3 On page 3, beginning on line 25, strike of all section 6 and
4 insert the following:

5 NEW SECTION. Sec. 6. If specific funding for the purposes of
6 sections 3,4, and 5 of this act, referencing this act by bill or
7 chapter number, is not provided by June 30, 1997, in the omnibus
8 appropriations act, sections 3, 4, and 5 of this act are null and
9 void.-

EFFECT: Changes the effect of the existing null and void clause making 3 sections of the bill null and void, instead of the entire bill, if no funding is provided in the Appropriations Act. The sections that become null and void require state agencies to: 1) implement integrated pest management practices; 2) assign a coordinator; and 3) train their employees.
