8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

9 **Sec. 1.** RCW 15.58.040 and 1996 c 188 s 4 are each amended to read
10 as follows:

11 (1) The director shall administer and enforce the provisions of
12 this chapter and rules adopted under this chapter. All the authority
13 and requirements provided for in chapter 34.05 RCW (Administrative
14 Procedure Act) and chapter 42.30 RCW shall apply to this chapter in the
15 adoption of rules including those requiring due notice and a hearing
16 for the adoption of permanent rules.

17 (2) The director is authorized to adopt appropriate rules for
18 carrying out the purpose and provisions of this chapter, including but
19 not limited to rules providing for:

1 (a) Declaring as a pest any form of plant or animal life or virus
2 which is injurious to plants, people, animals (domestic or otherwise),
3 land, articles, or substances;

4 (b) Determining that certain pesticides are highly toxic to people.
5 For the purpose of this chapter, highly toxic pesticide means any
6 pesticide that conforms to the criteria in 40 C.F.R. Sec. (~~162.10~~)
7 156.10 for toxicity category I due to oral inhalation or dermal
8 toxicity. The director shall publish a list of all pesticides,
9 determined to be highly toxic, by their common or generic name and
10 their trade or brand name if practical. Such list shall be kept
11 current and shall, upon request, be made available to any interested
12 party;

13 (c) Determining standards for denaturing pesticides by color,
14 taste, odor, or form;

15 (d) The collection and examination of samples of pesticides or
16 devices;

17 (e) The safe handling, transportation, storage, display,
18 distribution, and disposal of pesticides and their containers;

19 (f) Restricting or prohibiting the use of certain types of
20 containers or packages for specific pesticides. These restrictions may
21 apply to type of construction, strength, and/or size to alleviate
22 danger of spillage, breakage, misuse, or any other hazard to the
23 public. The director shall be guided by federal regulations concerning
24 pesticide containers;

25 (g) Procedures in making of pesticide recommendations;

26 (h) Adopting a list of restricted use pesticides for the state or
27 for designated areas within the state if the director determines that
28 such pesticides may require rules restricting or prohibiting their
29 distribution or use. The director may include in the rule the time and
30 conditions of distribution or use of such restricted use pesticides and
31 may, if it is found necessary to carry out the purpose and provisions
32 of this chapter, require that any or all restricted use pesticides
33 shall be purchased, possessed, or used only under permit of the
34 director and under the director's direct supervision in certain areas
35 and/or under certain conditions or in certain quantities or
36 concentrations. The director may require all persons issued such
37 permits to maintain records as to the use of all the restricted use
38 pesticides;

1 (i) Label requirements of all pesticides required to be registered
2 under provisions of this chapter;

3 (j) Regulating the labeling of devices;

4 (k) The establishment of criteria governing the conduct of a
5 structural pest control inspection; and

6 (l) Declaring crops, when grown to produce seed specifically for
7 crop reproduction purposes, to be nonfood and/or nonfeed sites of
8 pesticide application. The director may include in the rule any
9 restrictions or conditions regarding: (i) The application of
10 pesticides to the designated crops; and (ii) the disposition of any
11 portion of the treated crop.

12 (3) For the purpose of uniformity and to avoid confusion
13 endangering the public health and welfare the director may adopt rules
14 in conformity with the primary pesticide standards, particularly as to
15 labeling, established by the United States environmental protection
16 agency or any other federal agency.

17 **Sec. 2.** RCW 15.58.070 and 1995 c 374 s 66 are each amended to read
18 as follows:

19 (1) (~~Except as provided in subsection (4) of this section,~~) Any
20 person desiring to register a pesticide with the department shall pay
21 to the director an annual registration fee for each pesticide

24 ~~calendar year~~) shall be ~~(five)~~ one hundred forty-five dollars

7 ~~need exists shall pay to the director a nonrefundable application fee~~
8 ~~of two hundred dollars upon submission of the registration request. In~~
9 ~~addition, a person desiring to renew an approved special local need~~
10 ~~registration shall pay to the director an annual registration fee of~~

27 in a court of competent jurisdiction in the county in which a violation
28 of this chapter or rules adopted under this chapter is alleged to have
29 occurred for an adjudication of the alleged violation. The court in
30 such action may issue temporary or permanent injunctions mandatory or
31 restraining, and such intermediate orders as it deems necessary or
32 advisable. The court may order condemnation of any pesticide or device
33 which does not meet the requirements of this chapter or rules adopted
34 under this chapter: PROVIDED, That no authority is granted hereunder
35 to affect the sale or use of products on which legally approved
36 pesticides have been legally used.

37 (2) If the pesticide or device is condemned, it shall, after entry

4 without a pesticide dealer manager who has a license of qualification.
5 The department shall be notified forthwith of any change in the
6 pesticide dealer manager designee during the licensing period.

7 (4) This section does not apply to (a) a licensed pesticide
8 applicator who sells pesticides only as an integral part of the

9 NEW SECTION. **Sec. 20.** A new section is added to chapter 17.21 RCW
10 to read as follows:

11 (1) The purpose of this section is to establish a pilot project to
12 evaluate the feasibility of establishing a limited private applicator
13 license to facilitate the control of weeds, especially those defined as
14 noxious weeds, in Washington state.

15 (2) "Limited private applicator" means a certified applicator who
16 uses or is in direct supervision of the use of any herbicide classified
17 by the EPA or the director as a restricted use pesticide, for the sole
18 purpose of controlling weeds on nonproduction agricultural land owned
19 or rented by the applicator or the applicator's employer.
20 Nonproduction agricultural land includes pastures, range land,
21 fencerows, and areas around farm buildings but not aquatic sites. A
22 limited private applicator also may apply restricted use herbicides to
23 nonproduction agricultural land of another person if applied without
24 compensation other than trading of personal services between the
25 applicator and the other person. A limited private applicator may not
26 apply restricted use herbicides through any equipment defined under
27 this chapter as an apparatus.

28 (3) A person may participate in the pilot project by applying to be
29 licensed as a limited private applicator in 1998, 1999, or 2000. The
30 application requirements, fee, and examination requirements for a
31 limited private applicator are the same as for a private applicator.

32 (4)(a) A limited private applicator is exempt from the credit
33 accumulation requirements of RCW 17.21.128(2)(a), and, upon
34 application, begins a recertification period which ends on December 31,
35 2002.

36 (i) Limited private pesticide applicators first applying for a
37 license in 1998 shall accumulate a minimum of ten department-approved
38 credits by the end of the recertification period.

1 (ii) Limited private pesticide applicators first applying for a
2 license in 1999 shall accumulate a minimum of eight department-approved
3 credits by the end of the recertification period.

4 (iii) Limited private pesticide applicators first applying for a
5 license in 2000 shall accumulate a minimum of six department-approved
6 credits by the end of the recertification period.

7 (b) All credits must be applicable to the control of weeds with at
8 least half of the credits directly related to weed control.

9 (5) Any limited private applicator who successfully completes the
10 recertification requirements of this section is deemed to have met the
11 credit accumulation requirements of RCW 17.21.128(2)(a) for private
12 applicators.

13 (6) This section applies only to certified applicators in Ferry and
14 Okanogan counties, Washington and expires December 31, 2002.
