

HOUSE BILL ANALYSIS

HB 1426

Brief Description: Revising provisions for liens filed by the Department of Social and Health Services.

Sponsors: Representatives Bush, McMorris and Dickerson; by request of the Department of Social and Health Services.

Hearing: February 3, 1997

BACKGROUND:

INDUSTRIAL INSURANCE LIENS

When a person accepts public assistance, the Department of Social and Health Services (DSHS) has a statutory right to be reimbursed for the assistance paid if industrial insurance time-loss compensation (temporary total disability compensation) is due to the recipient for the same period.

Amount of the lien

The department's reimbursement right is secured by a lien up to the amount of time-loss compensation or the public assistance, whichever is less.

Notice of the lien

The DSHS may assert the lien by serving a signed statement of the lien and a notice to withhold and deliver with the director, or employee in the director's office, of the Department of Labor and Industries (DLI). The notice must identify the recipient and make a demand to withhold and deliver the amount claimed. The statute permits personal service or service by regular mail.

Notice of the lien must also be sent to the recipient by certified mail no later than the next business day after the notice is mailed or delivered to the DLI.

Funds subject to the notice

The director of the DLI must deliver to the secretary of DSHS the claimed funds that the

director may hold for time-loss compensation payable to the recipient during the period covered by the lien. The funds must be delivered immediately after a final determination of the recipient's entitlement to time-loss compensation. In practice, the DSHS has recovered time-loss compensation that was provisionally granted to a worker pending a final determination.

Hearings

A recipient who is aggrieved by the action against his or her time-loss compensation must file a notice requesting a hearing within 28 days after the notice to withhold and deliver has been mailed to or served on the DLI.

CHILD SUPPORT LIENS

The DSHS also has lien rights to enforce collection of child support debts. The department may serve the liens and notices to withhold and deliver by personal service or certified mail.

SUMMARY OF BILL:

INDUSTRIAL INSURANCE LIENS

Amount of the lien

The Department of Social and Health Services' right to recover time-loss benefits is for the purpose of avoiding duplicate benefit payments. References to the amount furnished to the recipient for the period when time-loss is payable are deleted.

Notice of the lien

Requirements are deleted for signing the statement of lien and notice to withhold and deliver and including a demand to withhold and deliver the claimed sum.

In addition to personal service and regular mail, the DSHS may serve the statement of lien and the notice to withhold and deliver by electronic device. The statement does not have to be received by a specified employee of the agency.

The statement of lien sent to the public assistance recipient must be mailed within two days, rather than by the next business day, after the notice is mailed or transmitted by the DSHS.

Funds subject to the notice

The provision requiring the director of the DLI to deliver funds that are in the director's

possession is modified to specify that the funds must be time-loss compensation payable to the recipient. The director must deliver from funds currently in the director's possession or from any funds that might come into the director's possession as time-loss for the recipient. The requirement for a final determination of time-loss compensation entitlement is deleted.

Hearings

A recipient who wishes to request a hearing concerning the DSHS recovery of his or her time-loss compensation may file a hearing application within 28 days after the notice was mailed to the recipient, instead of within 28 days after the notice was mailed to the DLI. A new provision is added permitting a hearing if the applicant files a hearing application more than 28 days after, but within one year of, the date the notice was mailed and can show good cause for not filing within 28 days. Collection actions may continue until good cause is shown.

CHILD SUPPORT LIENS

An additional method is added for serving liens and notices to withhold and deliver to enforce child support collections. These liens and notices may be served by electronic means if there is an agreement between the DSHS and the party receiving the notice.

RULES AUTHORITY: The bill does not contain provisions addressing the rule-making powers of an agency.

FISCAL NOTE: Not requested.

EFFECTIVE DATE: Ninety days after adjournment of session in which bill is passed.
