3 On page 6, line 32 after "(3)" strike all material through line 33
4 and insert the following:

5 "Members of the board may not receive compensation. Reimbursement
6 for travel and other expenses shall be provided by each respective
7 organization that a member represents on the board."

8 On page 8, line 27 after "**Sec. 9.**" strike "To the greatest extent
9 practicable, port" and insert "Port"

10 **EFFECT:** Requires that each members' organization provide for their
11 members' travel reimbursement, rather than receiving reimbursement from
12 the state.

13 Port districts are required to submit their development plans to the
14 relevant planning organizations. Previously this was done at the
15 option of the ports.
