5 On page 5, after line 14 of the amendment, insert the following:

6 "The department shall delete all social security numbers from its
7 driver's license and identicard records maintained under this chapter.
8 The department may not access any system of records that cross-
9 references social security numbers to drivers' licenses or identicards
10 for the purpose of obtaining individual social security numbers and may
11 not obtain social security numbers from any source for identification
12 purposes without the knowledge of the subject individual.

13 The department may not deny an individual a right, benefit, or
14 privilege because of the individual's refusal to disclose his or her
15 social security number.

16 The department may not obtain or maintain a record containing
17 individual identifying information except by a statute stating the
18 specific identifying information that may be obtained, how the
19 identifying information will be obtained, and what uses may be made of
20 the identifying information."
