5 Strike everything after the enacting clause and insert the
6 following:

7 NEW SECTION. **Sec. 1.** The legislature recognizes that teachers
8 and school district employees share the same educational work
9 environment and academic calendar.

10 It is the intent of the legislature to achieve similar retirement
11 benefits for all educational employees by transferring the membership
12 of classified school employees in the public employees' retirement
13 system plan II to the Washington school employees' retirement system
14 plan II. The transfer of membership to the Washington school
15 employees' retirement system plan II is not intended to cause a
16 diminution or expansion of benefits for affected members. It is
17 enacted solely to provide public employees working under the same
18 conditions with the same options for retirement planning.

19 As members of the Washington school employees' retirement system
20 plan II, classified employees will have the same opportunity to
21 transfer to the Washington school employees' retirement system plan III
22 as their certificated coworkers. The ability to transfer to the
23 Washington school employees' retirement system plan III offers members
24 a new public retirement system that balances flexibility with
25 stability; provides increased employee control of investments and
26 responsible protection of the public's investment in employee benefits;
27 and encourages the pursuit of public sector careers without creating
28 barriers to other public or private sector employment.

29 NEW SECTION. **Sec. 2.** The definitions in this section apply
30 throughout this chapter, unless the context clearly requires otherwise:

31 (1) "Retirement system" means the Washington school employees'
32 retirement system provided for in this chapter.

33 (2) "Department" means the department of retirement systems created
34 in chapter 41.50 RCW.

1 (3) "State treasurer" means the treasurer of the state of
2 Washington.

3 (4) "Employer," for plan II and plan III members, means a school
4 district or an educational service district.

5 (5) "Member" means any employee included in the membership of the
6 retirement system, as provided for in section 4 of this act.

7 (6)(a) "Compensation earnable" for plan II and plan III members,
8 means salaries or wages earned by a member during a payroll period for
9 personal services, including overtime payments, and shall include wages
10 and salaries deferred under provisions established pursuant to sections
11 403(b), 414(h), and 457 of the United States internal revenue code, but
12 shall exclude nonmoney maintenance compensation and lump sum or other
13 payments for deferred annual sick leave, unused accumulated vacation,
14 unused accumulated annual leave, or any form of severance pay.

15 (b) "Compensation earnable" for plan II and plan III members also
16 includes the following actual or imputed payments, which are not paid
17 for personal services:

18 (i) Retroactive payments to an individual by an employer on
19 reinstatement of the employee in a position, or payments by an employer
20 to an individual in lieu of reinstatement, which are awarded or granted
21 as the equivalent of the salary or wage which the individual would have
22 earned during a payroll period shall be considered compensation
23 earnable to the extent provided in this subsection, and the individual
24 shall receive the equivalent service credit;

25 (ii) In any year in which a member serves in the legislature, the
26 member shall have the option of having such member's compensation
27 earnable be the greater of:

28 (A) The compensation earnable the member would have received had
29 such member not served in the legislature; or

30 (B) Such member's actual compensation earnable received for
31 nonlegislative public employment and legislative service combined. Any
32 additional contributions to the retirement system required because
33 compensation earnable under (b)(ii)(A) of this subsection is greater
34 than compensation earnable under this (b)(ii)(B) of this subsection
35 shall be paid by the member for both member and employer contributions;

36 (iii) Assault pay only as authorized by RCW 27.04.100, 72.01.045,
37 and 72.09.240;

2 disability occurring in the line of duty only as authorized by RCW
3 41.40.038;

5 leave sharing program only as authorized by RCW 41.04.650 through

8 status. For the purposes of this section, a member is in standby

13 employment by a member in an eligible position or positions for one or

18 less than ninety hours in any calendar month shall constitute one-half
19 service credit month of service. Compensation earnable earned for less
20 than seventy hours in any calendar month shall constitute one-quarter
21 service credit month of service. Time spent in standby status, whether
22 compensated or not, is not service.

23 Any fraction of a year of service shall be taken into account in
24 the computation of such retirement allowance or benefits.

25 (a) Service in any state elective position shall be deemed to be
26 full-time service.

27 (b) A member shall receive a total of not more than twelve service
28 credit months of service for such calendar year. If an individual is
29 employed in an eligible position by one or more employers the
30 individual shall receive no more than one service credit month during
31 any calendar month in which multiple service for ninety or more hours
32 is rendered.

33 (c) For purposes of plan II and III "forty-five days" as used in
34 RCW 28A.400.300 is equal to two service credit months. Use of less
35 than forty-five days of sick leave is creditable as allowed under this
36 subsection as follows:

16 conform with the requirements set forth in subsection (22) of this
17 section.

21 the employees of school districts or educational service districts.
22 The administration and management of the retirement system, the
23 responsibility for making effective the provisions of this chapter, and

26 chapter 34.05 RCW. This retirement system shall be known as the
27 Washington school employees' retirement system.

28 NEW SECTION. **Sec. 4.** Membership in the retirement system shall
29 consist of all regularly compensated classified employees and
30 appointive and elective officials of employers, as defined in this
31 chapter, with the following exceptions:

32 (1) Persons in ineligible positions;

33 (2)(a) Persons holding elective offices or persons appointed
34 directly by the governor: PROVIDED, That such persons shall have the
35 option of applying for membership during such periods of employment:
36 AND PROVIDED FURTHER, That any persons holding or who have held
37 elective offices or persons appointed by the governor who are members

1 in the retirement system and who have, prior to becoming such members,
2 previously held an elective office, and did not at the start of such
3 initial or successive terms of office exercise their option to become
4 members, may apply for membership to be effective during such term or

22 end his or her membership under this subsection must file on a form
23 supplied by the department a statement indicating that the member
24 agrees to irrevocably abandon any claim for service for future periods
25 served as an elected official. A member who receives more than fifteen

27 service, adjusted annually for inflation by the director, is not
28 eligible for the option provided by this subsection (2)(b);

16 PROVIDED, That unless otherwise excluded under this chapter or chapter
17 41.04 RCW, the employee may apply for membership (a) within thirty days
18 after employment in an eligible position and membership service credit
19 shall be granted from the first day of membership service, and (b)

23 application.

24 NEW SECTION. **Sec. 5.** Any person who has been employed in a
25 nonelective position for at least nine months and who has made member

28 employment.

29 NEW SECTION. **Sec. 6.** Within thirty days after his or her
30 employment or his or her acceptance into membership each employee or
31 appointive or elective official shall submit to the department a
32 statement of his or her name and such other information as the
33 department shall require. Compliance with the provisions set forth in
34 this section shall be considered to be a condition of employment and
35 failure by an employee to comply may result in separation from service.

1 NEW SECTION. **Sec. 7.** (1)(a) If a retiree enters employment with
2 an employer sooner than one calendar month after his or her accrual
3 date, the retiree's monthly retirement allowance will be reduced by
4 five and one-half percent for every eight hours worked during that
5 month. This reduction will be applied each month until the retiree
6 remains absent from employment with an employer for one full calendar
7 month.

8 (b) The benefit reduction provided in (a) of this subsection will
9 accrue for a maximum of one hundred sixty hours per month. Any benefit
10 reduction over one hundred percent will be applied to the benefit the
11 retiree is eligible to receive in subsequent months.

12 (2) A retiree who has satisfied the break in employment requirement
13 of subsection (1) of this section, may work up to five months per
14 calendar year in an eligible position without suspension of his or her
15 benefit.

16 (3) If the retiree opts to reestablish membership under section 4
17 of this act, he or she terminates his or her retirement status and
18 becomes a member. Retirement benefits shall not accrue during the
19 period of membership and the individual shall make contributions and
20 receive membership credit. Such a member shall have the right to again
21 retire if eligible in accordance with section 103 or 209 of this act.
22 However, if the right to retire is exercised to become effective before
23 the member has rendered two uninterrupted years of service, the
24 retirement formula and survivor options the member had at the time of
25 the member's previous retirement shall be reinstated.

26 NEW SECTION. **Sec. 8.** Those members subject to this chapter who
27 became disabled in the line of duty and who received or are receiving
28 benefits under Title 51 RCW or a similar federal workers' compensation
29 program shall receive or continue to receive service credit subject to
30 the following:

31 (1) No member may receive more than one month's service credit in
32 a calendar month.

33 (2) No service credit under this section may be allowed after a
34 member separates or is separated without leave of absence.

35 (3) Employer contributions shall be paid by the employer at the
36 rate in effect for the period of the service credited.

1 (4) Employee contributions shall be collected by the employer and
2 paid to the department at the rate in effect for the period of service
3 credited.

4 (5) Contributions shall be based on the regular compensation which
5 the member would have received had the disability not occurred. If
6 contribution payments are made retroactively, interest shall be charged
7 at the rate set by the director on both employee and employer
8 contributions. No service credit shall be granted until the employee
9 contribution has been paid.

10 (6) The service and compensation credit shall not be granted for a
11 period to exceed twelve consecutive months.

12 (7) Should the legislature revoke the service credit authorized
13 under this section or repeal this section, no affected employee is
14 entitled to receive the credit as a matter of contractual right.

15 NEW SECTION. **Sec. 9.** The deductions from the compensation of
16 members, provided for in section 104 of this act, shall be made
17 notwithstanding that the minimum compensation provided for by law for
18 any member shall be reduced thereby. Every member shall be deemed to
19 consent and agree to the deductions made and provided for in this
20 chapter and receipt in full for his or her salary or compensation, and
21 payment, less the deductions, shall be a full and complete discharge
22 and acquittance of all claims and demands whatsoever for the services
23 rendered by the person during the period covered by the payment, except
24 as to benefits provided for under this chapter.

25 NEW SECTION. **Sec. 10.** (1) The director shall report to each
26 employer the contribution rates required for the ensuing biennium or
27 fiscal year, whichever is applicable.

28 (2) Beginning September 1, 1990, the amount to be collected as the
29 employer's contribution shall be computed by applying the applicable
30 rates established in chapter 41.45 RCW to the total compensation
31 earnable of employer's members as shown on the current payrolls of the
32 employer. Each employer shall compute at the end of each month the
33 amount due for that month and the same shall be paid as are its other
34 obligations.

35 (3) In the event of failure, for any reason, of an employer other
36 than a political subdivision of the state to have remitted amounts due
37 for membership service of any of the employer's members rendered during

1 a prior biennium, the director shall bill such employer for such
2 employer's contribution together with such charges as the director
3 deems appropriate in accordance with RCW 41.50.120. Such billing shall
4 be paid by the employer as, and the same shall be, a proper charge
5 against any moneys available or appropriated to such employer for
6 payment of current biennial payrolls.

7 NEW SECTION. **Sec. 11.** (1) Subject to subsections (2) and (3) of
8 this section, the right of a person to a pension, an annuity, or
9 retirement allowance, any optional benefit, any other right accrued or
10 accruing to any person under the provisions of this chapter, the
11 various funds created by this chapter, and all moneys and investments
12 and income thereof, are hereby exempt from any state, county,
13 municipal, or other local tax, and shall not be subject to execution,
14 garnishment, attachment, the operation of bankruptcy or insolvency
15 laws, or other process of law whatsoever, and shall be unassignable.

16 (2) This section does not prohibit a beneficiary of a retirement
17 allowance from authorizing deductions therefrom for payment of premiums
18 due on any group insurance policy or plan issued for the benefit of a
19 group comprised of public employees of the state of Washington or its
20 political subdivisions and which has been approved for deduction in
21 accordance with rules that may be adopted by the state health care
22 authority and/or the department. This section also does not prohibit
23 a beneficiary of a retirement allowance from authorizing deductions
24 therefrom for payment of dues and other membership fees to any
25 retirement association or organization the membership of which is
26 composed of retired public employees, if a total of three hundred or
27 more of such retired employees have authorized such deduction for
28 payment to the same retirement association or organization.

29 (3) Subsection (1) of this section does not prohibit the department
30 from complying with (a) a wage assignment order for child support
31 issued pursuant to chapter 26.18 RCW, (b) an order to withhold and
32 deliver issued pursuant to chapter 74.20A RCW, (c) a notice of payroll
33 deduction issued pursuant to RCW 26.23.060, (d) a mandatory benefits
34 assignment order issued by the department, (e) a court order directing
35 the department of retirement systems to pay benefits directly to an
36 obligee under a dissolution order as defined in RCW 41.50.500(3) which
37 fully complies with RCW 41.50.670 and 41.50.700, or (f) any
38 administrative or court order expressly authorized by federal law.

1 NEW SECTION. **Sec. 12.** A member shall not receive a disability
2 retirement benefit under section 105 or 210 of this act if the
3 disability is the result of criminal conduct by the member committed
4 after April 21, 1997.

5 NEW SECTION. **Sec. 13.** Any person who knowingly makes any false
6 statements, or falsifies or permits to be falsified any record or
7 records of this retirement system in any attempt to defraud the
8 retirement system as a result of such act, is guilty of a gross
9 misdemeanor.

10 NEW SECTION. **Sec. 14.** (1) Any person who was a member of the
11 state-wide city employees' retirement system governed by chapter 41.44
12 RCW and who was never reemployed by an employer as defined in RCW
13 41.40.010 and who is employed by an employer as defined in section 2 of
14 this act, may, in a writing filed with the director, elect to:

15 (a) Transfer to this retirement system all service currently
16 credited under chapter 41.44 RCW;

17 (b) Reestablish and transfer to this retirement system all service
18 which was previously credited under chapter 41.44 RCW but which was
19 canceled by discontinuance of service and withdrawal of accumulated
20 contributions as provided in RCW 41.44.190. The service may be
21 reestablished and transferred only upon payment by the member to the
22 employees' savings fund of this retirement system of the amount
23 withdrawn plus interest thereon from the date of withdrawal until the
24 date of payment at a rate determined by the director. No additional
25 payments are required for service credit described in this subsection
26 if already established under this chapter; and

27 (c) Establish service credit for the initial period of employment
28 not to exceed six months, prior to establishing membership under
29 chapter 41.44 RCW, upon payment in full by the member of the total
30 employer's contribution to the benefit account fund of this retirement
31 system that would have been made under this chapter when the initial
32 service was rendered. The payment shall be based on the first month's
33 compensation earnable as a member of the state-wide city employees'
34 retirement system and as defined in RCW 41.44.030(13). However, a
35 person who has established service credit under RCW 41.40.010(13) (c)
36 or (d) shall not establish additional credit under this subsection nor
37 may anyone who establishes credit under this subsection establish any

1 additional credit under RCW 41.40.010(13) (c) or (d). No additional
2 payments are required for service credit described in this subsection
3 if already established under this chapter.

4 (2) The written election must be filed and the payments must be
5 completed in full within one year after employment by an employer.

6 (3) Upon receipt of the written election and payments required by
7 subsection (1) of this section from any retiree described in subsection
8 (1) of this section, the department shall recompute the retiree's
9 allowance in accordance with this section and shall pay any additional
10 benefit resulting from such recomputation retroactively to the date of
11 retirement from the system governed by this chapter.

12 (4) Any person who was a member of the state-wide city employees'
13 retirement system under chapter 41.44 RCW and also became a member of
14 the public employees' retirement system established under chapter 41.40
15 RCW or the Washington school employees' retirement system established
16 under this chapter, and did not make the election under RCW 41.40.058
17 or subsection (1) of this section because he or she was not a member of
18 the public employees' retirement system prior to July 27, 1987, or did
19 not meet the time limitations of RCW 41.40.058 or subsection (2) of
20 this section, may elect to do any of the following:

21 (a) Transfer to this retirement system all service currently
22 credited under chapter 41.44 RCW;

23 (b) Reestablish and transfer to this retirement system all service
24 that was previously credited under chapter 41.44 RCW but was canceled
25 by discontinuance of service and withdrawal of accumulated
26 contributions as provided in RCW 41.44.190; and

27 (c) Establish service credit for the initial period of employment
28 not to exceed six months, prior to establishing membership under
29 chapter 41.44 RCW.

30 To make the election or elections, the person must pay the amount
31 required under RCW 41.50.165(2) prior to retirement from this
32 retirement system.

33 NEW SECTION. **Sec. 15.** Any person aggrieved by any decision of the
34 department affecting his or her legal rights, duties, or privileges
35 must, before he or she appeals to the courts, file with the director by
36 mail or personally within sixty days from the day the decision was
37 communicated to the person, a notice for a hearing before the
38 director's designee. The notice of hearing shall set forth in full

1 detail the grounds upon which the person considers the decision unjust
2 or unlawful and shall include every issue to be considered by the
3 department, and it must contain a detailed statement of facts upon
4 which the person relies in support of the appeal. These persons shall
5 be deemed to have waived all objections or irregularities concerning
6 the matter on which the appeal is taken, other than those specifically
7 set forth in the notice of hearing or appearing in the records of the
8 retirement system.

9 NEW SECTION. **Sec. 16.** Following its receipt of a notice for
10 hearing in accordance with section 15 of this act, a hearing shall be
11 held by the director or a duly authorized representative, in the county
12 of the residence of the claimant at a time and place designated by the
13 director. Such hearing shall be conducted and governed in all respects
14 by the provisions of chapter 34.05 RCW.

15 NEW SECTION. **Sec. 17.** Judicial review of any final decision and
16 order by the director is governed by the provisions of chapter 34.05
17 RCW.

18 NEW SECTION. **Sec. 18.** No bond of any kind shall be required of a
19 claimant appealing to the superior court, the court of appeals, or the
20 supreme court from a finding of the department affecting the claimant's
21 right to retirement or disability benefits.

22 NEW SECTION. **Sec. 19.** (1) Except for any period prior to the
23 member's employment in an eligible position, a plan II or plan III
24 member who is employed by a school district or districts or an
25 educational service district:

26 (a) Shall receive a service credit month for each month of the
27 period from September through August of the following year if he or she
28 is employed in an eligible position, earns compensation earnable for
29 eight hundred ten hours or more during that period, and is employed
30 during nine months of that period;

31 (b) If a member in an eligible position for each month of the
32 period from September through August of the following year does not
33 meet the hours requirements of (a) of this subsection, the member is
34 entitled to one-half service credit month for each month of the period
35 if he or she earns earnable compensation for at least six hundred

1 thirty hours but less than eight hundred ten hours during that period,
2 and is employed nine months of that period;

3 (c) In all other instances, a member in an eligible position is
4 entitled to service credit months as follows:

5 (i) One service credit month for each month in which compensation
6 is earned for ninety or more hours;

7 (ii) One-half service credit month for each month in which
8 compensation is earned for at least seventy hours but less than ninety
9 hours; and

10 (iii) One-quarter service credit month for each month in which
11 compensation is earned for less than seventy hours.

12 (2) The department shall adopt rules implementing this section.

13 NEW SECTION. **Sec. 20.** RCW 43.01.044 shall not result in any
14 increase in retirement benefits. The rights extended to state officers
15 and employees under RCW 43.01.044 are not intended to and shall not
16 have any effect on retirement benefits under this chapter.

17 NEW SECTION. **Sec. 21.** (1) The annual compensation taken into
18 account in calculating retiree benefits under this system shall not
19 exceed the limits imposed by section 401(a)(17) of the federal internal
20 revenue code for qualified trusts.

21 (2) The department shall adopt rules as necessary to implement this
22 section.

23 NEW SECTION. **Sec. 22.** Beginning July 1, 1979, and every year
24 thereafter, the department shall determine the following information
25 for each retired member or beneficiary whose retirement allowance has
26 been in effect for at least one year:

27 (1) The original dollar amount of the retirement allowance;

28 (2) The index for the calendar year prior to the effective date of
29 the retirement allowance, to be known as "index A";

30 (3) The index for the calendar year prior to the date of
31 determination, to be known as "index B"; and

32 (4) The ratio obtained when index B is divided by index A.

33 The value of the ratio obtained shall be the annual adjustment to
34 the original retirement allowance and shall be applied beginning with
35 the July payment. In no event, however, shall the annual adjustment:

1 (a) Produce a retirement allowance which is lower than the original
2 retirement allowance;

3 (b) Exceed three percent in the initial annual adjustment; or

4 (c) Differ from the previous year's annual adjustment by more than
5 three percent.

6 For the purposes of this section, "index" means, for any calendar
7 year, that year's average consumer price index--Seattle, Washington
8 area for urban wage earners and clerical workers, all items, compiled
9 by the bureau of labor statistics, United States department of labor.

10 NEW SECTION. **Sec. 23.** (1) Upon retirement for service as
11 prescribed in section 103 or 209 of this act or retirement for
12 disability under section 105 or 210 of this act, a member shall elect
13 to have the retirement allowance paid pursuant to one of the following
14 options, calculated so as to be actuarially equivalent to each other.

15 (a) Standard allowance. A member electing this option shall
16 receive a retirement allowance payable throughout such member's life.
17 However, if the retiree dies before the total of the retirement
18 allowance paid to such retiree equals the amount of such retiree's
19 accumulated contributions at the time of retirement, then the balance
20 shall be paid to the member's estate, or such person or persons, trust,
21 or organization as the retiree shall have nominated by written
22 designation duly executed and filed with the department; or if there be
23 no such designated person or persons still living at the time of the
24 retiree's death, then to the surviving spouse; or if there be neither
25 such designated person or persons still living at the time of death nor
26 a surviving spouse, then to the retiree's legal representative.

27 (b) The department shall adopt rules that allow a member to select
28 a retirement option that pays the member a reduced retirement allowance
29 and upon death, such portion of the member's reduced retirement
30 allowance as the department by rule designates shall be continued
31 throughout the life of and paid to a person nominated by the member by
32 written designation duly executed and filed with the department at the
33 time of retirement. The options adopted by the department shall
34 include, but are not limited to, a joint and one hundred percent
35 survivor option and a joint and fifty percent survivor option.

36 (2)(a) A member, if married, must provide the written consent of
37 his or her spouse to the option selected under this section, except as
38 provided in (b) of this subsection. If a member is married and both

1 the member and the member's spouse do not give written consent to an
2 option under this section, the department shall pay a joint and fifty
3 percent survivor benefit calculated to be actuarially equivalent to the
4 benefit options available under subsection (1) of this section unless
5 spousal consent is not required as provided in (b) of this subsection.

6 (b) If a copy of a dissolution order designating a survivor
7 beneficiary under RCW 41.50.790 has been filed with the department at
8 least thirty days prior to a member's retirement:

9 (i) The department shall honor the designation as if made by the
10 member under subsection (1) of this section; and

11 (ii) The spousal consent provisions of (a) of this subsection do
12 not apply.

13 NEW SECTION. **Sec. 24.** (1) Except as provided in section 7 of this
14 act, no retiree under the provisions of plan II shall be eligible to
15 receive such retiree's monthly retirement allowance if he or she is
16 employed in an eligible position as defined in section 2 of this act,
17 RCW 41.40.010 or 41.32.010, or as a law enforcement officer or fire
18 fighter as defined in RCW 41.26.030, except that a retiree who ends his
19 or her membership in the retirement system pursuant to RCW
20 41.40.023(3)(b) is not subject to this section if the retiree's only
21 employment is as an elective official.

22 (2) If a retiree's benefits have been suspended under this section,
23 his or her benefits shall be reinstated when the retiree terminates the
24 employment that caused his or her benefits to be suspended. Upon
25 reinstatement, the retiree's benefits shall be actuarially recomputed
26 pursuant to the rules adopted by the department.

27 (3) The department shall adopt rules implementing this section.

28 NEW SECTION. **Sec. 25.** Sections 1 through 24 of this act apply to
29 members of plan II and plan III.

30 NEW SECTION. **Sec. 101.** A member of the retirement system shall
31 receive a retirement allowance equal to two percent of such member's
32 average final compensation for each service credit year of service.

33 NEW SECTION. **Sec. 102.** (1) The director may pay a member eligible
34 to receive a retirement allowance or the member's beneficiary, subject
35 to the provisions of subsection (5) of this section, a lump sum payment

1 in lieu of a monthly benefit if the initial monthly benefit computed in
2 accordance with section 101 of this act would be less than fifty
3 dollars. The lump sum payment shall be the greater of the actuarial
4 equivalent of the monthly benefits or an amount equal to the
5 individual's accumulated contributions plus accrued interest.

6 (2) A retiree or a beneficiary, subject to the provisions of
7 subsection (5) of this section, who is receiving a regular monthly
8 benefit of less than fifty dollars may request, in writing, to convert
9 from a monthly benefit to a lump sum payment. If the director approves
10 the conversion, the calculation of the actuarial equivalent of the
11 total estimated regular benefit will be computed based on the
12 beneficiary's age at the time the benefit initially accrued. The lump
13 sum payment will be reduced to reflect any payments received on or
14 after the initial benefit accrual date.

15 (3) Persons covered under the provisions of RCW 41.40.625 or
16 subsection (1) of this section may upon returning to member status
17 reinstate all previous service by depositing the lump sum payment
18 received, with interest as computed by the director, within two years
19 of returning to service or prior to rereading, whichever comes first.
20 In computing the amount due, the director shall exclude the accumulated
21 value of the normal payments the member would have received while in
22 beneficiary status if the lump sum payment had not occurred.

23 (4) If a member fails to meet the time limitations under subsection
24 (3) of this section, reinstatement of all previous service will occur
25 if the member pays the amount required under RCW 41.50.165(2). The
26 amount, however, shall exclude the accumulated value of the normal
27 payments the member would have received while in beneficiary status if
28 the lump sum payment had not occurred.

29 (5) Only persons entitled to or receiving a service retirement
30 allowance under section 101 of this act or an earned disability
31 allowance under section 105 of this act qualify for participation under
32 this section.

33 (6) It is the intent of the legislature that any member who
34 receives a settlement under this section shall be deemed to be retired
35 from this system.

36 NEW SECTION. Sec. 103. (1) NORMAL RETIREMENT. Any member with at
37 least five service credit years who has attained at least age sixty-

1 five shall be eligible to retire and to receive a retirement allowance
2 computed according to the provisions of section 101 of this act.

3 (2) EARLY RETIREMENT. Any member who has completed at least twenty
4 service credit years and has attained age fifty-five shall be eligible
5 to retire and to receive a retirement allowance computed according to
6 the provisions of section 101 of this act, except that a member
7 retiring pursuant to this subsection shall have the retirement
8 allowance actuarially reduced to reflect the difference in the number
9 of years between age at retirement and the attainment of age sixty-
10 five.

11 NEW SECTION. **Sec. 104.** The required contribution rates to the
12 retirement system for both members and employers shall be established
13 by the director from time to time as may be necessary upon the advice
14 of the state actuary. The state actuary shall use the aggregate
15 actuarial cost method to calculate contribution rates. The employer
16 contribution rate calculated under this section shall be used only for
17 the purpose of determining the amount of employer contributions to be
18 deposited in the plan II fund from the total employer contributions
19 collected under section 10 of this act.

20 Contribution rates required to fund the costs of the retirement
21 system shall always be equal for members and employers, except as
22 herein provided. Any adjustments in contribution rates required from
23 time to time for future costs shall likewise be shared equally by the
24 members and employers.

25 Any increase in the contribution rate required as the result of a
26 failure of an employer to make any contribution required by this
27 section shall be borne in full by the employer not making the
28 contribution.

29 The director shall notify all employers of any pending adjustment
30 in the required contribution rate and such increase shall be announced
31 at least thirty days prior to the effective date of the change.

32 Members contributions required by this section shall be deducted
33 from the members compensation earnable each payroll period. The
34 members contribution and the employers contribution shall be remitted
35 directly to the department within fifteen days following the end of the
36 calendar month during which the payroll period ends.

1 NEW SECTION. **Sec. 105.** (1) A member of the retirement system who
2 becomes totally incapacitated for continued employment by an employer
3 as determined by the department upon recommendation of the department
4 shall be eligible to receive an allowance under the provisions of
5 sections 101 through 112 of this act. The member shall receive a
6 monthly disability allowance computed as provided for in section 101 of
7 this act and shall have this allowance actuarially reduced to reflect
8 the difference in the number of years between age at disability and the
9 attainment of age sixty-five.

10 Any member who receives an allowance under the provisions of this
11 section shall be subject to comprehensive medical examinations as
12 required by the department. If these medical examinations reveal that
13 a member has recovered from the incapacitating disability and the
14 member is offered reemployment by an employer at a comparable
15 compensation, the member shall cease to be eligible for the allowance.

16 (2) If the recipient of a monthly retirement allowance under this
17 section dies before the total of the retirement allowance paid to the
18 recipient equals the amount of the accumulated contributions at the
19 date of retirement, then the balance shall be paid to the member's
20 estate, or the person or persons, trust, or organization as the
21 recipient has nominated by written designation duly executed and filed
22 with the director, or, if there is no designated person or persons
23 still living at the time of the recipient's death, then to the
24 surviving spouse, or, if there is no designated person or persons still
25 living at the time of his or her death nor a surviving spouse, then to
26 his or her legal representative.

27 NEW SECTION. **Sec. 106.** Any member or beneficiary eligible to
28 receive a retirement allowance under the provisions of section 103,
29 105, or 107 of this act shall be eligible to commence receiving a
30 retirement allowance after having filed written application with the
31 department.

32 (1) Retirement allowances paid to members under the provisions of
33 section 103 of this act shall accrue from the first day of the calendar
34 month immediately following such member's separation from employment.

35 (2) Retirement allowances paid to vested members no longer in
36 service, but qualifying for such an allowance pursuant to section 103
37 of this act, shall accrue from the first day of the calendar month
38 immediately following such qualification.

1 (3) Disability allowances paid to disabled members under the
2 provisions of section 105 of this act shall accrue from the first day
3 of the calendar month immediately following such member's separation
4 from employment for disability.

5 (4) Retirement allowances paid as death benefits under the
6 provisions of section 107 of this act shall accrue from the first day
7 of the calendar month immediately following the member's death.

8 NEW SECTION. **Sec. 107.** (1) Except as provided in RCW 11.07.010,
9 if a member or a vested member who has not completed at least ten years
10 of service dies, the amount of the accumulated contributions standing
11 to such member's credit in the retirement system at the time of such
12 member's death, less any amount identified as owing to an obligee upon
13 withdrawal of accumulated contributions pursuant to a court order filed
14 under RCW 41.50.670, shall be paid to the member's estate, or such
15 person or persons, trust, or organization as the member shall have
16 nominated by written designation duly executed and filed with the
17 department. If there be no such designated person or persons still
18 living at the time of the member's death, such member's accumulated
19 contributions standing to such member's credit in the retirement
20 system, less any amount identified as owing to an obligee upon
21 withdrawal of accumulated contributions pursuant to a court order filed
22 under RCW 41.50.670, shall be paid to the member's surviving spouse as
23 if in fact such spouse had been nominated by written designation, or if
24 there be no such surviving spouse, then to such member's legal
25 representatives.

26 (2) If a member who is eligible for retirement or a member who has
27 completed at least ten years of service dies, the surviving spouse or
28 eligible child or children shall elect to receive either:

29 (a) A retirement allowance computed as provided for in section 103
30 of this act, actuarially reduced by the amount of any lump sum benefit
31 identified as owing to an obligee upon withdrawal of accumulated
32 contributions pursuant to a court order filed under RCW 41.50.670 and
33 actuarially adjusted to reflect a joint and one hundred percent
34 survivor option under section 23 of this act and if the member was not
35 eligible for normal retirement at the date of death a further reduction
36 as described in section 103 of this act; if a surviving spouse who is
37 receiving a retirement allowance dies leaving a child or children of
38 the member under the age of majority, then such child or children shall

1 continue to receive an allowance in an amount equal to that which was
2 being received by the surviving spouse, share and share alike, until
3 such child or children reach the age of majority; if there is no
4 surviving spouse eligible to receive an allowance at the time of the
5 member's death, such member's child or children under the age of
6 majority shall receive an allowance, share and share alike, calculated
7 as herein provided making the assumption that the ages of the spouse
8 and member were equal at the time of the member's death; or

9 (b) The member's accumulated contributions, less any amount
10 identified as owing to an obligee upon withdrawal of accumulated
11 contributions pursuant to a court order filed under RCW 41.50.670.

12 (3) If a member who is eligible for retirement or a member who has
13 completed at least ten years of service dies and is not survived by a
14 spouse or an eligible child, then the accumulated contributions
15 standing to the member's credit, less any amount identified as owing to
16 an obligee upon withdrawal of accumulated contributions pursuant to a
17 court order filed under RCW 41.50.670, shall be paid:

18 (a) To a person or persons, estate, trust, or organization as the
19 member shall have nominated by written designation duly executed and
20 filed with the department; or

21 (b) If there is no such designated person or persons still living
22 at the time of the member's death, then to the member's legal
23 representatives.

24 NEW SECTION. **Sec. 108.** (1) A member who is on a paid leave of
25 absence authorized by a member's employer shall continue to receive
26 service credit as provided for under the provisions of sections 101
27 through 112 of this act.

28 (2) A member who receives compensation from an employer while on an
29 authorized leave of absence to serve as an elected official of a labor
30 organization, and whose employer is reimbursed by the labor
31 organization for the compensation paid to the member during the period
32 of absence, may also be considered to be on a paid leave of absence.
33 This subsection shall only apply if the member's leave of absence is
34 authorized by a collective bargaining agreement that provides that the
35 member retains seniority rights with the employer during the period of
36 leave. The compensation earnable reported for a member who establishes
37 service credit under this subsection may not be greater than the salary

1 paid to the highest paid job class covered by the collective bargaining
2 agreement.

3 (3) Except as specified in subsection (4) of this section, a member
4 shall be eligible to receive a maximum of two years service credit
5 during a member's entire working career for those periods when a member
6 is on an unpaid leave of absence authorized by an employer. Such
7 credit may be obtained only if:

8 (a) The member makes both the plan II employer and member
9 contributions plus interest as determined by the department for the
10 period of the authorized leave of absence within five years of
11 resumption of service or prior to retirement whichever comes sooner; or

12 (b) If not within five years of resumption of service but prior to
13 retirement, pay the amount required under RCW 41.50.165(2).

14 The contributions required under (a) of this subsection shall be
15 based on the average of the member's compensation earnable at both the
16 time the authorized leave of absence was granted and the time the
17 member resumed employment.

18 (4) A member who leaves the employ of an employer to enter the
19 armed forces of the United States shall be entitled to retirement
20 system service credit for up to five years of military service. This
21 subsection shall be administered in a manner consistent with the
22 requirements of the federal uniformed services employment and
23 reemployment rights act.

24 (a) The member qualifies for service credit under this subsection
25 if:

26 (i) Within ninety days of the member's honorable discharge from the
27 United States armed forces, the member applies for reemployment with
28 the employer who employed the member immediately prior to the member
29 entering the United States armed forces; and

30 (ii) The member makes the employee contributions required under
31 section 104 of this act within five years of resumption of service or
32 prior to retirement, whichever comes sooner; or

33 (iii) Prior to retirement and not within ninety days of the
34 member's honorable discharge or five years of resumption of service the
35 member pays the amount required under RCW 41.50.165(2).

36 (b) Upon receipt of member contributions under (a)(ii) of this
37 subsection, the department shall establish the member's service credit
38 and shall bill the employer for its contribution required under section

1 104 of this act for the period of military service, plus interest as
2 determined by the department.

3 (c) The contributions required under (a)(ii) of this subsection
4 shall be based on the compensation the member would have earned if not
5 on leave, or if that cannot be estimated with reasonable certainty, the
6 compensation reported for the member in the year prior to when the
7 member went on military leave.

8 NEW SECTION. **Sec. 109.** A member who separates or has separated
9 after having completed at least five years of service may remain a
10 member during the period of such member's absence from service for the
11 exclusive purpose only of receiving a retirement allowance under the
12 provisions of section 103 of this act if such member maintains the
13 member's accumulated contributions intact.

14 NEW SECTION. **Sec. 110.** A member who ceases to be an employee of
15 an employer except by service or disability retirement may request a
16 refund of the member's accumulated contributions. The refund shall be
17 made within ninety days following the receipt of the request and
18 notification of termination through the contribution reporting system
19 by the employer; except that in the case of death, an initial payment
20 shall be made within thirty days of receipt of request for such payment
21 and notification of termination through the contribution reporting
22 system by the employer. A member who files a request for refund and
23 subsequently enters into employment with another employer prior to the
24 refund being made shall not be eligible for a refund. The refund of
25 accumulated contributions shall terminate all rights to benefits under
26 sections 101 through 112 of this act.

27 NEW SECTION. **Sec. 111.** (1) A member, who had left service and
28 withdrawn the member's accumulated contributions, shall receive service
29 credit for such prior service if the member restores all withdrawn
30 accumulated contributions together with interest since the time of
31 withdrawal as determined by the department.

32 The restoration of such funds must be completed within five years
33 of the resumption of service or prior to retirement, whichever occurs
34 first.

35 (2) If a member fails to meet the time limitations of subsection
36 (1) of this section, the member may receive service credit destroyed by

1 the withdrawn contributions if the amount required under RCW
2 41.50.165(2) is paid.

3 NEW SECTION. **Sec. 112.** Sections 101 through 111 and 114 of this
4 act apply only to plan II members.

5 NEW SECTION. **Sec. 113.** A new section is added to chapter 41.40
6 RCW to read as follows:

7 (1) Effective September 1, 2000, the membership of all plan II
8 members currently employed in eligible positions in a school district
9 or educational service district and all plan II service credit for such
10 members, is transferred to the Washington school employees' retirement
11 system plan II. Plan II members who have withdrawn their member
12 contributions for prior plan II service may restore contributions and
13 service credit to the Washington school employees' retirement system
14 plan II as provided under RCW 41.40.740.

15 (2) The membership and previous service credit of a plan II member
16 not employed in an eligible position on September 1, 2000, will be
17 transferred to the Washington school employees' retirement system plan
18 II when he or she becomes employed in an eligible position. Plan II
19 members not employed in an eligible position on September 1, 2000, who
20 have withdrawn their member contributions for prior plan II service may
21 restore contributions and service credit to the Washington school
22 employees' retirement system plan II as provided under RCW 41.40.740.

23 (3) Members who restore contributions and service credit under
24 subsection (1) or (2) of this section shall have their contributions
25 and service credit transferred to the Washington school employees'
26 retirement system.

27 NEW SECTION. **Sec. 114.** (1) Every plan II member employed by an
28 employer in an eligible position has the option to make an irrevocable
29 transfer to plan III.

30 (2) All service credit in plan II shall be transferred to the
31 defined benefit portion of plan III.

32 (3) Any plan II member who wishes to transfer to plan III after
33 February 28, 2001, may transfer during the month of January in any
34 following year, provided that the member earns service credit for that
35 month.

1 (4) The accumulated contributions in plan II, less fifty percent of
2 any contributions made pursuant to RCW 41.50.165(2) shall be
3 transferred to the member's account in the defined contribution portion
4 established in chapter 41.34 RCW, pursuant to procedures developed by
5 the department and subject to RCW 41.34.090. Contributions made
6 pursuant to RCW 41.50.165(2) that are not transferred to the member's
7 account shall be transferred to the fund created in RCW 41.50.075(2),
8 except that interest earned on all such contributions shall be
9 transferred to the member's account.

10 (5) The legislature reserves the right to discontinue the right to
11 transfer under this section.

34 the time of the member's death, such member's child or children under

1 through 25, 101 through 112, 114, and 201 through 213 of this act) and
2 43.43 RCW shall be paid from the department of retirement systems
3 expense fund.

4 (2) In order to reimburse the department of retirement systems
5 expense fund on an equitable basis the department shall ascertain and
6 report to each employer, as defined in RCW 41.26.030, 41.32.010,
7 section 2 of this act, or 41.40.010, the sum necessary to defray its
8 proportional share of the entire expense of the administration of the
9 retirement system that the employer participates in during the ensuing
10 biennium or fiscal year whichever may be required. Such sum is to be
11 computed in an amount directly proportional to the estimated entire

20 paid as are its other obligations. Such computation as to each
21 employer shall be made on a percentage rate of salary established by

29 the department may be assessed an additional fee related to the
30 increased costs incurred by the department in processing the deficient
31 reports. Fees paid under this subsection shall be deposited in the

33 (a) Every six months the department shall determine the amount of
34 an employer's fee by reviewing the timeliness and accuracy of the

38 (b) An additional fee assessed by the department under this
39 subsection shall not exceed fifty percent of the standard fee.

1 (c) The department shall adopt rules implementing this section.

10 employee's retirement of the total estimated cost of all present and
11 future benefits from the retirement system attributable to the excess
12 compensation. The state actuary shall determine the estimated cost
13 using the same method and procedure as is used in preparing fiscal note
14 costs for the legislature. However, the director may in the director's
15 discretion decline to bill the employer if the amount due is less than

28 reduction of annual leave;

29 (b) A cash out of any other form of leave;

8 as a percentage of his or her periodic retirement payment and the
9 obligee does not have a survivorship interest in the obligor's benefit,
10 the amount received by the obligee shall be the percentage of the
11 periodic retirement payment that the obligor would have received had he
12 or she selected a standard allowance.

13 If (the obligor) requests or has requested a withdrawal

35 department within ninety days of that order's entry with the court of
36 record.

37 (7) A division of benefits pursuant to a dissolution order under
38 this section shall be based upon the obligor's gross benefit prior to
39 any deductions. If the department is required to withhold a portion of

1 the member's benefit pursuant to 26 U.S.C. Sec. 3402 and the sum of
2 that amount plus the amount owed to the obligee exceeds the total
3 benefit, the department shall satisfy the withholding requirements
4 under 26 U.S.C. Sec. 3402 and then pay the remainder to the obligee.

12 department has been served by registered or certified mail with a
13 dissolution order as defined in RCW 41.50.500 at least thirty days

17 When (the obligor) applies for retirement the
18 department shall designate (the obligee) as
19 survivor beneficiary with a survivor benefit.

20 The survivor benefit designated in the dissolution order must be
21 consistent with the survivor benefit options authorized by statute or
22 administrative rule.

23 (2) The obligee's entitlement to a survivor benefit pursuant to a
24 dissolution order filed with the department in compliance with
25 subsection (1) of this section shall cease upon the death of the
26 obligee.

27 (3)(a) A subsequent dissolution order may order the department to
28 divide a survivor benefit between a survivor beneficiary and an
29 alternate payee. In order to divide a survivor benefit between more
30 than one payee, the dissolution order must:

31 (i) Be ordered by a court of competent jurisdiction following
32 notice to the survivor beneficiary;

33 (ii) Contain a provision that complies with subsection (1) of this
34 section designating the survivor beneficiary;

35 (iii) Contain a provision clearly identifying the alternate payee
36 or payees; and

1 (iv) Specify the proportional division of the benefit between the
2 survivor beneficiary and the alternate payee or payees.

3 (b) The department will calculate actuarial adjustment for the
4 court-ordered survivor benefit based upon the life of the survivor
5 beneficiary.

6 (c) If the survivor beneficiary dies, the department shall
7 terminate the benefit. If the alternate payee predeceases the survivor
8 beneficiary, all entitlement of the alternate payee to a benefit ceases
9 and the entire benefit will revert to the survivor beneficiary.

10 (d) For purposes of this section, "survivor beneficiary" means:
11 (i) The obligee designated in the provision of dissolution filed in
12 compliance with subsection (1) of this section; or
13 (ii) In the event of more than one dissolution order, the obligee
14 named in the first decree of dissolution received by the department.

15 (e) For purposes of this section, "alternate payee" means a person,
16 other than the survivor beneficiary, who is granted a percentage of a
17 survivor benefit pursuant to a dissolution order.

18 (4) The department shall under no circumstances be held liable for
19 not designating an obligee as a survivor beneficiary under subsection
20 (1) of this section if the dissolution order or amendment thereto is
21 not served on the department by registered or certified mail at least
22 thirty days prior to the member's retirement.

23 (5) If a dissolution order directing designation of a survivor
24 beneficiary has been previously filed with the department in compliance
25 with this section, no additional obligation shall arise on the part of
26 the department upon filing of a subsequent dissolution order unless the
27 subsequent dissolution order:
28 (a) Specifically amends or supersedes the dissolution order already
29 on file with the department; and
30 (b) Is filed with the department by registered or certified mail at
31 least thirty days prior to the member's retirement.

32 (6) The department shall designate a court-ordered survivor
33 beneficiary pursuant to a dissolution order filed with the department
34 before June 6, 1996, only if the order:
35 (a) Specifically directs the member or department to make such
36 selection;
37 (b) Specifies the survivor option to be selected; and
38 (c) The member retires after June 6, 1996.

6 the amount determined by the department as necessary to correct the
7 error.
