Background: Overnight youth shelters provide temporary food and housing to homeless or runaway youth who have no other place to stay. These shelters are required to be licensed by the Department of Social and Health Services (DSHS). In order to be licensed, the shelters must meet minimum requirements necessary to ensure the health and safety of the youth staying in the shelters.

Summary of Bill: A grant program is created in the Department of Community, Trade, and Economic Development to provide grants to licensed overnight youth shelters. The department is appropriated \$120,000 for the purpose of assisting overnight youth shelters to meet DSHS licensing requirements. Grants are limited to \$20,000 per year for each shelter and may only be provided to licensed nonprofit shelters.

Appropriation: The department is appropriated \$120,000 for the purpose of assisting overnight youth shelters to meet DSHS licensing requirements.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: (Children & Family Services) There are presently five shelters in the state. The shelters are not Crisis Residential Centers (CRC's). Unlike CRC's, these facilities do not receive state funds. They are mostly funded by a patchwork of private funding. But because they do not have sufficient funds, many cannot run at full capacity or year-round. The shelters play an important role in the protection of runaway and at-risk youth. Many of these youth would enter into the Becca system or juvenile justice system if they were not given shelter in one of these facilities.

(Appropriations) These shelters are an important piece in the support network for runaway youth and at-risk youth. They receive no form of state funding and the funding in this bill would help these facilities to remain licensed and open.

Testimony Against: (Children & Family Services) None.

(Appropriations) None.

Testified: (Children & Family Services) Senator Gary Strannigan, prime sponsor; Anne O'Leary, Denny Place Youth Shelter (pro); Mary E. Hufferd, Oasis Teen Shelter (Skagit Homeless Youth) (pro); and Margaret Casey, Washington State Catholic Conference (pro).

(Appropriations) Margaret Casey, Washington State Catholic Conference; and Laurie Lippold, Children's Home Society.
