HOUSE COMMITTEE ON GOVERNMENT ADMINISTRATION

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 12 members: Representatives D. Schmidt, Chairman; D. Sommers, Vice Chairman; Scott, Ranking Minority Member; Gardner, Assistant Ranking Minority Member; Doumit; Dunn; Dunshee; Reams; Smith; L. Thomas; Wensman and Wolfe.

Staff: Bronwyn Mauldin (786-7093).

Background: Washington has designated several official ceremonial symbols over the years. These include the state fish, steelhead trout; the state gem, petrified wood; and the state folk song, Roll On Columbia, Roll On. Washington does not have an official state fossil. Other states have designated state fossils, including the sabertoothed cat in California and the Hagerman Horse Fossil in Idaho.

Summary of Substitute Bill: The Columbian mammoth (Mammuthus COLUMBI) is designated as the official fossil of the state of Washington.

Substitute Bill Compared to Original Bill: The original bill would have made the woolly mammoth (Mammuthus primigenius) the state fossil.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date of Substitute Bill: Ninety days after adjournment of session in which bill is passed.

Testimony For: Remains of the Columbian mammoth have been found throughout the state, and therefore this is a fossil that represents the entire state. When our young people are excited about a school project, we should support them. It would be colossal to have a state fossil.

Testimony Against: None.

Testified: Representative Sheahan, prime sponsor; Sara Jane Aebly, second grade teacher, Windsor Elementary School; and Chris Pineo, student at Windsor Elementary School.
