1769-S AMH PARL H4739.1

SHB 1769 - H AMDS **832 ADOPTED 2-10-98**
    By Representative Parlette

    On page 2, line 24, after "<u>drug</u>" strike "<u>from</u>" and insert "<u>between</u>"

    On page 2, line 25, after "<u>practitioner</u>" strike "<u>to</u>" and insert
"<u>and</u>"

    <u>EFFECT:</u> In order to promote patient safety, it will be necessary
for pharmacists to be able to communicate with prescribing
practitioners. This amendment allows the flow of information to go
both ways.

SHB 1769 - H AMDS
    By Representative Parlette

    On page 3, line 19, after "communicated" strike "to" and insert
"between an authorized petitioner and"

    On page 3, line 19, after "choice" insert "with no intervening
person having access to the prescription drug order"

    <u>EFFECT:</u> To protect the partnership between patient, practitioner
and pharmacist, it is necessary that no outside, third party have
access to the prescription drug order. The language inserted reflects
model language as developed by the National Association of Board's of
Pharmacy.
