28 **PART II**

29 **ADMINISTRATION OF READING ASSESSMENTS**

30 **Sec. 201.** RCW 28A.300.320 and 1997 c 262 s 3 are each amended to  
31 read as follows:

32 (1) The superintendent of public instruction shall create a pilot  
33 project to identify which second grade reading tests selected under RCW  
34 28A.300.310 will be included in the final collection of tests that must  
35 be available by June 30, 1998.

36 (2) Schools and school districts may voluntarily participate in the  
37 second grade reading test pilot projects in the 1997-98 school year.

1 Schools and school districts voluntarily participating in the pilot  
2 project test are not required to have the results available by the fall  
3 parent-teacher conference.

4 (3)(a) Starting in the 1998-99 school year, school districts must  
5 select a test from the collection adopted by the superintendent of  
6 public instruction. Selection must be at the entire school district  
7 level and must remain in place at that school district for at least  
8 three years.

9 (b) The second grade reading test selected by the school district  
10 must be administered annually in the fall beginning with the 1998-99  
11 school year. Students who score substantially below grade level when  
12 tested in the fall shall be tested at least one more time during the  
13 second grade. Test performance deemed to be "substantially below grade  
14 level" is to be determined for each test in the collection by the  
15 superintendent of public instruction during the pilot year of 1997-98.

16 (c) If a student, while taking the test, reaches a point at which  
17 the student's performance will be considered "substantially below grade  
18 level" regardless of the student's performance on the remainder of the  
19 test, the test may be discontinued.

20 (d) Each school must have the test results available by the fall  
21 parent-teacher conference. Schools must notify parents about the  
22 second grade reading test during the conferences, inform the parents of  
23 their students' performance on the test, identify actions the school  
24 intends to take to improve the child's reading skills, and provide  
25 parents with strategies to help the parents improve their child's  
26 score.

27 **Sec. 202.** RCW 28A.230.190 and 1997 c 262 s 5 are each amended to  
28 read as follows:

29 ~~(1) ((Every school district is encouraged to test pupils in grade~~  
30 ~~two by an assessment device designed or selected by the school~~  
31 ~~district. This test shall be used to help teachers in identifying~~  
32 ~~those pupils in need of assistance in the skills of reading, writing,~~  
33 ~~mathematics, and language arts. The test results are not to be~~

35 ~~be used by the local school district.))~~ School districts shall test  
36 students for second grade reading accuracy and fluency skills starting  
37 in the 1998-99 school year as provided in RCW 28A.300.320.

1 (2)(a) The superintendent of public instruction shall prepare and  
2 conduct, with the assistance of school districts, a norm-referenced  
3 standardized achievement test to be given annually to all pupils in  
4 grade (~~four~~) three. The test shall assess students' skill in  
5 reading(~~(7)~~) and mathematics, (~~and language arts~~) and shall focus  
6 upon appropriate input variables. Results of such tests shall be  
7 compiled by the superintendent of public instruction, who shall make  
8 those results available annually to the legislature, to all local  
9 school districts and subsequently to parents of those children tested.  
10 The results shall allow parents to ascertain the achievement levels and  
11 input variables of their children as compared with the other students  
12 within the district, the state and, if applicable, the nation.

13 (b) Students who score substantially below grade level in reading  
14 when tested the first time shall be tested at least one more time in  
15 reading during the third grade. Test performance deemed to be  
16 "substantially below grade level" shall be determined by the  
17 superintendent of public instruction. The results of both reading  
18 tests shall be provided to the students' parents.
