3 On page 1, beginning on line 5, after (1)- strike everything
4 through board.- on page 4, line 24, and insert The higher
5 education coordinating board shall study the feasibility of
6 creating a pilot project that will permit up to one hundred needy
7 students to use their state need grant awards when the students
8 attend an historically black college or university.

9 (2) The study shall include a description of one or more ways
10 to design an aid portability pilot project for the purposes
11 described in subsection (1) of this section. The study shall
12 consider the feasibility of limiting the number of participating
13 institutions of higher education. In its development of a design
14 for a project, the board shall consult five or more historically
15 black colleges that may include, but need not be limited to
16 Morehouse College, Howard University, Spelman College, Grambling
17 State University, and Tuskegee University.

18 (3) In its project design, the board shall consider ways to
19 encourage participants in the pilot project to return to Washington
20 after their studies to use their education to benefit all of
21 Washington's citizens.

22 (4) The board shall report its findings and recommendations to
23 the governor and the house of representatives and senate committees
24 on higher education by November 30, 1997.-

25 Correct the title accordingly

EFFECT: The Higher Education Coordinating Board will study the feasibility of creating a pilot project that permits up to one hundred needy students to use their need grant awards when the students attend an historically black college or university. The study will include one or more possible designs for an aid portability pilot project. Some of the elements of the study are described. By November 30, 1997, the board will report its findings and recommendations to the governor and the House and Senate Higher Education Committees. The board will not implement a pilot project that permits up to one hundred students to use
