

1 5273-S AMS FRAS WILB 001

2 SSB 5273 - S AMD - 061
3 By Senator Fraser

4

5 On page 5, beginning on line 4 delete "for sediment dredging or
6 capping actions that" and insert "for the cleanup of hazardous
7 substances under federal or state cleanup laws where the cleanup action
8 plan ensures that the cleanup actions will"

--- END ---

EFFECT: State policy to not require habitat mitigation in section 4 is focused upon "superfund" cleanup actions as addressed in the intent statement in that section.
