5 On page 18, line 26, after "supervision." insert "During any period  
6 of inpatient mental health treatment that falls within the period of  
7 community placement or community supervision, the inpatient treatment  
8 provider and the supervising community corrections officer shall notify  
9 each other about the offender's discharge, release, and legal status,  
10 and shall share other relevant information."

11 EFFECT: Ensures that the community corrections officer knows that  
12 the offender has been discharged or conditionally released from  
13 inpatient treatment, and that the inpatient treatment provider knows of  
14 pending hearings, new charges, detainers, etc. The term "inpatient  
15 treatment provider" is used to cover cases where the offender has  
16 voluntarily obtained inpatient mental health treatment.
