3 On page 3, line 26, after number.- insert:

4 (5)(a) A school district may disclose student federal social  
5 security numbers to the work force training and education coordinating  
6 board for research purposes as provided in subsection (6) of this  
7 section. Before release, the school district shall provide written  
8 notification to the parent or guardian. The notification shall  
9 include:

10 (i) An explanation that disclosure of the federal social security  
11 number is voluntary and that no benefit is contingent upon disclosure;

12 (ii) That the signed consent by the parent or guardian is required  
13 for the disclosure of the federal social security number;

14 (iii) That the federal social security number shall be used for  
15 research purposes only;

16 (iv) That the research shall be conducted by the work force  
17 training and education coordinating board or the agent of the work  
18 force training and education coordinating board;

19 (v) That research and data management personnel only shall have  
20 access to the federal social security number;

21 (vi) That research and data management personnel shall not  
22 disseminate individually identifiable information to other persons; and

23 (vii) That a description of the research study shall be on file at  
24 the school district and available for public review. The description  
25 shall include the information that will be gathered and collated about  
26 the student or the student's family, who will have access to the  
27 information, who will have access to the federal social security  
28 number, how long the study will last, and what will happen to the  
29 information gathered after the original study is completed.

30 (b) Written consent to the disclosure of the federal social  
31 security number by the parent or guardian following the notification  
32 required in (a) of this subsection shall be considered as meeting the  
33 requirements of subsection (4)(a)(i) through (iv) of this section.

34 (6) In performing their duties to evaluate the effectiveness of  
35 vocational education at the secondary level, the work force training  
36 and education coordinating board may request school districts to

1 provide access to student records including federal social security  
2 numbers.-

3 Renumber the remaining subsections consecutively and correct internal  
4 references accordingly.

**EFFECT:** A school may disclose a student's federal social security number to the work force training and education coordinating board if the school notifies the parent or guardian and acquires the parent or guardian's consent.
