4 providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 82.04 RCW
7 to read as follows:

8 (1) A person whose application has been approved by the department
9 under this section may take a credit against the tax imposed by this
10 chapter, subject to the limitations in this section.

11 (2) The credit under this section shall be equal to the monetary
12 donations made during the calendar year to a public news organization,
13 as defined in section 2 of this act. "Monetary donations" means cash,
14 check, or other equivalent form of donation. In-kind contributions
15 such as services, property, or rights are not monetary donations.
16 Loans or pledges are not monetary donations. The credit must be taken
17 against taxes due for the same calendar year as the monetary donation.
18 The credit taken may not exceed the amount of tax otherwise due under
19 this chapter for the calendar year during which the donation is made.

1 Unused credit expires and may not be carried over to subsequent
2 calendar years. Refunds shall not be given in place of credits. The
3 credit must be claimed by the due date of the last tax return for the
4 calendar year in which the payment is made. Credit shall not be
5 granted for donations made before the effective date of this section.

6 (3) A person claiming the credit shall file an affidavit in a form
7 and manner as required by the department. The affidavit shall be
8 verified by both the donor and the public news organization, and shall
9 include the date and amount of the donation and additional information
10 as the department may require.

11 (4) The department shall keep a running total of credits granted
12 under this section and section 3 of this act during each fiscal year.
13 The department shall deny a credit application when the aggregate
14 amount of credits taken under this section and section 3 of this act by
15 all persons making cash donations to a public news organization exceeds
16 two million dollars during fiscal year 1999, and the amount in
17 subsection (5) of this section thereafter.

18 (5) The department shall adjust for each state fiscal year the
19 aggregate amount in subsection (4) of this section using the implicit
20 price deflator. The adjustment shall be based on the prior year's
21 calendar increase. The implicit price deflator is as published by the
22 federal department of commerce for the United States for each fiscal
23 year.

24 (6) If a person has used a credit granted under this section
25 against tax due under chapter 82.16 RCW, the person may not use the
