13 a rate of 18.65 percent in the 1997-98 and 1998-99 school years for
14 classified salary allocations provided under subsection (3) of this

2 of this act. Solely for the purposes of this subsection, allocated
3 classroom teachers shall be equal to the number of certificated
4 instructional staff units allocated under subsection (2) of this
5 section, multiplied by the ratio between the number of actual basic
6 education certificated teachers and the number of actual basic
7 education certificated instructional staff reported state-wide for the
8 1996-97 school year.

9 (8) Any school district board of directors may petition the

15 than two school years. Any reduction or delay shall have no impact on
16 levy authority pursuant to RCW 84.52.0531 and local effort assistance
17 pursuant to chapter 28A.500 RCW.

18 (9) The superintendent may distribute a maximum of \$6,128,000

30 programs providing skills training for secondary students who are
31 enrolled in extended day school-to-work programs, as approved by the
32 superintendent of public instruction. The funds shall be allocated at
33 a rate not to exceed \$500 per full-time equivalent student enrolled in
34 those programs.

35 (10) For the purposes of RCW 84.52.0531, the increase per full-time
36 equivalent student in state basic education appropriations provided
37 under this act, including appropriations for salary and benefits
38 increases, is 2.3 percent from the 1996-97 school year to the 1997-98

1 school year, and 3.0 percent from the 1997-98 school year to the
2 1998-99 school year.

3 (11) If two or more school districts consolidate and each district
4 was receiving additional basic education formula staff units pursuant
5 to subsection (2) (b) through (h) of this section, the following shall
6 apply:

7 (a) For three school years following consolidation, the number of
8 basic education formula staff units shall not be less than the number
9 of basic education formula staff units received by the districts in the
10 school year prior to the consolidation; and

11 (b) For the fourth through eighth school years following
12 consolidation, the difference between the basic education formula staff
13 units received by the districts for the school year prior to
14 consolidation and the basic education formula staff units after
15 consolidation pursuant to subsection (2) (a) through (h) of this
16 section shall be reduced in increments of twenty percent per year.

23 (a) Salary allocations for certificated instructional staff units
24 shall be determined for each district by multiplying the district's
25 certificated instructional derived base salary shown on LEAP Document

27 special education certificated instructional staff in that school year,
28 computed using LEAP Document 1A; and

29 (b) Salary allocations for certificated administrative staff units
30 and classified staff units for each district shall be based on the

10 instructional staff as developed by the legislative evaluation and
11 accountability program committee on February 25, 1997 at 10:00 hours.

12 (3) Incremental fringe benefit factors shall be applied to salary
13 adjustments at a rate of 19.58 percent for certificated staff and 15.15
