petition in writing,  
36 stating (i) its reasons for the denial, specifically addressing the  
37 concerns raised by the petitioner, and, where appropriate, (ii) the

1 alternative means by which it will address the concerns raised by the  
2 petitioner, or ((+2)) (b) initiate rule-making proceedings in  
3 accordance with this chapter.

4 (2) If an agency denies a petition to repeal or amend a rule  
5 submitted under subsection (1) of this section, the petitioner, within  
6 thirty days of the denial, may appeal the denial to the governor. The  
7 governor shall immediately file notice of the appeal with the code  
8 reviser for publication in the Washington state register. Within  
9 forty-five days after receiving the appeal, the governor shall either  
10 (a) deny the petition in writing, stating (i) his or her reasons for  
11 the denial, specifically addressing the concerns raised by the  
12 petitioner, and, (ii) where appropriate, the alternative means by which  
13 he or she will address the concerns raised by the petitioner; (b) for  
14 agencies listed in RCW 43.17.010, direct the agency to initiate rule-  
15 making proceedings in accordance with this chapter; or (c) for agencies  
16 not listed in RCW 43.17.010, recommend that the agency initiate rule-  
17 making proceedings in accordance with this chapter. The governor's  
18 response to the appeal shall be published in the Washington state  
19 register and copies shall be submitted to the chief clerk of the house  
20 of representatives and the secretary of the senate.

21 (3) In petitioning for repeal or amendment of a rule under this  
22 section, a person is encouraged to address, among other concerns:

23 (a) Whether the rule is authorized;

24 (b) Whether the rule is needed;

25 (c) Whether the rule conflicts with or duplicates other federal,  
26 state, or local laws;

27 (d) Whether alternatives to the rule exist that will serve the same  
28 purpose at less cost;

29 (e) Whether the rule applies differently to public and private  
30 entities;

31 (f) Whether the rule serves the purposes for which it was adopted;

32 (g) Whether the costs imposed by the rule are unreasonable;

33 (h) Whether the rule is clearly and simply stated; and

34 (i) Whether the rule is different than a federal law applicable to  
35 the same activity or subject matter without adequate justification.

36 (4) The business assistance center and the office of financial  
37 management shall coordinate efforts among agencies to inform the public  
38 about the existence of this rules review process.

1 (b) adopts. The file and materials incorporated by reference shall be  
2 available for public inspection.

3 (2) The agency rule-making file shall contain all of the following:

4 (a) Copies of all publications in the state register with respect  
5 to the rule or the proceeding upon which the rule is based;

6 (b) Copies of any portions of the agency's public rule-making  
7 docket containing entries relating to the rule or the proceeding on  
8 which the rule is based;

9 (c) All written petitions, requests, submissions, and comments  
10 received by the agency and all other written material regarded by the  
11 agency as important to adoption of the rule or the proceeding on which  
12 the rule is based;

13 (d) Any official transcript of oral presentations made in the  
14 proceeding on which the rule is based or, if not transcribed, any tape  
15 recording or stenographic record of them, and any memorandum prepared  
16 by a presiding official summarizing the contents of those  
17 presentations;

18 (e) ~~((The concise explanatory statement required by RCW 34.05.355;~~  
19 ~~(f))~~) All petitions for exceptions to, amendment of, or repeal or  
20 suspension of, the rule;

21 ~~((g))~~ (f) Citations to data, factual information, studies, or  
22 reports on which the agency relies in the adoption of the rule,  
23 indicating where such data, factual information, studies, or reports  
24 are available for review by the public, but this subsection (2)(f) does  
25 not require the agency to include in the rule-making file any data,  
26 factual information, studies, or reports gathered pursuant to chapter  
27 19.85 RCW that can be identified to a particular business;

28 ~~((h))~~ (g) The ~~((written summary and response))~~ concise  
29 explanatory statement required by RCW 34.05.325(6); and

30 ~~((i))~~ (h) Any other material placed in the file by the agency.

31 (3) Internal agency documents are exempt from inclusion in the  
32 rule-making file under subsection (2) of this section to the extent  
33 they constitute preliminary drafts, notes, recommendations, and intra-  
34 agency memoranda in which opinions are expressed or policies formulated  
35 or recommended, except that a specific document is not exempt from  
36 inclusion when it is publicly cited by an agency in connection with its  
37 decision.

38 (4) Upon judicial review, the file required by this section  
39 constitutes the official agency rule-making file with respect to that

1 rule. Unless otherwise required by another provision of law, the  
2 official agency rule-making file need not be the exclusive basis for  
3 agency action on that rule.

4 **Sec. 802.** RCW 34.05.570 and 1989 c 175 s 27 are each amended to  
5 read as follows:

6 (1) Generally. Except to the extent that this chapter or another  
7 statute provides otherwise:

8 (a) The burden of demonstrating the invalidity of agency action is  
9 on the party asserting invalidity;

10 (b) The validity of agency action shall be determined in accordance  
11 with the standards of review provided in this section, as applied to  
12 the agency action at the time it was taken;

13 (c) The court shall make a separate and distinct ruling on each  
14 material issue on which the court's decision is based; and

15 (d) The court shall grant relief only if it determines that a  
16 person seeking judicial relief has been substantially prejudiced by the  
17 action complained of.

18 (2) Review of rules. (a) A rule may be reviewed by petition for  
19 declaratory judgment filed pursuant to this subsection or in the  
20 context of any other review proceeding under this section. In an  
21 action challenging the validity of a rule, the agency shall be made a  
22 party to the proceeding.

23 (b) The validity of any rule may be determined upon petition for a  
24 declaratory judgment addressed to the superior court of Thurston  
25 county, when it appears that the rule, or its threatened application,  
26 interferes with or impairs or immediately threatens to interfere with  
27 or impair the legal rights or privileges of the petitioner. The  
28 declaratory judgment order may be entered whether or not the petitioner  
29 has first requested the agency to pass upon the validity of the rule in  
30 question.

31 (c) In a proceeding involving review of a rule, the court shall  
32 declare the rule invalid only if it finds that: ~~((it))~~ The rule  
33 violates constitutional provisions~~((τ))~~; the rule exceeds the statutory  
34 authority of the agency~~((τ))~~; the rule was adopted without compliance  
35 with statutory rule-making procedures~~((τ or could not conceivably have~~  
36 ~~been the product of a rational decision-maker))~~; or the rule is  
37 arbitrary and capricious.

1 (3) Review of agency orders in adjudicative proceedings. The court  
2 shall grant relief from an agency order in an adjudicative proceeding  
3 only if it determines that:

4 (a) The order, or the statute or rule on which the order is based,  
5 is in violation of constitutional provisions on its face or as applied;

6 (b) The order is outside the statutory authority or jurisdiction of  
7 the agency conferred by any provision of law;

8 (c) The agency has engaged in unlawful procedure or decision-making  
9 process, or has failed to follow a prescribed procedure;

10 (d) The agency has erroneously interpreted or applied the law;

11 (e) The order is not supported by evidence that is substantial when  
12 viewed in light of the whole record before the court, which includes  
13 the agency record for judicial review, supplemented by any additional  
14 evidence received by the court under this chapter;

15 (f) The agency has not decided all issues requiring resolution by  
16 the agency;

17 (g) A motion for disqualification under RCW 34.05.425 or 34.12.050  
18 was made and was improperly denied or, if no motion was made, facts are  
19 shown to support the grant of such a motion that were not known and  
20 were not reasonably discoverable by the challenging party at the  
21 appropriate time for making such a motion;

22 (h) The order is inconsistent with a rule of the agency unless the  
23 agency explains the inconsistency by stating facts and reasons to  
24 demonstrate a rational basis for inconsistency; or

25 (i) The order is arbitrary or capricious.

26 (4) Review of other agency action.

27 (a) All agency action not reviewable under subsection (2) or (3) of  
28 this section shall be reviewed under this subsection.

29 (b) A person whose rights are violated by an agency's failure to  
30 perform a duty that is required by law to be performed may file a  
31 petition for review pursuant to RCW 34.05.514, seeking an order  
32 pursuant to this subsection requiring performance. Within twenty days  
33 after service of the petition for review, the agency shall file and  
34 serve an answer to the petition, made in the same manner as an answer  
35 to a complaint in a civil action. The court may hear evidence,  
36 pursuant to RCW 34.05.562, on material issues of fact raised by the  
37 petition and answer.

38 (c) Relief for persons aggrieved by the performance of an agency  
39 action, including the exercise of discretion, or an action under (b) of

1 this subsection can be granted only if the court determines that the  
2 action is:

3 (i) Unconstitutional;

4 (ii) Outside the statutory authority of the agency or the authority  
5 conferred by a provision of law;

6 (iii) Arbitrary or capricious; or

7 (iv) Taken by persons who were not properly constituted as agency  
8 officials lawfully entitled to take such action.

9 **Sec. 803.** RCW 34.05.534 and 1988 c 288 s 507 are each amended to  
10 read as follows:

11 A person may file a petition for judicial review under this chapter  
12 only after exhausting all administrative remedies available within the  
13 agency whose action is being challenged, or available within any other  
14 agency authorized to exercise administrative review, except:

15 (1) A petitioner for judicial review of a rule need not have  
16 participated in the rule-making proceeding upon which that rule is  
17 based, ~~((or))~~ have petitioned for its amendment or repeal, or have  
18 appealed a petition for amendment or repeal to the governor;

19 (2) A petitioner for judicial review need not exhaust  
20 administrative remedies to the extent that this chapter or any other  
21 statute states that exhaustion is not required; or

22 (3) The court may relieve a petitioner of the requirement to  
23 exhaust any or all administrative remedies upon a showing that:

24 (a) The remedies would be patently inadequate;

25 (b) The exhaustion of remedies would be futile; or

26 (c) The grave irreparable harm that would result from having to  
27 exhaust administrative remedies would clearly outweigh the public  
28 policy requiring exhaustion of administrative remedies.

## 29 PART IX

### 30 EQUAL ACCESS TO JUSTICE

31 NEW SECTION. **Sec. 901.** The legislature finds that certain  
32 individuals, smaller partnerships, smaller corporations, and other  
33 organizations may be deterred from seeking review of or defending  
34 against an unreasonable agency action because of the expense involved  
35 in securing the vindication of their rights in administrative  
36 proceedings. The legislature further finds that because of the greater

1 resources and expertise of the state of Washington, individuals,  
2 smaller partnerships, smaller corporations, and other organizations are  
3 often deterred from seeking review of or defending against state agency  
4 actions because of the costs for attorneys, expert witnesses, and other  
5 costs. The legislature therefore adopts this equal access to justice  
6 act to ensure that these parties have a greater opportunity to defend  
7 themselves from inappropriate state agency actions and to protect their  
8 rights.

9 NEW SECTION. **Sec. 902.** A new section is added to chapter 4.84 RCW  
10 to read as follows:

11 Unless the context clearly requires otherwise, the definitions in  
12 this section apply throughout sections 902 through 904 of this act.

13 (1) "Agency" means any state board, commission, department,  
14 institution of higher education, or officer, authorized by law to make  
15 rules or to conduct adjudicative proceedings, except those in the  
16 legislative or judicial branches, the governor, or the attorney general  
17 except to the extent otherwise required by law.

18 (2) "Agency action" means agency action as defined by chapter 34.05  
19 RCW.

20 (3) "Fees and other expenses" includes the reasonable expenses of  
21 expert witnesses, the reasonable cost of a study, analysis, engineering  
22 report, test, or project that is found by the court to be necessary for  
23 the preparation of the party's case, and reasonable attorneys' fees.  
24 Reasonable attorneys' fees shall be based on the prevailing market  
25 rates for the kind and quality of services furnished, except that (a)  
26 no expert witness shall be compensated at a rate in excess of the  
27 highest rates of compensation for expert witnesses paid by the state of  
28 Washington, and (b) attorneys' fees shall not be awarded in excess of  
29 one hundred fifty dollars per hour unless the court determines that an  
30 increase in the cost of living or a special factor, such as the limited  
31 availability of qualified attorneys for the proceedings involved,  
32 justifies a higher fee.

33 (4) "Judicial review" means a judicial review as defined by chapter  
34 34.05 RCW.

35 (5) "Qualified party" means (a) an individual whose net worth did  
36 not exceed one million dollars at the time the initial petition for  
37 judicial review was filed or (b) a sole owner of an unincorporated  
38 business, or a partnership, corporation, association, or organization

1 whose net worth did not exceed five million dollars at the time the  
2 initial petition for judicial review was filed, except that an  
3 organization described in section 501(c)(3) of the federal internal  
4 revenue code of 1954 as exempt from taxation under section 501(a) of  
5 the code and a cooperative association as defined in section 15(a) of  
6 the agricultural marketing act (12 U.S.C. 1141J(a)), may be a party  
7 regardless of the net worth of such organization or cooperative  
8 association.

9 NEW SECTION. **Sec. 903.** A new section is added to chapter 4.84 RCW  
10 to read as follows:

11 (1) Except as otherwise specifically provided by statute, a court  
12 shall award a qualified party that prevails in a judicial review of an  
13 agency action fees and other expenses, including reasonable attorneys'  
14 fees, unless the court finds that the agency action was substantially  
15 justified or that circumstances make an award unjust. A qualified  
16 party shall be considered to have prevailed if the qualified party  
17 obtained relief on a significant issue that achieves some benefit that  
18 the qualified party sought.

19 (2) The amount awarded a qualified party under subsection (1) of  
20 this section shall not exceed twenty-five thousand dollars. Subsection  
21 (1) of this section shall not apply unless all parties challenging the  
22 agency action are qualified parties. If two or more qualified parties  
23 join in an action, the award in total shall not exceed twenty-five  
24 thousand dollars. The court, in its discretion, may reduce the amount  
25 to be awarded pursuant to subsection (1) of this section, or deny any  
26 award, to the extent that a qualified party during the course of the  
27 proceedings engaged in conduct that unduly or unreasonably protracted  
28 the final resolution of the matter in controversy.

29 NEW SECTION. **Sec. 904.** A new section is added to chapter 4.84 RCW  
30 to read as follows:

31 Fees and other expenses awarded under sections 902 and 903 of this  
32 act shall be paid by the agency over which the party prevails from  
33 operating funds appropriated to the agency within sixty days. Agencies  
34 paying fees and other expenses pursuant to sections 902 and 903 of this  
35 act shall report all payments to the office of financial management  
36 within five days of paying the fees and other expenses. Fees and other  
37 expenses awarded by the court shall be subject to the provisions of

1 chapter 39.76 RCW and shall be deemed payable on the date the court  
2 announces the award.

3 NEW SECTION. **Sec. 905.** A new section is added to chapter 43.88  
4 RCW to read as follows:

5 The office of financial management shall report annually to the  
6 legislature on the amount of fees and other expenses awarded during the  
7 preceding fiscal year pursuant to sections 902 through 904 of this act.  
8 The report shall describe the number, nature, and amount of the awards,  
9 the claims involved in the controversy, and other relevant information  
10 that may aid the legislature in evaluating the scope and impact of the  
11 awards.

12 **PART X**

13 **BUSINESS LICENSE INFORMATION**

14 NEW SECTION. **Sec. 1001.** The master license system of the  
15 department of licensing is a proven, progressive program for one-stop  
16 state licensing. This flexible system should be expanded into a state-  
17 wide shared data base to facilitate combined licensing processes at  
18 local, state, and federal levels as a benefit to the business community  
19 through improved customer service.

20 In order to achieve this goal the department of licensing should  
21 expand the license information management system, offered by the master  
22 license system, to include local and federal licensing requirements,  
23 making this information readily accessible at appropriate locations  
24 throughout the state. In addition, the department should develop a  
25 pilot program expanding the capabilities of the master licensing system  
26 to local and federal levels in an efficient manner; and provide access  
27 to the expanded master licensing system for all jurisdictions within  
28 the state of Washington.

29 NEW SECTION. **Sec. 1002.** (1) The department shall solicit advice  
30 and recommendations for planning and establishing policy for a combined  
31 licensing pilot project and license information management system.  
32 Advice and assistance shall be solicited from:

- 33 (a) The business assistance center;  
34 (b) The office of the secretary of state;  
35 (c) The department of revenue;

- 4 (g) The association of Washington cities;
- 5 (h) The department of information services;
- 6 (i) The small business improvement council; and
- 7 (j) The cities chosen under section 1005 of this act.

9 purposes of subsection (1) of this section.

10 (3) This section shall expire July 1, 1997.

11 NEW SECTION. **Sec. 1003.** By December 31, 1995, the department of  
12 licensing, with advice and recommendations provided in section 1002 of  
13 this act, shall develop a plan for the state-wide license information  
14 management system. This plan shall include:

15 (1) The scope and phases of the project, listing areas of  
16 responsibility for each phase;

17 (2) Analysis of the costs and benefits, as well as funding sources,  
18 staffing levels, and technological issues involved in completing the  
19 project; and

20 (3) A computer prototype for demonstration of the new license  
21 information system to interested jurisdictions.

22 NEW SECTION. **Sec. 1004.** By December 31, 1995, the department of  
23 licensing, with advice and recommendations provided in section 1002 of  
24 this act, shall develop a plan for a pilot combined licensing program.  
25 The plan shall include:

26 (1) The scope and phases of the project, listing areas of  
27 responsibility for each phase;

28 (2) Analysis of the costs and benefits, as well as funding sources,  
29 staffing levels, and technological issues involved in completing the  
30 project;

31 (3) The use of the state unified business identifier as the key  
32 number for identifying persons and businesses, for licensing purposes,  
33 throughout local, state and, if appropriate, federal levels of  
34 government;

35 (4) Steps leading to the expansion of the department's master  
36 license automated system, to be used for combined licensing processes  
37 at selected local service jurisdictions;

1 (5) Development of common technology for information dissemination,  
2 access, and delivery at appropriate service locations through the  
3 master license system, including remote field input of master business  
4 application information;

5 (6) Adoption of the state's master business application to become  
6 the standard for all registration or licensing applications used at  
7 local and state levels, and federal levels where appropriate; and

8 (7) Necessary training for staff at service locations.

9 NEW SECTION. **Sec. 1005.** By December 31, 1996, the department of  
10 licensing shall:

11 (1) Expand the license information management system, in order to  
12 provide on-line local, state, and federal business registration and  
13 licensing requirements;

14 (2) Include specific licensing requirements for local jurisdictions  
15 in the license information packet;

16 (3) Provide the capability to distribute the information packets at  
17 the appropriate service locations;

18 (4) Provide the ability for local jurisdictions to access, store,  
19 and update the license requirements data of their own jurisdiction; and

20 (5) Provide training to all organizations providing services using  
21 the master license information management system.

22 NEW SECTION. **Sec. 1006.** A new section is added to chapter 19.02  
23 RCW to read as follows:

24 (1) By June 30, 1997, the department shall have a pilot combined  
25 licensing project fully operational in at least two cities within the  
26 state of Washington, with at least one city west of the Cascade  
27 mountains and at least one city east of the Cascade mountains.

28 (2) By January 31, 1997, the department shall make an interim  
29 report to the legislature on the progress of the pilot combined  
30 licensing project.

31 (3) By January 31, 1998, the department shall have evaluated the  
32 pilot combined licensing project and reported to the legislature with  
33 a plan for transition of the pilot project into an ongoing program.  
34 The transition plan shall include cost, funding sources, and staffing  
35 needs for the ongoing program.

1 (4) Upon approval and continued funding of the transition plan by  
2 the legislature under this section, the master license system shall  
3 implement a transition from the pilot program to the ongoing program.

4 **Sec. 1007.** RCW 19.02.075 and 1992 c 107 s 2 are each amended to
