3 On page 1, line 10, after "fetus" insert ", until a study of  
4 the frequency of the use of this procedure in this state has been  
5 completed. The study shall include interviews with physicians who  
6 have performed this procedure and with individuals upon whom the  
7 procedure has been performed."

**EFFECT:** Delays the prohibition of partial-birth abortions  
until after a study of the use of the procedure in this state  
has been done.
