

2 **HB 1458** - S AMD TO S COMM AMD - 417  
3 By Senators Prince and Haugen

4

5 On page 8, after line 36 of the committee amendment, insert the  
6 following:

7 "**Sec. 8.** RCW 46.87.080 and 1193 c 307 s 14 are each amended to  
8 read as follows:

9 (1) Upon making satisfactory application and payment of applicable  
10 fees and taxes for proportional registration under this chapter, in a  
11 form and manner prescribed by the department and in compliance with the  
12 provisions of the International Registration Plan, the department shall  
13 issue a cab card and validation tab for each vehicle, and to vehicles  
14 of Washington-based fleets, two distinctive apportionable license  
15 plates for each motor vehicle and one such plate for each trailer,  
16 semitrailer, pole trailer, or converter gear listed on the application.  
17 License plates shall be displayed on vehicles as required by RCW  
18 46.16.240. The number and plate shall be of a design, size, and color  
19 determined by the department. The plates shall be treated with  
20 reflectorized material and clearly marked with the words "WASHINGTON"  
21 and "APPORTIONED," both words to appear in full and without  
22 abbreviation.

23 (2) The cab card serves as the certificate of registration for a  
24 proportionally registered vehicle. The face of the cab card shall  
25 contain the name and address of the registrant as contained in the  
26 records of the department, the license plate number assigned to the  
27 vehicle by the base jurisdiction, the vehicle identification number,  
28 and such other description of the vehicle and data as the department  
29 may require. The cab card shall be signed by the registrant, or a  
30 designated person if the registrant is a business firm, and shall at  
31 all times be carried in or on the vehicle to which it was issued. In  
32 the case of nonpowered vehicles, the cab card may be carried in or on  
33 the vehicle supplying the motive power instead of in or on the  
34 nonpowered vehicle.

35 (3) The apportioned license plates are not transferrable from  
36 vehicle to vehicle unless otherwise determined by rule and shall be

1 used only on the vehicle to which they are assigned by the department  
2 for as long as they are legible or until such time as the department  
3 requires them to be removed and returned to the department.

4 (4) Distinctive validation tab(s) of a design, size, and color  
5 determined by the department shall be affixed to the apportioned  
6 license plate(s) as prescribed by the department to indicate the month,  
7 if necessary, and year for which the vehicle is registered. Foreign-  
8 based vehicles proportionally registered in this state under the  
9 provisions of the Western Compact shall display the validation tab on  
10 a backing plate or as otherwise prescribed by the department.

11 (5) Renewals shall be effected by the issuance and display of such  
12 tab(s) after making satisfactory application and payment of applicable  
13 fees and taxes.

14 (6) Fleet vehicles so registered and identified shall be deemed to  
15 be fully licensed and registered in this state for any type of movement  
16 or operation. However, in those instances in which a grant of authori-  
17 ty is required for interstate or intrastate movement or operation, no  
18 such vehicle may be operated in interstate or intrastate commerce in  
19 this state unless the owner has been granted interstate operating  
20 authority by the interstate commerce commission in the case of  
21 interstate operations or intrastate operating authority by the  
22 Washington utility and transportation commission in the case of  
23 intrastate operations and unless the vehicle is being operated in  
24 conformity with that authority.

25 (7) The department may issue temporary authorization permits (TAPs)  
26 to qualifying operators for the operation of vehicles pending issuance  
27 of license identification. A fee of one dollar plus a one dollar  
28 filing fee shall be collected for each permit issued. The permit fee  
29 shall be deposited in the motor vehicle fund, and the filing fee shall  
30 be deposited in the highway safety fund. The department may adopt  
31 rules for use and issuance of the permits.

32 (8) The department may refuse to issue any license or permit  
33 authorized by subsection (1) or (7) of this section to any person: (a)  
34 Who formerly held any type of license or permit issued by the  
35 department pursuant to chapter 46.16, 46.85, 46.87, 82.36, \*82.37, or  
36 82.38 RCW that has been revoked for cause, which cause has not been  
37 removed; or (b) who is a subterfuge for the real party in interest  
38 whose license or permit issued by the department pursuant to chapter  
39 46.16, 46.85, 46.87, 82.36, \*82.37, or 82.38 RCW and has been revoked

1 for cause, which cause has not been removed; or (c) who, as an  
2 individual licensee, or officer, director, owner, or managing employee  
3 of a nonindividual licensee, has had a license or permit issued by the  
4 department pursuant to chapter 46.16, 46.85, 46.87, 82.36, \*82.37, or  
5 82.38 RCW which has been revoked for cause, which cause has not been  
6 removed; or (d) who has an unsatisfied debt to the state assessed under  
7 either chapter 46.16, 46.85, 46.87, 82.36, \*82.37, 82.38, or 82.44 RCW.

8 (9) The department may revoke the license or permit authorized by  
9 subsection (1) or (7) of this section issued to any person for any of  
10 the grounds constituting cause for denial of licenses or permits set  
11 forth in subsection (8) of this section.

12 (10) Before such refusal or revocation under subsection (8) or (9)  
13 of this section, the department shall grant the applicant a hearing and  
14 at least ten days written notice of the time and place of the hearing."

15 Renumber the sections consecutively and correct any internal  
16 references accordingly.

--- END ---

**EFFECT OF AMENDMENT:** Requires DOL to collect all foreign fees in order  
to be in compliance with the provisions of the International  
Registration Plan on any deferred payment contracts with carriers.
