HOUSE COMMITTEE ON CRIMINAL JUSTICE & CORRECTIONS

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 11 members: Representatives Ballasiotes, Chairman; Benson, Vice Chairman; Koster, Vice Chairman; Quall, Ranking Minority Member; O'Brien, Assistant Ranking Minority Member; Cairnes; Dickerson; McCune; Mitchell; Radcliff and Sullivan.

Background: In 1997, the Legislature passed two bills (chapters 113 and 364) amending the public notification and offender registration process for sex offenders and kidnappers. Chapter 113 required kidnappers to register with local law enforcement agencies upon release from custody. Chapter 364 required the Department of Corrections (DOC), the Juvenile Rehabilitation Administration (JRA), and the Indeterminate Sentence Review Board (ISRB) to classify all sex offenders released from their facilities into three risk levels for the purposes of public notification: level I (low risk), II (moderate risk), or III (high risk). As a result, the Legislature passed two separate bills covering the same chapters and sections of the Revised Code of Washington (RCW).

Summary of Bill: The substitute bill merges conflicting double amendments involving public disclosure about sex offenders and kidnappers. This is a technical amendment that updates two RCW sections which were amended in 1997. The responsibility of address verification will reside with either the county sheriff, chief of police, or the town marshal. The three words "release," "disseminate," and "disclose" used interchangeably within current law are corrected by using the word "disseminate" consistently throughout the act. An additional provision is also added to clarify that public agencies, upon request, must release information to the public relating to sex offenders and kidnappers.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: This bill cleans up the RCW; however, the three words release, disseminate, and disclose are used interchangeably. An amendment needs to be made to specifically clarify that all public agencies must "disseminate" background information on sex offenders upon request.

Testimony Against: None.

Testified: Representative Ballasiotes, prime sponsor; and Rowland Thompson, Allied Daily Newspaper (pro).
