5 On page 3, line 4, strike "A fusion" and insert "An"

6 On page 3, line 10, after "copier." insert "In selecting the
7 optical variable device, the department shall choose the most secure
8 technology available."

9 EFFECT: Eliminates mention of which type of optical variable
10 device should be chosen, but provides that the DOL select the most
11 secure technology available.
