6 On page 5, after line 35, insert the following:

7 "(9) Counties planning under 36.70A RCW that have experienced  
8 recent and recurring flood events in areas located within or near a  
9 mapped 100 year flood plain, must revise their inaccurate flood plain  
10 maps and comprehensive provisions and development regulations. For  
11 those homes that have been built, and whose owners have experienced  
12 flood damage because of inaccurate mapping or inadequate development  
13 regulations, the county shall assist those homeowners and provide for  
14 the prevention of future flood damage."

15 Renumber the sections consecutively and correct any internal  
16 references accordingly.

--- END ---

**Effect:** Requires that counties planning under the growth management act, that have had recent and recurring flooding, in or near a 100 year flood plain, shall change their mapping and corresponding development regulations to reflect that information gained from such events. In addition, counties shall also provide for the prevention of future flood damage.
