
HOUSE BILL 1668

State of Washington 55th Legislature 1997 Regular Session

By Representatives Lambert, Johnson and Mulliken

Read first time 02/05/97. Referred to Committee on Education.

1 AN ACT Relating to student health services; and amending RCW
2 28A.210.300.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 28A.210.300 and 1975 c 43 s 20 are each amended to
5 read as follows:

6 The board of directors of any school district of the second class
7 may employ a regularly licensed physician or a licensed public health
8 nurse for the purpose of protecting the health of the children in said
9 district. Health care services provided or made available either
10 directly or indirectly to students through the common schools or on
11 school grounds shall be limited to emergency medical services, first
12 aid, cardiopulmonary resuscitation, the administration of oral
13 medication, services identified in a special education student's
14 individual education plan, and those services required in this chapter.
