3 On page 3, line 18, after "safety." strike everything through
4 "parent." on line 20, and insert "The fact that siblings share a
5 bedroom is not necessarily of itself evidence of "negligent
6 treatment or maltreatment"."

EFFECT: Replaces the statement that sharing a bedroom *for economic reasons is not* negligent treatment or maltreatment with the statement that sharing a bedroom *is not necessarily of itself evidence of* negligent treatment or maltreatment.
