3 On page 2, line 15, after materials.- insert:

4 (2) Before lending learning materials to a private school
5 student, the local school district shall notify all other school
6 districts in the state that the learning materials are available.

7 (3) The local school district shall not lend learning materials to
8 a private school student if another school district has requested the
9 same learning materials for the purpose of lending such learning
10 materials to a public school student.-

11 Renumber the remaining subsections consecutively.

EFFECT: A local school district must notify all other school districts in the state that it has learning materials available for loan before lending learning materials to a private school student. Loans to students in other school districts have priority over loans to private school students.
