17 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

18 NEW SECTION. **Sec. 1.** The legislature finds and declares that:

1 (1) The health, safety, and welfare of the people of the state of
2 Washington are dependent on the state's ability to properly collect the
3 taxes enacted by the legislature;

4 (2) The current system for collecting special fuel taxes and motor
5 vehicle fuel tax has allowed many parties to fraudulently evade paying
6 the special fuel taxes and motor vehicle fuel tax due the state; and

7 (3) By changing the point of collection of the special fuel taxes
8 and motor vehicle fuel tax from distributors to suppliers, the
9 department of licensing will have fewer parties to collect tax from and
10 enforcement will be enhanced, thus leading to greater revenues for the
11 state.

12 **Sec. 2.** RCW 35A.82.010 and 1995 c 274 s 4 are each amended to read
13 as follows:

14 A code city shall collect, receive and share in the distribution of
15 state collected and distributed excise taxes to the same extent and
16 manner as general laws relating thereto apply to any class of city or
17 town including, but not limited to, funds distributed to cities under
18 RCW 82.36.020 relating to motor vehicle fuel tax, RCW 82.38.290
19 relating to use fuel tax, and RCW 82.36.275 and 82.38.080(~~(+9)~~) (3).

20 **Sec. 3.** RCW 82.04.4285 and 1980 c 37 s 6 are each amended to read
21 as follows:

22 In computing tax there may be deducted from the measure of tax so
23 much of the sale price of motor vehicle fuel as constitutes the amount
24 of tax imposed by the state under chapters 82.36 and 82.38 RCW or the
25 United States government, under 26 U.S.C., Subtitle D, chapters 31 and
26 32, upon the sale thereof.

27 **Sec. 4.** RCW 82.08.0255 and 1983 1st ex.s. c 35 s 2 and 1983 c 108
28 s 1 are each reenacted and amended to read as follows:

29 (1) The tax levied by RCW 82.08.020 shall not apply to sales of:

30 (a) Motor vehicle fuel used in aircraft by the manufacturer thereof
31 for research, development, and testing purposes; and

32 (b) Motor vehicle and special fuel if:

33 (i) The fuel is purchased for the purpose of public transportation
34 and the purchaser is entitled to a refund or an exemption under RCW
35 82.36.275 or 82.38.080(~~(+9)~~) (3); or

1 (ii) The fuel is purchased by a private, nonprofit transportation
2 provider certified under chapter 81.66 RCW and the purchaser is
3 entitled to a refund or an exemption under RCW 82.36.285 or
4 82.38.080(~~(+8+)~~) (1)(h); or

5 (iii) The fuel is taxable under chapter 82.36 or 82.38 RCW.

6 (2) Any person who has paid the tax imposed by RCW 82.08.020 on the
7 sale of special fuel delivered in this state shall be entitled to a
8 credit or refund of such tax with respect to fuel subsequently
9 established to have been actually transported and used outside this
10 state by persons engaged in interstate commerce. The tax shall be
11 claimed as a credit or refunded through the tax reports required under
12 RCW 82.38.150.

13 **Sec. 5.** RCW 82.12.0256 and 1983 1st ex.s. c 35 s 3 and 1983 c 108
14 s 2 are each reenacted and amended to read as follows:

15 The provisions of this chapter shall not apply in respect to the
16 use of:

17 (1) Motor vehicle fuel used in aircraft by the manufacturer thereof
18 for research, development, and testing purposes; and

19 (2) Special fuel purchased in this state upon which a refund is
20 obtained as provided in RCW 82.38.180(2); and

21 (3) Motor vehicle and special fuel if:

22 (a) The fuel is used for the purpose of public transportation and
23 the purchaser is entitled to a refund or an exemption under RCW
24 82.36.275 or 82.38.080(~~(+9+)~~) (3); or

27 entitled to a refund or an exemption under RCW 82.36.285 or
28 82.38.080(~~(+8+)~~) (1)(h); or

29 (c) The fuel is taxable under chapter 82.36 or 82.38 RCW:
30 PROVIDED, That the use of motor vehicle and special fuel upon which a
31 refund of the applicable fuel tax is obtained shall not be exempt under
32 this subsection (3)(c), and the director of licensing shall deduct from
33 the amount of such tax to be refunded the amount of tax due under this
34 chapter and remit the same each month to the department of revenue.

29 ~~the manner provided in RCW 82.36.025 for each gallon of motor vehicle~~
30 ~~fuel sold, distributed, or used by him in the state as well as on each~~
31 ~~gallon upon which he has assumed liability for payment of the tax under~~
32 ~~the provisions of RCW 82.36.100: PROVIDED, That under such regulations~~
33 ~~as the director may prescribe sales or distribution of motor vehicle~~
34 ~~fuel may be made by one licensed distributor to another licensed~~
35 ~~distributor free of the tax. In the computation of the tax, one-~~
36 ~~quarter of one percent of the net gallonage otherwise taxable shall be~~
37 ~~deducted by the distributor before computing the tax due, on account of~~
38 ~~the losses sustained through handling. The tax imposed hereunder shall~~

1 ~~be in addition to any other tax required by law, and shall not be~~
2 ~~imposed under circumstances in which the tax is prohibited by the~~
3 ~~Constitution or laws of the United States. The tax herein imposed~~
4 ~~shall be collected and paid to the state but once in respect to any~~
5 ~~motor vehicle fuel. An invoice shall be rendered by a distributor to~~
6 ~~a purchaser for each distribution of motor vehicle fuel.))~~

7 (1) There is hereby levied and imposed upon motor vehicle fuel
8 users a tax at the rate computed in the manner provided in RCW
9 82.36.025 on each gallon of motor vehicle fuel.

10 (2) The tax imposed by subsection (1) of this section is imposed
11 when any of the following occurs:

13 the motor vehicle fuel is removed at the rack unless the removal is to
14 a licensed exporter for direct delivery to a destination outside of the
15 state;

16 (b) Motor vehicle fuel is removed in this state from a refinery if
17 either of the following applies:

18 (i) The removal is by bulk transfer and the refiner or the owner of
19 the motor vehicle fuel immediately before the removal is not a
20 licensee; or

21 (ii) The removal is at the refinery rack unless the removal is to
22 a licensed exporter for direct delivery to a destination outside of the
23 state;

24 (c) Motor vehicle fuel enters into this state for sale,
25 consumption, use, or storage if either of the following applies:

30 entity unless there was a prior taxable removal, entry, or sale of the
31 motor vehicle fuel;

32 (e) Blended motor vehicle fuel is removed or sold in this state by
33 the blender of the fuel. The number of gallons of blended motor
34 vehicle fuel subject to the tax is the difference between the total
35 number of gallons of blended motor vehicle fuel removed or sold and the
36 number of gallons of previously taxed motor vehicle fuel used to
37 produce the blended motor vehicle fuel.

38 (3) The proceeds of the motor vehicle fuel excise tax collected
39 ((on the net gallonage after the deduction provided for herein and))

1 after the deductions for payments and expenditures as provided in RCW
2 46.68.090((7)) shall be distributed as provided in RCW 46.68.100.

3 NEW SECTION. **Sec. 8.** (1) A position holder shall remit tax to the
4 department on motor vehicle fuel removed from a terminal as provided in
5 RCW 82.36.020(2)(a). On a two-party exchange, or buy-sell agreement
6 between two suppliers, the receiving exchange partner or buyer, becomes
7 the position holder, who shall remit the tax.

9 fuel removed from a refinery as provided in RCW 82.36.020(2)(b).

10 (3) An importer shall remit tax to the department on motor vehicle
11 fuel imported into this state as provided in RCW 82.36.020(2)(c).

13 sale of blended motor vehicle fuel as provided in RCW 82.36.020(2)(e).

14 NEW SECTION. **Sec. 9.** A terminal operator is jointly and severally
15 liable for remitting the tax imposed under RCW 82.36.020(1) if, at the
16 time of removal:

18 a person other than the terminal operator and is not a licensee;

19 (2) The terminal operator is not a licensee;

20 (3) The position holder has an expired internal revenue service
21 notification certificate issued under 26 C.F.R. Part 48; or

22 (4) The terminal operator had reason to believe that information on
23 the notification certificate was false.

24 NEW SECTION. **Sec. 10.** Upon the taxable removal of motor vehicle
25 fuel, the licensee who acquired or removed the motor vehicle fuel,
26 other than a motor vehicle fuel exporter, shall be entitled to a
27 deduction from the tax liability on the gallonage of taxable motor
28 vehicle fuel removed in order to account for handling losses, as
29 follows: For a motor vehicle fuel supplier acting as a distributor,
30 one-quarter of one percent; and for all other licensees, thirty one-
31 hundredths of one percent. For those licensees required to file tax
32 reports, the handling loss deduction shall be reported on tax reports
33 filed with the department. For motor vehicle fuel distributors, the
34 handling loss deduction shall be shown on the invoice provided to the
35 motor vehicle fuel distributor by the seller.

1 NEW SECTION. **Sec. 11.** For the purpose of determining the amount
2 of liability for the tax imposed under this chapter, and to
3 periodically update license information, each licensee, other than a
4 motor vehicle fuel distributor, shall file monthly tax reports with the
5 department, on a form prescribed by the department.

6 A report shall be filed with the department even though no motor
7 vehicle fuel tax is due for the reporting period. Each tax report
8 shall contain a declaration by the person making the same, to the
9 effect that the statements contained therein are true and made under
10 penalties of perjury, which declaration has the same force and effect
11 as a verification of the report and is in lieu of the verification.
12 The report shall show information as the department may require for the
13 proper administration and enforcement of this chapter. Tax reports
14 shall be filed on or before the twenty-fifth day of the next succeeding
15 calendar month following the period to which the reports relate. If
16 the final filing date falls on a Saturday, Sunday, or legal holiday the
17 next secular or business day shall be the final filing date.

18 The department, if it deems it necessary in order to ensure payment
19 of the tax imposed under this chapter, or to facilitate the
20 administration of this chapter, may require the filing of reports and
21 tax remittances at shorter intervals than one month.

22 NEW SECTION. **Sec. 12.** (1) The tax imposed by this chapter shall
23 be computed by multiplying the tax rate per gallon provided in this
24 chapter by the number of gallons of motor vehicle fuel subject to the
25 motor vehicle fuel tax.

26 (2) Except as provided in subsection (3) of this section, tax
27 reports shall be accompanied by a remittance payable to the state
28 treasurer covering the tax amount determined to be due for the
29 reporting period.

30 (3) If the tax is paid by electronic funds transfer, the tax shall
31 be paid on or before the tenth calendar day of the month that is the
32 second month immediately following the reporting period. When the
33 reporting period is May, the tax shall be paid on the last business day
34 of June.

35 (4) The tax shall be paid by electronic funds transfer whenever the
36 amount due is fifty thousand dollars or more.

37 (5) A motor vehicle fuel distributor shall remit tax on motor
38 vehicle fuel purchased from a motor vehicle fuel supplier, and due to

1 the state for that reporting period, to the motor vehicle fuel
2 supplier.

3 (6) At the election of the distributor, the payment of the motor
4 vehicle fuel tax owed on motor vehicle fuel purchased from a supplier
5 shall be remitted to the supplier on terms agreed upon between the
6 distributor and supplier or no later than two business days before the
7 last business day of the following month. This election shall be
8 subject to a condition that the distributor's remittances of all
9 amounts of motor vehicle fuel tax due to the supplier shall be paid by
10 electronic funds transfer. The distributor's election may be
11 terminated by the supplier if the distributor does not make timely
12 payments to the supplier as required by this section. This section
13 shall not apply if the distributor is required by the supplier to pay
14 cash or cash equivalent for motor vehicle fuel purchases.

15 **Sec. 13.** RCW 82.36.032 and 1987 c 174 s 7 are each amended to read
16 as follows:

17 If any ((distributor)) licensee files a fraudulent ((monthly
18 ~~gallonage return~~) tax report with intent to evade the tax imposed by
19 this chapter, there shall be added to the amount of deficiency
20 determined by the department a penalty equal to twenty-five percent of
21 the deficiency, in addition to all other penalties prescribed by law.

22 NEW SECTION. **Sec. 14.** A motor vehicle fuel supplier shall, no
23 later than the twentieth calendar day or next state business day after
24 the motor vehicle fuel tax is due from a motor vehicle fuel distributor
25 under this chapter, notify the department of the failure of a motor
26 vehicle fuel distributor to pay the full amount of the tax owed.

27 Upon notification and submission of satisfactory evidence by a
28 motor vehicle fuel supplier that a motor vehicle fuel distributor has
29 failed to pay the full amount of the tax owed, the department may
30 suspend the license of the motor vehicle fuel distributor.

31 Upon the suspension, the department shall immediately notify all
32 motor vehicle fuel suppliers that the authority of the motor vehicle
33 fuel distributor to purchase tax-deferred motor vehicle fuel has been
34 suspended and all subsequent purchases of motor vehicle fuel by the
35 motor vehicle fuel distributor must be tax-paid at the time of removal.

36 If, after notification by the department, a motor vehicle fuel
37 supplier continues to sell tax-deferred motor vehicle fuel to a motor

1 vehicle fuel distributor whose license is suspended, the motor vehicle
2 fuel supplier's license is subject to revocation or suspension under
3 RCW 82.36.190. Furthermore, if notified of a license suspension, a
4 motor vehicle fuel supplier is liable for any unpaid motor vehicle fuel
5 tax owed on motor vehicle fuel sold to a suspended motor vehicle fuel
6 distributor.

7 NEW SECTION. **Sec. 15.** A motor vehicle fuel supplier is entitled
8 to a credit of the tax paid over to the department on those sales of
9 motor vehicle fuel for which the supplier has received no consideration
10 from or on behalf of the purchaser. The amount of the tax credit shall
11 not exceed the amount of tax imposed by this chapter on such sales.
12 Such credit may be taken on a tax return subsequent to the tax return
13 on which the tax was paid over to the department. If a credit has been
14 granted under this section, any amounts collected for application
15 against accounts on which such a credit is based shall be reported on
16 a subsequent tax return filed after such collection, and the amount of
17 credit received by the supplier based upon the collected amount shall
18 be returned to the department. In the event the credit has not been
19 paid, the amount of the credit requested by the supplier shall be
20 adjusted by the department to reflect the decrease in the amount on
21 which the claim is based.

22 **Sec. 16.** RCW 82.36.045 and 1996 c 104 s 2 are each amended to read
23 as follows:

24 (1) If the department determines that the tax reported by a ((motor
25 vehicle fuel distributor)) licensee is deficient, the department shall
26 assess the deficiency on the basis of information available to it, and
27 shall add a penalty of two percent of the amount of the deficiency.

28 (2) If a ((distributor, whether licensed or not licensed))
29 licensee, or person acting as such, fails, neglects, or refuses to file
30 a motor vehicle fuel tax report the department shall, on the basis of
31 information available to it, determine the tax liability of the
32 ((distributor)) licensee or person for the period during which no
33 report was filed. The department shall add the penalty provided in
34 subsection (1) of this section to the tax. An assessment made by the
35 department under this subsection or subsection (1) of this section is
36 presumed to be correct. In any case, where the validity of the
37 assessment is questioned, the burden is on the person who challenges

1 the assessment to establish by a fair preponderance of evidence that it
2 is erroneous or excessive, as the case may be.

3 (3) If a (~~distributor~~) licensee or person acting as such files a
4 false or fraudulent report with intent to evade the tax imposed by this
5 chapter, the department shall add to the amount of deficiency a penalty
6 equal to twenty-five percent of the deficiency, in addition to the
7 penalty provided in subsections (1) and (2) of this section and all
8 other penalties prescribed by law.

9 (4) Motor vehicle fuel tax, penalties, and interest payable under
10 this chapter bears interest at the rate of one percent per month, or
11 fraction thereof, from the first day of the calendar month after the
12 amount or any portion of it should have been paid until the date of
13 payment. If a (~~distributor~~) licensee or person acting as such
14 establishes by a fair preponderance of evidence that the failure to pay
15 the amount of tax due was attributable to reasonable cause and was not
16 intentional or willful, the department may waive the penalty. The
17 department may waive the interest when it determines the cost of
18 processing or collection of the interest exceeds the amount of interest
19 due.

20 (5) Except in the case of a fraudulent report, neglect or refusal
21 to make a report, or failure to pay or to pay the proper amount, the
22 department shall assess the deficiency under subsection (1) or (2) of
23 this section within five years from the last day of the succeeding
24 calendar month after the reporting period for which the amount is
25 proposed to be determined or within five years after the return is
26 filed, whichever period expires later.

27 (6) Except in the case of violations of filing a false or
28 fraudulent report, if the department deems mitigation of penalties and
29 interest to be reasonable and in the best interest of carrying out the
30 purpose of this chapter, it may mitigate such assessments upon whatever
31 terms the department deems proper, giving consideration to the degree
32 and extent of the lack of records and reporting errors. The department
33 may ascertain the facts regarding recordkeeping and payment penalties
34 in lieu of more elaborate proceedings under this chapter.

35 (7) A (~~distributor~~) licensee or person acting as such against
36 whom an assessment is made under subsection (1) or (2) of this section
37 may petition for a reassessment within thirty days after service upon
38 the (~~distributor~~) licensee of notice of the assessment. If the

1 petition is not filed within the thirty-day period, the amount of the
2 assessment becomes final at the expiration of that period.

3 If a petition for reassessment is filed within the thirty-day
4 period, the department shall reconsider the assessment and, if the
5 ((~~distributor~~)) petitioner has so requested in its petition, shall
6 grant the ((~~distributor~~)) petitioner an oral hearing and give the
7 ((~~distributor~~)) petitioner twenty days' notice of the time and place of
8 the hearing. The department may continue the hearing from time to
9 time. The decision of the department upon a petition for reassessment
10 becomes final thirty days after service of notice upon the
11 ((~~distributor~~)) petitioner.

12 An assessment made by the department becomes due and payable when
13 it becomes final. If it is not paid to the department when due and
14 payable, the department shall add a penalty of ten percent of the
15 amount of the tax.

16 (8) In a suit brought to enforce the rights of the state under this
17 chapter, the assessment showing the amount of taxes, penalties,
18 interest, and cost unpaid to the state is prima facie evidence of the
19 facts as shown.

20 (9) A notice of assessment required by this section must be served
21 personally or by certified or registered mail. If it is served by
22 mail, service shall be made by deposit of the notice in the United
23 States mail, postage prepaid, addressed to the ((~~distributor~~))
24 respondent at the most current address furnished to the department.

25 (10) The tax ((~~required~~)) imposed by this chapter, if required to
26 be collected by the seller, is held in trust by the ((~~seller~~)) licensee
27 until paid to the department, and a ((~~seller~~)) licensee who
28 appropriates or converts the tax collected to his or her own use or to
29 any use other than the payment of the tax to the extent that the money
30 required to be collected is not available for payment on the due date
31 as prescribed in this chapter is guilty of a felony, or gross
32 misdemeanor in accordance with the theft and anticipatory provisions of
33 Title 9A RCW. A person, partnership, corporation, or corporate officer
34 who fails to collect the tax imposed by this section, or who has
35 collected the tax and fails to pay it to the department in the manner
36 prescribed by this chapter, is personally liable to the state for the
37 amount of the tax.

1 **Sec. 17.** RCW 82.36.047 and 1991 c 339 s 4 are each amended to read
2 as follows:

3 When an assessment becomes final in accordance with this chapter,
4 the department may file with the clerk of any county within the state
5 a warrant in the amount of the assessment of taxes, penalties,
6 interest, and a filing fee of five dollars. The clerk of the county in
7 which the warrant is filed shall immediately designate a superior court
8 cause number for the warrant, and the clerk shall cause to be entered
9 in the judgment docket under the superior court cause number assigned
10 to the warrant the name of the (~~distributor~~) licensee or person
11 mentioned in the warrant, the amount of the tax, penalties, interest,
12 and filing fee, and the date when the warrant was filed. The aggregate
13 amount of the warrant as docketed becomes a lien upon the title to and
14 interest in all real and personal property of the named person against
15 whom the warrant is issued, the same as a judgment in a civil case duly
16 docketed in the office of the clerk. The warrant so docketed is
17 sufficient to support the issuance of writs of execution and writs of
18 garnishment in favor of the state in the manner provided by law in the
19 case of a civil judgment, wholly or partially unsatisfied. The clerk
20 of the court is entitled to a filing fee of five dollars.

21 **Sec. 18.** RCW 82.36.060 and 1996 c 104 s 3 are each amended to read
22 as follows:

23 (~~Every person, before becoming a distributor or continuing in~~
24 ~~business as a distributor, shall make~~) (1) An application (~~to the~~
25 ~~department~~) for a license (~~authorizing the applicant to engage in~~
26 ~~business as a distributor. Applications for such licenses~~) issued
27 under this chapter shall be made to the department on forms to be
28 furnished by the department and shall contain such information as the
29 department deems necessary.

30 (2) Every application for a (~~distributor's~~) license must contain
31 the following information to the extent it applies to the applicant:

32 (~~(1)~~) (a) Proof as the department may require concerning the
33 applicant's identity, including but not limited to his or her
34 fingerprints or those of the officers of a corporation making the
35 application;

36 (~~(2)~~) (b) The applicant's form and place of organization
37 including proof that the individual, partnership, or corporation is
38 licensed to do business in this state;

1 (~~(3)~~) (c) The qualification and business history of the applicant
2 and any partner, officer, or director;

3 (~~(4)~~) (d) The applicant's financial condition or history
4 including a bank reference and whether the applicant or any partner,
5 officer, or director has ever been adjudged bankrupt or has an
6 unsatisfied judgment in a federal or state court;

7 (~~(5)~~) (e) Whether the applicant has been adjudged guilty of a
8 crime that directly relates to the business for which the license is
9 sought and the time elapsed since the conviction is less than ten
10 years, or has suffered a judgment within the preceding five years in a
11 civil action involving fraud, misrepresentation, or conversion and in
12 the case of a corporation or partnership, all directors, officers, or
13 partners.

14 (3) An applicant for a license as a motor vehicle fuel importer
15 must list on the application each state, province, or country from
16 which the applicant intends to import motor vehicle fuel and, if
17 required by the state, province, or country listed, must be licensed or
18 registered for motor vehicle fuel tax purposes in that state, province,
19 or country.

20 (4) An applicant for a license as a motor vehicle fuel exporter
21 must list on the application each state, province, or country to which
22 the exporter intends to export motor vehicle fuel received in this
23 state by means of a transfer outside of the bulk transfer-terminal
24 system and, if required by the state, province, or country listed, must
25 be licensed or registered for motor vehicle fuel tax purposes in that
26 state, province, or country.

27 (5) An applicant for a license as a motor vehicle fuel supplier
28 must have a federal certificate of registry that is issued under the
29 internal revenue code and authorizes the applicant to enter into
30 federal tax-free transactions on motor vehicle fuel in the terminal
31 transfer system.

32 (6) After receipt of an application for a license, the director may
33 conduct an investigation to determine whether the facts set forth are
34 true. The director (~~may~~) shall require a fingerprint record check of
35 the applicant through the Washington state patrol criminal
36 identification system and the federal bureau of investigation before
37 issuance of a license. The results of the background investigation
38 including criminal history information may be released to authorized
39 department personnel as the director deems necessary. The department

1 shall charge a license holder or license applicant a fee of fifty
2 dollars for each background investigation conducted.

3 An applicant who makes a false statement of a material fact on the
4 application may be prosecuted for false swearing as defined by RCW
5 9A.72.040.

6 Before granting any license (~~((authorizing any person to engage in
7 business as a distributor))~~) issued under this chapter, the department
8 shall require applicant to file with the department, in such form as
9 shall be prescribed by the department, a corporate surety bond duly
10 executed by the applicant as principal, payable to the state and
11 conditioned for faithful performance of all the requirements of this
12 chapter, including the payment of all taxes, penalties, and other
13 obligations arising out of this chapter. The total amount of the bond
14 or bonds(~~((, required of any distributor))~~) shall be fixed by the
15 department and may be increased or reduced by the department at any
16 time subject to the limitations herein provided. In fixing the total
17 amount of the bond or bonds (~~((required of any distributor))~~), the
18 department shall require a bond or bonds equivalent in total amount to
19 twice the estimated monthly excise tax determined in such manner as the
20 department may deem proper. If at any time the estimated excise tax to
21 become due during the succeeding month amounts to more than fifty
22 percent of the established bond, the department shall require
23 additional bonds or securities to maintain the marginal ratio herein
24 specified or shall demand excise tax payments to be made weekly or
25 semimonthly to meet the requirements hereof.

26 The total amount of the bond or bonds required of any
27 (~~((distributor))~~) licensee shall never be less than five thousand dollars
28 nor more than (~~((fifty))~~) one hundred thousand dollars.

29 No recoveries on any bond or the execution of any new bond shall
30 invalidate any bond and no revocation of any license shall effect the
31 validity of any bond but the total recoveries under any one bond shall
32 not exceed the amount of the bond.

33 In lieu of any such bond or bonds in total amount as herein fixed,
34 a (~~((distributor))~~) licensee may deposit with the state treasurer, under
35 such terms and conditions as the department may prescribe, a like
36 amount of lawful money of the United States or bonds or other
37 obligations of the United States, the state, or any county of the
38 state, of an actual market value not less than the amount so fixed by
39 the department.

1 Any surety on a bond furnished by a ~~((distributor))~~ licensee as
2 provided herein shall be released and discharged from any and all
3 liability to the state accruing on such bond after the expiration of
4 thirty days from the date upon which such surety has lodged with the
5 department a written request to be released and discharged, but this
6 provision shall not operate to relieve, release, or discharge the
7 surety from any liability already accrued or which shall accrue before
8 the expiration of the thirty day period. The department shall
9 promptly, upon receiving any such request, notify the ~~((distributor))~~
10 licensee who furnished the bond; and unless the ~~((distributor))~~
11 licensee, on or before the expiration of the thirty day period, files
12 a new bond, or makes a deposit in accordance with the requirements of
13 this section, the department shall forthwith cancel the
14 ~~((distributor's))~~ license. Whenever a new bond is furnished by a
15 ~~((distributor))~~ licensee, the department shall cancel ~~((his or her))~~
16 the old bond as soon as the department and the attorney general are
17 satisfied that all liability under the old bond has been fully
18 discharged.

19 The department may require a ~~((distributor))~~ licensee to give a new
20 or additional surety bond or to deposit additional securities of the
21 character specified in this section if, in its opinion, the security of
22 the surety bond theretofore filed by such ~~((distributor))~~ licensee, or
23 the market value of the properties deposited as security by the
24 ~~((distributor))~~ licensee, shall become impaired or inadequate; and upon
25 the failure of the ~~((distributor))~~ licensee to give such new or
26 additional surety bond or to deposit additional securities within
27 thirty days after being requested so to do by the department, the
28 department shall forthwith cancel his or her license.

29 **Sec. 19.** RCW 82.36.070 and 1996 c 104 s 4 are each amended to read
30 as follows:

31 The application in proper form having been accepted for filing, the
32 filing fee paid, and the bond or other security having been accepted
33 and approved, the department shall issue to the applicant ~~((a))~~ the
34 appropriate license ~~((to transact business as a distributor in the~~
35 ~~state))~~, and such license shall be valid until canceled or revoked.

36 The license so issued by the department shall not be assignable,
37 and shall be valid only for the ~~((distributor))~~ person in whose name
38 issued.

1 (~~The department shall keep and file all applications and bonds~~
2 ~~with an alphabetical index thereof, together with a record of all~~
3 ~~licensed distributors.~~)

4 Each ~~((distributor))~~ licensee shall be assigned a license number
5 ~~((upon qualifying for a license hereunder))~~, and the department shall
6 issue to each ~~((such))~~ licensee a license certificate which shall be
7 displayed conspicuously ~~((by the distributor))~~ at his or her principal
8 place of business. The department may refuse to issue or may revoke a
9 motor vehicle fuel ~~((distributor))~~ license, to a person:

10 (1) Who formerly held a motor vehicle fuel ~~((distributor's))~~
11 license that, before the time of filing for application, has been
12 revoked or canceled for cause;

13 (2) Who is a subterfuge for the real party in interest whose
14 license has been revoked or canceled for cause;

15 (3) Who, as an individual licensee or officer, director, owner, or
16 managing employee of a nonindividual licensee, has had a motor vehicle
17 fuel ~~((distributor))~~ license revoked or canceled for cause;

18 (4) Who has an unsatisfied debt to the state assessed under either
19 chapter 82.36, ~~((82.37))~~ 82.38, 82.42, or 46.87 RCW;

20 (5) Who formerly held as an individual, officer, director, owner,
21 managing employee of a nonindividual licensee, or subterfuge for a real
22 party in interest, a license issued by the federal government or a
23 state that allowed a person to buy or sell untaxed motor vehicle or
24 special fuel, which license, before the time of filing for application,
25 has been revoked for cause;

26 (6) Who pled guilty to or was convicted as an individual, corporate
27 officer, director, owner, or managing employee in this or any other
28 state or in any federal jurisdiction of a gross misdemeanor or felony
29 crime directly related to the business or has been subject to a civil
30 judgment involving fraud, misrepresentation, conversion, or dishonesty,
31 notwithstanding chapter 9.96A RCW;

32 (7) Who misrepresented or concealed a material fact in obtaining a
33 license or in reinstatement thereof;

34 (8) Who violated a statute or administrative rule regulating fuel
35 taxation or distribution;

36 (9) Who failed to cooperate with the department's investigations
37 by:

38 (a) Not furnishing papers or documents;

1 (b) Not furnishing in writing a full and complete explanation
2 regarding a matter under investigation by the department; or

3 (c) Not responding to subpoenas issued by the department, whether
4 or not the recipient of the subpoena is the subject of the proceeding;

5 (10) Who failed to comply with an order issued by the director; or

6 (11) Upon other sufficient cause being shown.

7 Before such a refusal or revocation, the department shall grant the
8 applicant a hearing and shall give the applicant at least twenty days'
9 written notice of the time and place of the hearing.

10 For the purpose of considering an application for a
11 (~~distributor's~~) license issued under this chapter, the department may
12 inspect, cause an inspection, investigate, or cause an investigation of
13 the records of this or any other state or of the federal government to
14 ascertain the veracity of the information on the application form and
15 the applicant's criminal and licensing history.

16 The department may, in the exercise of reasonable discretion,
17 suspend a motor vehicle (~~distributor~~) fuel license at any time before
18 and pending such a hearing for unpaid taxes or reasonable cause.

19 **Sec. 20.** RCW 82.36.080 and 1961 c 15 s 82.36.080 are each amended
20 to read as follows:

21 (1) It shall be unlawful for any person to (~~be a distributor~~
22 ~~without first securing a license from the director~~) engage in business
23 in this state as any of the following unless the person is the holder
24 of an uncanceled license issued by the department authorizing the
25 person to engage in that business:

26 (a) Motor vehicle fuel supplier;

27 (b) Motor vehicle fuel distributor;

28 (c) Motor vehicle fuel exporter;

29 (d) Motor vehicle fuel importer; or

30 (e) Motor vehicle fuel blender.

31 (2) A person engaged in more than one activity for which a license
32 is required must have a separate license classification for each
33 activity, but a motor vehicle fuel supplier is not required to obtain
34 a separate license classification for any other activity for which a
35 license is required.

36 (3) If any person (~~becomes~~) acts as a (~~distributor~~) licensee
37 without first securing the license required herein the excise tax shall
38 be immediately due and payable on account of all motor vehicle fuel

1 distributed or used by ~~((him))~~ the person. The director shall proceed
2 forthwith to determine from the best available sources, the amount of
3 the tax, and ~~((he))~~ the director shall immediately assess the tax in
4 the amount found due, together with a penalty of one hundred percent of
5 the tax, and shall make ~~((his))~~ a certificate of such assessment and
6 penalty. In any suit or proceeding to collect the tax or penalty, or
7 both, such certificate shall be prima facie evidence that the person
8 therein named is indebted to the state in the amount of the tax and
9 penalty therein stated. Any tax or penalty so assessed may be
10 collected in the manner prescribed in this chapter with reference to
11 delinquency in payment of the tax or by an action at law, which the
12 attorney general shall commence and prosecute to final determination at
13 the request of the director. The foregoing remedies of the state shall
14 be cumulative and no action taken pursuant to this section shall
15 relieve any person from the penal provisions of this chapter.

16 **Sec. 21.** RCW 82.36.090 and 1967 c 153 s 2 are each amended to read
17 as follows:

18 ~~((Whenever a distributor))~~ A licensee who ceases to engage in
19 business ~~((as a distributor))~~ within the state by reason of the
20 discontinuance, sale, or transfer of ~~((his))~~ the business~~((, he))~~ shall
21 notify the director in writing at the time the discontinuance, sale, or
22 transfer takes effect. Such notice shall give the date of
23 discontinuance, and, in the event of a sale or transfer of the
24 business, the date thereof and the name and address of the purchaser or
25 transferee thereof. All taxes, penalties, and interest under this
26 chapter, not yet due and payable, shall become due and payable
27 concurrently with such discontinuance, sale, or transfer, and any such
28 ~~((distributor))~~ licensee shall make a report and pay all such taxes,
29 interest, and penalties, and surrender to the director the license
30 certificate theretofore issued to him or her.

31 If an overpayment of tax was made by the ~~((distributor))~~ licensee,
32 prior to the discontinuance or transfer of his or her business, such
33 overpayment may be refunded to such ~~((distributor or may be credited to~~
34 ~~the transferee of such business if such transferee qualifies as a~~
35 ~~distributor under the provisions of this chapter))~~ licensee.

36 **Sec. 22.** RCW 82.36.100 and 1983 1st ex.s. c 49 s 28 are each
37 amended to read as follows:

1 Every person other than a ~~((distributor))~~ licensee who acquires any
2 motor vehicle fuel within this state upon which payment of tax is
3 required under the provisions of this chapter, or imports such motor
4 vehicle fuel into this state and sells, distributes, or in any manner
5 uses it in this state shall, if the tax has not been paid, apply for a
6 license to carry on such activities, ~~((file bond, make reports,))~~
7 comply with all ~~((regulations))~~ the ~~((director may prescribe in respect~~
8 ~~thereto))~~ provisions of this chapter, and pay an excise tax at the rate
9 computed in the manner provided in RCW 82.36.025 for each gallon
10 thereof so sold, distributed, or used during the fiscal year for which
11 such rate is applicable ~~((in the manner provided for distributors, and~~
12 ~~the director shall issue a license to such person in the manner~~
13 ~~provided for issuance of licenses to distributors))~~. The proceeds of
14 the tax imposed by this section shall be distributed in the manner
15 provided for the distribution of the motor vehicle fuel excise tax in
16 RCW 82.36.020. ~~((However, a distributor licensed under this chapter~~
17 ~~may deliver motor vehicle fuel to an importer in individual quantities~~
18 ~~of five hundred gallons or less and assume the liability for payment of~~
19 ~~the tax to this state. Under such conditions, the importer is exempt~~
20 ~~from the requirements of this section.))~~ For failure to comply with
21 this chapter such person is subject to the same penalties imposed upon
22 ~~((distributors))~~ licensees. The director shall pursue against such
23 persons the same procedure and remedies for audits, adjustments,
24 collection, and enforcement of this chapter as is provided with respect
25 to ~~((distributors))~~ licensees. Nothing in this section may be
26 construed as classifying such persons as ~~((distributors))~~ licensees.

27 **Sec. 23.** RCW 82.36.120 and 1994 c 262 s 21 are each amended to
28 read as follows:

29 If a ~~((distributor))~~ licensee is delinquent in the payment of an
30 obligation imposed under this chapter, the department may give notice
31 of the amount of the delinquency by registered or certified mail to all
32 persons having in their possession or under their control any credits
33 or other personal property belonging to such ~~((distributor))~~ licensee,
34 or owing any debts to such ~~((distributor))~~ licensee at the time of
35 receipt by them of such notice. Upon service, the notice and order to
36 withhold and deliver constitutes a continuing lien on property of the
37 taxpayer. The department shall include in the caption of the notice to
38 withhold and deliver "continuing lien." The effective date of a notice

1 to withhold and deliver served under this section is the date of
2 service of the notice. A person so notified shall neither transfer nor

2 as follows:

3 Every (~~distributor~~) licensee shall maintain in the office of his
4 or her principal place of business in this state, for a period of five

7 prescribe, together with invoices, bills of lading, and other pertinent

11 for a period of two years a record of motor vehicle fuels received, the
12 amount of tax paid to the (~~distributor~~) licensee as part of the
13 purchase price, together with delivery tickets, invoices, and bills of

21 NEW SECTION. **Sec. 29.** The department may require a person other
22 than a licensee engaged in the business of selling, purchasing,
23 distributing, storing, transporting, or delivering motor vehicle fuel
24 to submit periodic reports to the department regarding the disposition
25 of the fuel. The reports must be on forms prescribed by the department

34 examinations or investigations disclose that any reports of
35 (~~distributors of motor vehicle fuel~~) licensees theretofore filed with
36 the director pursuant to the requirements of this chapter have shown

1 incorrectly the gallonage of motor vehicle fuel distributed or the tax
2 accruing thereon, the director may make such changes in subsequent
3 reports and payments of such ~~((distributors))~~ licensees as ~~((he may~~
4 ~~deem))~~ deemed necessary to correct the errors disclosed.

17 provision of this chapter. The department shall mail by registered
18 mail addressed to such ~~((distributor))~~ licensee at ~~((his))~~ the last
19 known address a notice of intention to cancel, which notice shall give
20 the reason for cancellation. The cancellation shall become effective
21 without further notice if within ten days from the mailing of the
22 notice the ~~((distributor))~~ licensee has not made good his or her
23 default or delinquency.

24 The department may cancel any license issued to any ~~((distributor))~~
25 licensee, such cancellation to become effective sixty days from the
26 date of receipt of the written request of such ~~((distributor))~~ licensee
27 for cancellation thereof, and the department may cancel the license of
28 any ~~((distributor))~~ licensee upon investigation and sixty days notice
29 mailed to the last known address of such ~~((distributor))~~ licensee if
30 the department ascertains and finds that the person to whom the license
31 was issued is no longer engaged in ~~((the))~~ business ~~((of a~~
32 ~~distributor))~~, and has not been so engaged for the period of six months
33 prior to such cancellation. No license shall be canceled upon the
34 request of any ~~((distributor))~~ licensee unless the ~~((distributor))~~
35 licensee, prior to the date of such cancellation, pays to the state all
36 taxes imposed by the provisions of this chapter, together with all
37 penalties accruing by reason of any failure on the part of the

1 ((distributor)) licensee to make accurate reports or pay said taxes and
2 penalties.

8 ((distributor)) licensee to make accurate reports or pay said taxes and
9 penalties, the department shall cancel the bond filed by the
10 ((distributor)) licensee.

11 **Sec. 32.** RCW 82.36.200 and 1965 ex.s. c 79 s 7 are each amended to
12 read as follows:

13 The director or ((his)) authorized agents may at any time during
14 normal business hours examine the records, stocks, facilities and
15 equipment of any person engaged in the transportation of motor vehicle
16 fuel within the state of Washington for the purpose of checking
17 shipments or use of motor vehicle fuel, detecting diversions thereof or
18 evasion of taxes on same in enforcing the provisions of this chapter.

34 (~~and offer~~) for inspection such invoice, bill of sale, or other
35 statement and shall permit such official to inspect and gauge the
36 contents of the vehicle. (~~If the hauler fails to produce the invoice,~~
37 ~~bill of sale, or other statement, or if when produced it fails to~~

1 disclose the aforesaid information, the officer or other person
2 authorized to make inquiry, shall take and impound the motor vehicle
3 fuel together with the conveying equipment until the tax on the motor
4 vehicle fuel, together with penalty equal to one hundred percent of the
5 tax, and other expenses, charges, and costs have been paid. In case of
6 default, and the taking and impounding herein provided for, the tax,
7 damages, and costs shall be collected, even though the full excise tax
8 may have already been paid on the motor vehicle fuel. In case the tax,
9 damages and other charges are not paid within forty eight hours after
10 the taking of said property, the director may proceed to sell it in the
11 mode and manner provided by law for the sale of personal property under
12 execution.))

19 a ((qualified distributor)) licensee nor to any motor vehicle fuel sold
20 by a ((qualified distributor)) licensee to the armed forces of the
21 United States or to the national guard for use exclusively in ships or
22 for export from this state. The ((distributor)) licensee shall report
23 such imports, exports and sales to the department at such times, on
24 such forms, and in such detail as the department may require, otherwise
25 the exemption granted in this section is null and void, and all fuel
26 shall be considered distributed in this state fully subject to the
27 provisions of this chapter. Each invoice covering exempt sales shall
28 have the statement "Ex Washington Motor Vehicle Fuel Tax" clearly
29 marked thereon.

30 To claim any exemption from taxes under this section on account of
31 sales by a ((licensed distributor)) licensee of motor vehicle fuel for
32 export, the purchaser shall obtain from the selling ((distributor))
33 licensee, and such selling ((distributor)) licensee must furnish the
34 purchaser, an invoice giving such details of the sale for export as the
35 department may require, copies of which shall be furnished the
36 department and the entity of the state or foreign jurisdiction of
37 destination which is charged by the laws of that state or foreign
38 jurisdiction with the control or monitoring, or both, of the sales or

14 provisions of this section exempting motor vehicle fuel sold to the
15 armed forces of the United States or to the national guard from the tax

17 contractors purchasing such fuel either for their own account or as the
18 agents of the United States or the national guard for use in the
19 performance of contracts with the armed forces of the United States or
20 the national guard.

21 The department may at any time require of any ~~((distributor))~~
22 licensee any information the department deems necessary to determine
23 the validity of the claimed exemption, and failure to supply such data
24 will constitute a waiver of all right to the exemption claimed. The
25 department is hereby empowered with full authority to promulgate rules
26 and regulations and to prescribe forms to be used by ~~((distributors))~~
27 licensees in reporting to the department so as to prevent evasion of
28 the tax imposed by this chapter.

1 entitled to the same under the provisions of this chapter shall be
2 guilty of a gross misdemeanor.

3 **Sec. 40.** RCW 82.36.335 and 1997 c 183 s 8 are each amended to read
4 as follows:

5 In lieu of the collection and refund of the tax on motor vehicle
6 fuel used by a ((distributor)) licensee in such a manner as would
7 entitle a purchaser to claim refund under this chapter, credit may be
8 given the ((distributor)) licensee upon the ((distributor's))
9 licensee's tax return in the determination of the amount of the
10 ((distributor's)) licensee's tax. Payment credits shall not be carried
11 forward and applied to subsequent tax returns.

12 **Sec. 41.** RCW 82.36.350 and 1961 c 15 s 82.36.350 are each amended
13 to read as follows:

14 If upon investigation the director determines that any claim has

18 a period not to exceed one year.

19 **Sec. 42.** RCW 82.36.370 and 1967 c 153 s 5 are each amended to read

35 (3) Recovery for such loss or destruction under either subsection
36 (1) or (2) must be susceptible to positive proof thereby enabling the

1 director to conduct such investigation and require such information as
2 ((he)) the director may deem necessary.

3 In the event that the director is not satisfied that the fuel was
4 lost or destroyed as claimed, wherefore required information or proof
5 as required hereunder is not sufficient to substantiate the accuracy of
6 the claim, ((he)) the director may deem as sufficient cause the denial
7 of all right relating to the refund or credit for the excise tax on
8 motor vehicle fuel alleged to be lost or destroyed.

9 NEW SECTION. **Sec. 43.** A motor vehicle fuel distributor, motor
10 vehicle fuel importer, or motor vehicle fuel blender, under rules

28 ((distributor)) licensee, pursuant to the provisions of RCW 82.36.090,
29 must be so taken within ((three)) five years after the date on which
30 the overpayment was made to the state. Failure to take such credit or
31 claim such refund within the time prescribed in this section shall
32 constitute waiver of any and all demands against this state on account
33 of overpayment hereunder.

34 Except in the case of a fraudulent report or neglect or refusal to
35 make a report every notice of additional tax, penalty or interest
36 assessed hereunder shall be served on the ((distributor)) licensee

1 within ((three)) five years from the date upon which such additional
2 taxes became due.

12 ~~worthless accounts receivable, and which have been claimed as bad debts~~
13 ~~for federal income tax purposes))~~). The amount of the tax (~~((refunded))~~)
14 credit shall not exceed the amount of tax imposed by this chapter on

32 accounts receivable. The amount of the tax refunded must not exceed
33 the amount of tax paid by the special fuel distributor, special fuel
34 importer, or special fuel blender paid under this chapter. If the
35 special fuel distributor, special fuel importer, or special fuel
36 blender subsequently collects any amount from the account declared
37 worthless, the amount collected shall be apportioned between the

1 charges for the fuel and tax thereon. The special fuel tax collected
2 must be returned to the department.

8 (B) "Forwarding agent" means a person or firm engaged in the
9 business of preparing property for shipment or arranging for its
10 shipment.

11 (3) Notwithstanding any provision of law to the contrary, every
12 urban passenger transportation system and carriers as defined by
13 chapters 81.68 and 81.70 RCW shall be exempt from the provisions of
14 this chapter requiring the payment of special fuel taxes. For the
15 purposes of this section "urban passenger transportation system" means
16 every transportation system, publicly or privately owned, having as its
17 principal source of revenue the income from transporting persons for
18 compensation by means of motor vehicles and/or trackless trolleys, each
19 having a seating capacity for over fifteen persons over prescribed
20 routes in such a manner that the routes of such motor vehicles and/or
21 trackless trolleys, either alone or in conjunction with routes of other
22 such motor vehicles and/or trackless trolleys subject to routing by the

29 trip is more than twenty-five road miles beyond the corporate limits of
30 the county in which said trip originated.

31 **Sec. 61.** RCW 82.38.090 and 1995 c 20 s 13 are each amended to read
32 as follows:

33 (1) It shall be unlawful for any person to (~~act as a special fuel~~
34 ~~dealer or a special fuel user~~) engage in business in this state as any
35 of the following unless (~~such~~) the person is the holder of an
36 uncanceled (~~special fuel dealer's or a special fuel user's~~) license
37 issued to him or her by the department(~~-~~

1 A special fuel dealer's license authorizes a person to deliver
2 previously untaxed special fuel into the fuel supply tanks of motor
3 vehicles, collect the special fuel tax on behalf of the state at the
4 time of delivery, and remit the taxes collected to the state as
5 provided herein. A licensed special fuel dealer may also deliver
6 untaxed special fuel into bulk storage facilities of a licensed special
7 fuel user or dealer without collecting the special fuel tax. Special
8 fuel dealers, when making deliveries of special fuel into bulk storage
9 to any person not holding a valid special fuel license, must collect
10 the special fuel tax at time of delivery, unless the person to whom the
11 delivery is made is specifically exempted from the tax as provided
12 herein.

13 A special fuel user's license authorizes a person to purchase
14 special fuel into bulk storage for use in motor vehicles either on or
15 off the public highways of this state without payment of the special
16 fuel tax at time of purchase. Holders of special fuel licenses are all
17 subject to the bonding, reporting, tax payment, and record keeping
18 provisions of this chapter. All purchases of special fuel by a
19 licensed special fuel user directly into the fuel supply tank of a
20 motor vehicle are subject to the special fuel tax at time of purchase.
21 Special authorization may be given to farmers, logging companies, and
22 construction companies to purchase special fuel directly into the
23 supply tanks of nonhighway equipment or into portable slip tanks for
24 nonhighway use without payment of the special fuel tax.)) authorizing
25 the person to engage in that business:

- 26 (a) Special fuel supplier;
- 27 (b) Special fuel distributor;
- 28 (c) Special fuel exporter;
- 29 (d) Special fuel importer;
- 30 (e) Special fuel blender;
- 31 (f) Dyed special fuel user; or
- 32 (g) International fuel tax agreement licensee.

33 (2) A person engaged in more than one activity for which a license
34 is required must have a separate license classification for each
35 activity, but a special fuel supplier is not required to obtain a
36 separate license classification for any other activity for which a
37 license is required.

38 (3) Special fuel users operating motor vehicles in interstate
39 commerce having two axles and a gross vehicle weight or registered

1 gross vehicle weight not exceeding twenty-six thousand pounds are not
2 required to be licensed. Special fuel users operating motor vehicles
3 in interstate commerce having two axles and a gross vehicle weight or
4 registered gross vehicle weight exceeding twenty-six thousand pounds,
5 or having three or more axles regardless of weight, or a combination of
6 vehicles, when the combination exceeds twenty-six thousand pounds gross
7 vehicle weight, must comply with the licensing and reporting
8 requirements of this chapter. A copy of the license must be carried in
9 each motor vehicle entering this state from another state or province.

10 **Sec. 62.** RCW 82.38.100 and 1983 c 78 s 1 are each amended to read
11 as follows:

12 (1) Any special fuel user operating a motor vehicle into this state
13 for commercial purposes may make application for a trip permit ((in
14 lieu of a special fuel user's license required in RCW 82.38.090 and
15 82.38.120 which)) that shall be good for a period of three consecutive
16 days beginning and ending on the dates specified on the face of the
17 permit issued, and only for the vehicle for which it is issued.

18 (2) Every permit shall identify, as the department may require, the
19 vehicle for which it is issued and shall be completed in its entirety,
20 signed, and dated by the operator before operation of the vehicle on
21 the public highways of this state. Correction of data on the permit
22 such as dates, vehicle license number, or vehicle identification number
23 invalidates the permit. A violation of, or a failure to comply with,
24 this subsection is a gross misdemeanor.

25 (3) For each permit issued, there shall be collected a filing fee
26 of one dollar, an administrative fee of ten dollars, and an excise tax
27 of nine dollars. Such fees and tax shall be in lieu of the special
28 fuel tax otherwise assessable against the permit holder for importing
29 and using special fuel in a motor vehicle on the public highways of
30 this state and no report of mileage shall be required with respect to
31 such vehicle. Trip permits will not be issued if the applicant has
32 outstanding fuel taxes, penalties or interest owing to the state or has
33 had a special fuel license revoked for cause and the cause has not been
34 removed.

35 (4) Blank permits may be obtained from field offices of the
36 department of transportation, Washington state patrol, department of
37 licensing, or other agents appointed by the department. The department
38 may appoint county auditors or businesses as agents for the purpose of

1 selling trip permits to the public. County auditors or businesses so
2 appointed may retain the filing fee collected for each trip permit to
3 defray expenses incurred in handling and selling the permits.

4 (5) All fees and excise taxes collected by the department for trip
5 permits shall be credited and deposited in the same manner as the
6 special fuel tax collected under this chapter and shall not be subject
7 to exchange, refund, or credit.

8 **Sec. 63.** RCW 82.38.110 and 1996 c 104 s 8 are each amended to read
9 as follows:

10 (1) Application for a (~~special fuel dealer's license or a special~~
11 ~~fuel user's~~) license issued under this chapter shall be made to the
12 department. The application shall be filed upon a form prepared and
13 furnished by the department and shall contain such information as the
14 department deems necessary.

15 (2) Every application for a special fuel (~~dealer's~~) license,
16 other than an application for a dyed special fuel user or international
17 fuel tax agreement license, must contain the following information to
18 the extent it applies to the applicant:

19 ((+1)) (a) Proof as the department ((may)) shall require
20 concerning the applicant's identity, including but not limited to his
21 or her fingerprints or those of the officers of a corporation making
22 the application;

23 ((+2)) (b) The applicant's form and place of organization
24 including proof that the individual, partnership, or corporation is
25 licensed to do business in this state;

26 ((+3)) (c) The qualification and business history of the applicant
27 and any partner, officer, or director;

28 ((+4)) (d) The applicant's financial condition or history
29 including a bank reference and whether the applicant or any partner,
30 officer, or director has ever been adjudged bankrupt or has an
31 unsatisfied judgment in a federal or state court;

32 ((+5)) (e) Whether the applicant has been adjudged guilty of a
33 crime that directly relates to the business for which the license is
34 sought and the time elapsed since the conviction is less than ten
35 years, or has suffered a judgment within the preceding five years in a
36 civil action involving fraud, misrepresentation, or conversion and in
37 the case of a corporation or partnership, all directors, officers, or
38 partners.

1 (3) An applicant for a license as a special fuel importer must list
2 on the application each state, province, or country from which the
3 applicant intends to import fuel and, if required by the state,
4 province, or country listed, must be licensed or registered for special
5 fuel tax purposes in that state, province, or country.

6 (4) An applicant for a license as a special fuel exporter must list
7 on the application each state, province, or country to which the
8 exporter intends to export special fuel received in this state by means
9 of a transfer outside the bulk transfer-terminal system and, if
10 required by the state, province, or country listed, must be licensed or
11 registered for special fuel tax purposes in that state, province, or
12 country.

13 (5) An applicant for a license as a special fuel supplier must have
14 a federal certificate of registry that is issued under the Internal
15 Revenue Code and authorizes the applicant to enter into federal tax-
16 free transactions on special fuel in the terminal transfer system.

17 (6) After receipt of an application for a license, the director
18 ((may)) shall conduct an investigation to determine whether the facts
19 set forth are true. The director ((may)) shall require a fingerprint
20 record check of the applicant through the Washington state patrol
21 criminal identification system and the federal bureau of investigation
22 before issuance of a license. The results of the background
23 investigation including criminal history information may be released to
24 authorized department personnel as the director deems necessary. The
25 department shall charge a license holder or license applicant a fee of
26 fifty dollars for each background investigation conducted.

27 (7) An applicant who makes a false statement of a material fact on
28 the application may be prosecuted for false swearing as defined by RCW
29 9A.72.040.

30 ((No)) (8) A special fuel ((dealer's)) license may not be issued to
31 any person or continued in force unless such person has furnished bond,
32 as defined in RCW 82.38.020, in such form as the department may
33 require, to secure his or her compliance with this chapter, and the
34 payment of any and all taxes, interest, and penalties due and to become
35 due hereunder. The requirement of furnishing a bond ((shall)) may be
36 waived for special fuel ((dealers)) distributors who only deliver
37 special fuel into the fuel tanks of marine vessels, for dyed special
38 fuel users and for persons issued licenses under the international fuel
39 tax agreement.

1 (9) The department may require a (~~special fuel user~~) licensee to
2 post a bond if the (~~special fuel user~~) licensee, after having been
3 licensed, has failed to file timely reports or has failed to remit
4 taxes due, or when an investigation or audit indicates problems severe
5 enough that the department, in its discretion, determines that a bond
6 is required to protect the interests of the state. The department may
7 also adopt rules prescribing conditions that, in the department's
8 discretion, require a bond to protect the interests of the state.

9 (10) The total amount of the bond or bonds required of any
10 (~~special fuel dealer or special fuel user~~) licensee shall be
11 equivalent to three times the estimated monthly fuel tax, determined in
12 such manner as the department may deem proper: PROVIDED, That those
13 (~~special fuel dealers~~) licensees having held a special fuel license
14 for five or more years without having said license suspended or revoked
15 by the department shall be permitted to reduce the amount of their bond
16 to twice the estimated monthly tax liability: PROVIDED FURTHER, That
17 the total amount of the bond or bonds shall never be less than five
18 hundred dollars nor more than (~~fifty~~) one hundred thousand dollars.

19 (11) An application for a dyed special fuel user license must be
20 made to the department. The application must be filed upon a form
21 prescribed by the department and contain such information as the
22 department deems necessary.

23 (12) An application for an international fuel tax agreement license
24 must be made to the department. The application must be filed upon a
25 form prescribed by the department and contain such information as the
26 department may require.

27 **Sec. 64.** RCW 82.38.120 and 1996 c 104 s 9 are each amended to read
28 as follows:

29 Upon receipt and approval of an application and bond, if required,
30 the department shall issue (~~to the applicant~~) a license to (~~act as~~
31 ~~a special fuel dealer or a special fuel user~~) the applicant. However,
32 the department may refuse to issue a (~~special fuel dealer's~~) license
33 (~~or a special fuel user's license~~) to any person:

34 (1) Who formerly held (~~either type of~~) a license issued under
35 chapter 82.36 or 82.42 RCW or this chapter which, prior to the time of
36 filing for application, has been revoked for cause;

8 chapter 82.36, 82.38, (~~(or)~~) 46.87, or 82.42 RCW;

9 (5) Who formerly held as an individual, officer, director, owner,
10 managing employee of a nonindividual licensee, or subterfuge for a real

13 special fuel, which license, before the time of filing for application,
14 has been revoked for cause;

15 (6) Who pled guilty to or was convicted as an individual, officer,
16 director, owner, or managing employee of a nonindividual licensee in
17 this or any other state or in any federal jurisdiction of a gross

19 been subject to a civil judgment involving fraud, misrepresentation,

32 (10) Who failed to comply with an order issued by the director; or

34 Before such refusal, the department shall grant the applicant a
35 hearing and shall grant the applicant at least twenty days written
36 notice of the time and place thereof.

37 The department shall determine from the information shown in the
38 application or other investigation the kind and class of license to be
39 issued. For the purpose of considering any application for a special

1 fuel ((dealer's)) license, the department may inspect, cause an
2 inspection, investigate, or cause an investigation of the records of
3 this or any other state or of the federal government to ascertain the
4 veracity of the information on the application form and the applicant's
5 criminal and licensing history.

6 All licenses shall be posted in a conspicuous place or kept
7 available for inspection at the principal place of business of the

21 and liabilities imposed herein upon a special fuel user.))

22 Each special fuel ((dealer's license and special fuel user's))
23 license shall be valid until the expiration date if shown on the
24 license, or until suspended or revoked for cause or otherwise canceled.

25 No special fuel ((dealer's license or special fuel user's)) license
26 shall be transferable.

27 **Sec. 65.** RCW 82.38.130 and 1994 c 262 s 24 are each amended to
28 read as follows:

29 The department may revoke the license of any ((special fuel dealer,
30 or special fuel user)) licensee for any of the grounds constituting
31 cause for denial of a license set forth in RCW 82.38.120 or for other
32 reasonable cause. Before revoking such license the department shall
33 notify the licensee to show cause within twenty days of the date of the
34 notice why the license should not be revoked: PROVIDED, That at any
35 time prior to and pending such hearing the department may, in the
36 exercise of reasonable discretion, suspend such license.

1 The department shall cancel any (~~license to act as a~~) special
2 fuel (~~dealer, or a special fuel user~~) license immediately upon
3 surrender thereof by the holder.

4 Any surety on a bond furnished by a (~~special fuel dealer or~~
5 ~~special fuel user~~) licensee as provided (~~herein~~) in this chapter
6 shall be released and discharged from any and all liability to the
7 state accruing on such bond after the expiration of forty-five days
8 from the date which such surety shall have lodged with the department
9 a written request to be released and discharged, but this provision
10 shall not operate to relieve, release, or discharge the surety from any
11 liability already accrued or which shall accrue before the expiration
12 of the forty-five day period. The department shall promptly, upon
13 receiving any such request, notify the (~~special fuel dealer or special~~
14 ~~fuel user~~) licensee who furnished the bond, and unless the (~~special~~
15 ~~fuel dealer or special fuel user shall~~) licensee, on or before the
16 expiration of the forty-five day period, files a new bond, in
17 accordance with (~~the requirements of~~) this section, (~~or make a~~
18 ~~deposit in lieu thereof as provided in RCW 82.38.020(11),~~) the
19 department forthwith shall cancel the special fuel dealer's or special
20 fuel user's license.

21 The department may require a (~~special fuel dealer or special fuel~~
22 ~~user to give a~~) new or additional surety bond (~~or to deposit~~
23 ~~additional securities~~) of the character specified in RCW
24 82.38.020(~~(11)~~) (3) if, in its opinion, the security of the surety
25 bond therefor filed by such (~~special fuel dealer or special fuel user,~~
26 ~~or the market value of the properties deposited as security by such~~
27 ~~special fuel dealer or special fuel user~~) licensee, shall become
28 impaired or inadequate. Upon failure of the (~~special fuel dealer or~~
29 ~~special fuel user~~) licensee to give such new or additional surety bond
30 (~~or to deposit additional securities~~) within forty-five days after
31 being requested to do so by the department, or after he or she shall
32 fail or refuse to file reports and remit or pay taxes at the intervals
33 fixed by the department, the department forthwith shall cancel his or
34 her license.

35 **Sec. 66.** RCW 82.38.140 and 1996 c 104 s 10 and 1996 c 90 s 2 are

1 transporting, blending, or storing special fuel in this state shall
2 keep for a period of not less than five years open to inspection at all
3 times during the business hours of the day to the department or its
4 authorized representatives, a complete record of all special fuel
5 purchased or received and all of such products sold, delivered, or used
6 by them. Such records shall show:

7 (a) The date of each receipt;

8 (6) Subsections (1)(f), (2)(b), and (5) of this section do not
9 apply to special fuel users when the special fuel is used off-highway
10 in farming, construction, or logging operations. Upon filing a special
11 fuel user tax report, every such special fuel user shall certify and
12 bear the burden of proof as to the number of gallons of special fuel
13 used off-highway.) The department may require a person other than a
14 licensee engaged in the business of selling, purchasing, distributing,
15 storing, transporting, or delivering special fuel to submit periodic
16 reports to the department regarding the disposition of the fuel. The
17 reports must be on forms prescribed by the department and must contain
18 such information as the department may require.

19 (4) Every person operating any conveyance for the purpose of
20 hauling, transporting, or delivering special fuel in bulk shall have
21 and possess during the entire time the person is hauling special fuel,
22 an invoice, bill of sale, or other statement showing the name, address,
23 and license number of the seller or consigner, the destination, name,
24 and address of the purchaser or consignee, license number, if
25 applicable, and the number of gallons. The person hauling such special
26 fuel shall at the request of any law enforcement officer or authorized
27 representative of the department, or other person authorized by law to
28 inquire into, or investigate those types of matters, produce for
29 inspection such invoice, bill of sale, or other statement and shall
30 permit such official to inspect and gauge the contents of the vehicle.

31 **Sec. 67.** RCW 82.38.150 and 1996 c 104 s 11 are each amended to
32 read as follows:

33 For the purpose of determining the amount of liability for the tax
34 herein imposed, and to periodically update license information, each
35 ((special fuel dealer and each)) licensee, other than a special fuel
36 distributor, an international fuel tax agreement licensee, or a dyed
37 special fuel user, shall file monthly tax reports with the department,

1 on forms prescribed by the department. (~~Special fuel dealers shall~~
2 ~~file the reports at the intervals as shown in the following schedule:~~

3 ~~Estimated Yearly~~

4 Tax Liability	5 Reporting Frequency
6 \$ 0 -- \$100	7 Yearly
8 \$101 -- 250	9 Semi-yearly
10 \$251 -- 499	11 Quarterly
12 \$500 and over	13 Monthly

14 Dyed special fuel users whose estimated yearly tax liability is two
15 hundred fifty dollars or less, shall file a report yearly, and dyed
16 special fuel users whose estimated yearly tax liability is more than
17 two hundred fifty dollars, shall file reports quarterly. Special fuel
18 users licensed under the international fuel tax agreement shall file
19 reports quarterly. Special fuel distributors subject to the pollution
20 liability insurance agency fee and reporting requirements shall remit
21 pollution liability insurance agency returns and any associated payment
22 due to the department annually.

23 The department shall establish the reporting frequency for each
24 applicant at the time the special fuel license is issued. If it
25 becomes apparent that any (~~special fuel~~) licensee is not reporting in
26 accordance with the above schedule, the department shall change the
27 licensee's reporting frequency by giving thirty days' notice to the
28 licensee by mail to the licensee's address of record. A report shall
29 be filed with the department even though no special fuel was used, or
30 tax is due, for the reporting period. Each tax report shall contain a
31 declaration by the person making the same, to the effect that the
32 statements contained therein are true and are made under penalties of
33 perjury, which declaration shall have the same force and effect as a
34 verification of the report and is in lieu of such verification. The
35 report shall show such information as the department may reasonably
36 require for the proper administration and enforcement of this chapter.
37 For counties within which an additional excise tax on special fuel has
been levied by that jurisdiction under RCW 82.80.010, the report must
show the quantities of special fuel sold, distributed, or withdrawn
from bulk storage by the reporting dealer or user within the county's
boundaries and the tax liability from its levy. (~~The special fuel~~
~~dealer or special fuel user~~) A licensee shall file ((the)) a tax

1 report on or before the twenty-fifth day of the next succeeding
2 calendar month following the period to which it relates.

3 Subject to the written approval of the department, tax reports may
4 cover a period ending on a day other than the last day of the calendar
5 month. Taxpayers granted approval to file reports in this manner will
6 file such reports on or before the twenty-fifth day following the end
7 of the reporting period. No change to this reporting period will be
8 made without the written authorization of the department.

9 If the final filing date falls on a Saturday, Sunday, or legal
10 holiday the next secular or business day shall be the final filing
11 date. Such reports shall be considered filed or received on the date
12 shown by the post office cancellation mark stamped upon an envelope
13 containing such report properly addressed to the department, or on the
14 date it was mailed if proof satisfactory to the department is available
15 to establish the date it was mailed.

16 The department, if it deems it necessary in order to insure payment
17 of the tax imposed by this chapter, or to facilitate the administration
18 of this chapter, has the authority to require the filing of reports and
19 tax remittances at shorter intervals than one month if, in its opinion,
20 an existing bond has become insufficient.

21 ~~((The department may permit any special fuel user whose sole use of
22 special fuel is in motor vehicles or equipment exempt from tax as
23 provided in RCW 82.38.075 and 82.38.080 (1), (2), (3), (8), and (9), in
24 lieu of the reports required in this section, to submit reports
25 annually or as requested by the department, in such form as the
26 department may require.~~

27 ~~A special fuel user whose sole use of special fuel is for purposes
28 other than the propulsion of motor vehicles upon the public highways of
29 this state shall not be required to submit the reports required in this
30 section.))~~

31 **Sec. 68.** RCW 82.38.160 and 1987 c 174 s 5 are each amended to read
32 as follows:

33 (1) The tax imposed by this chapter shall be computed ~~((as follows:~~
34 ~~(a) With respect to special fuel upon which the tax has been collected~~
35 ~~by the seller thereof as a special fuel dealer,))~~ by multiplying the
36 tax rate per gallon provided in this chapter by the number of gallons
37 of special fuel ~~((delivered))~~ subject to the special fuel tax ~~((; (b)~~
38 ~~with respect to special fuel on which the tax has not been paid to a~~

1 ~~special fuel dealer in this state and which has been consumed by the~~
2 ~~purchaser thereof as a special fuel user, by multiplying the tax rate~~
3 ~~per gallon provided in this chapter by the number of gallons of special~~
4 ~~fuel consumed by him in the propulsion of a motor vehicle on the~~
5 ~~highways of this state)).~~

6 (2) A special fuel distributor shall remit tax on special fuel
7 purchased from a special fuel supplier, and due to the state for that
8 reporting period, to the special fuel supplier.

9 (3) At the election of the distributor, the payment of the special
10 fuel tax owed on special fuel purchased from a supplier shall be
11 remitted to the supplier on terms agreed upon between the distributor
12 and the supplier or no later than two business days before the last
13 business day of the following month. This election shall be subject to
14 a condition that the distributor's remittances of all amounts of
15 special fuel tax due to the supplier shall be paid by electronic funds
16 transfer. The distributor's election may be terminated by the supplier
17 if the distributor does not make timely payments to the supplier as
18 required by this section. This section shall not apply if the
19 distributor is required by the supplier to pay cash or cash equivalent
20 for special fuel purchases.

21 (4) Except as provided in subsection ((+3)) (5) of this section,
22 the tax return shall be accompanied by a remittance payable to the
23 state treasurer covering the tax ((moneys collected by the special fuel
24 dealer or the)) amount determined to be due ((hereunder by licensed
25 users of special fuels during)) for the ((preceding)) reporting period.

26 ((+3)) (5) If the tax is paid by electronic funds transfer ((and
27 the reporting period ends on the last day of a calendar month)), the
28 tax shall be paid on or before the ((state business day immediately
29 preceding the last state business day of the month following the end
30 of)) tenth calendar day of the month that is the second month
31 immediately following the reporting period. When the reporting period
32 is May, the tax shall be paid on the last state business day of June.
33 If the tax is paid by electronic funds transfer and the reporting
34 period ends on a day other than the last day of a calendar month as
35 provided in RCW 82.38.150, the tax shall be paid on or before ((the
36 state business day immediately preceding)) the last state business day
37 of the thirty-day period following the end of the reporting period.

38 ((+4)) (6) The tax shall be paid by electronic funds transfer
39 whenever the amount due is fifty thousand dollars or more.

1 NEW SECTION. **Sec. 69.** A special fuel supplier shall, no later
2 than the twentieth day or next business day after the special fuel tax
3 is due from the special fuel distributor under RCW 82.38.160(2), notify
4 the department of the failure of a special fuel distributor to pay the
5 full amount of the tax owed.

6 Upon notification and submission of satisfactory evidence by a
7 special fuel supplier that a special fuel distributor has failed to
8 comply with RCW 82.38.160(2), the department may suspend the license of
9 the special fuel distributor.

10 Upon the suspension, the department shall immediately notify all
11 special fuel suppliers that the authority of the special fuel
12 distributor to purchase tax-deferred special fuel has been suspended
13 and all subsequent purchases of special fuel by the special fuel
14 distributor must be tax-paid at the time of removal.

15 If, after notification by the department, a special fuel supplier
16 continues to sell tax-deferred special fuel to a special fuel
17 distributor whose license is suspended, the special fuel supplier's
18 license is subject to revocation or suspension under RCW 82.38.130.
19 Furthermore, if notified of a license suspension, a special fuel
20 supplier is liable for any unpaid special fuel tax owed on special fuel
21 sold to a suspended special fuel distributor.

22 **Sec. 70.** RCW 82.38.170 and 1996 c 104 s 12 are each amended to
23 read as follows:

24 (1) If any (~~(special fuel dealer or special fuel user)~~) licensee
25 fails to pay any taxes collected or due the state of Washington (~~by~~
26 ~~said dealer or user~~) within the time prescribed by RCW 82.38.150 and
27 82.38.160, (~~(said dealer or user)~~) the licensee shall pay in addition
28 to such tax a penalty of ten percent of the amount thereof.

29 (2) If it be determined by the department that the tax reported by
30 any (~~(special fuel dealer or special fuel user)~~) licensee is deficient
31 it may proceed to assess the deficiency on the basis of information
32 available to it and there shall be added to this deficiency a penalty
33 of ten percent of the amount of the deficiency.

34 (3) If any (~~(special fuel dealer or special fuel user)~~) licensee,
35 whether or not he or she is licensed as such, fails, neglects, or
36 refuses to file a special fuel tax report required under this chapter,
37 the department may, on the basis of information available to it,
38 determine the tax liability of the (~~(special fuel dealer or the special~~

1 ~~fuel user~~) licensee for the period during which no report was filed,
2 and to the tax as thus determined, the department shall add the penalty
3 and interest provided in subsection (2) of this section. An assessment
4 made by the department pursuant to this subsection or to subsection (2)
5 of this section shall be presumed to be correct, and in any case where
6 the validity of the assessment is drawn in question, the burden shall
7 be on the person who challenges the assessment to establish by a fair
8 preponderance of the evidence that it is erroneous or excessive as the
9 case may be.

10 (4) If any (~~special fuel dealer or special fuel user shall~~)
11 licensee establishes by a fair preponderance of evidence that his or
12 her failure to file a report or pay the proper amount of tax within the
13 time prescribed was due to reasonable cause and was not intentional or
14 willful, the department may waive the penalty prescribed in subsections
15 (1), (2), and (3) of this section.

16 (5) If any (~~special fuel dealer or special fuel user shall~~)
17 licensee files a false or fraudulent report with intent to evade the
18 tax imposed by this chapter, there shall be added to the amount of
19 deficiency determined by the department a penalty equal to twenty-five
20 percent of the deficiency, in addition to the penalty provided in
21 subsection (2) of this section and all other penalties prescribed by
22 law.

23 (6) Any special fuel tax, penalties, and interest payable under
24 this chapter shall bear interest at the rate of one percent per month,
25 or fraction thereof, from the first day of the calendar month after the
26 amount or any portion thereof should have been paid until the date of
27 payment: PROVIDED, That the department may waive the interest when it
28 determines that the cost of processing the collection of the interest
29 exceeds the amount of interest due.

30 (7) Except in the case of violations of filing a false or
31 fraudulent report, if the department deems mitigation of penalties and
32 interest to be reasonable and in the best interests of carrying out the
33 purpose of this chapter, it may mitigate such assessments upon whatever
34 terms the department deems proper, giving consideration to the degree
35 and extent of the lack of records and reporting errors. The department
36 may ascertain the facts regarding recordkeeping and payment penalties
37 in lieu of more elaborate proceedings under this chapter.

38 (8) Except in the case of a fraudulent report or of neglect or
39 refusal to make a report, every deficiency shall be assessed under

1 subsection (2) of this section within five years from the twenty-fifth
2 day of the next succeeding calendar month following the reporting
3 period for which the amount is proposed to be determined or within five
4 years after the return is filed, whichever period expires the later.

5 (9) Any (~~special fuel dealer or special fuel user~~) licensee
6 against whom an assessment is made under the provisions of subsections
7 (2) or (3) of this section may petition for a reassessment thereof
8 within thirty days after service upon the (~~special fuel dealer or~~
9 ~~special fuel user~~) licensee of notice thereof. If such petition is
10 not filed within such thirty day period, the amount of the assessment
11 becomes final at the expiration thereof.

12 If a petition for reassessment is filed within the thirty day
13 period, the department shall reconsider the assessment and, if the
14 (~~special fuel dealer or special fuel user~~) licensee has so requested
15 in his or her petition, shall grant such (~~special fuel dealer or~~
16 ~~special fuel user~~) licensee an oral hearing and give the (~~special~~
17 ~~fuel dealer or special fuel user~~) licensee ten days' notice of the
18 time and place thereof. The department may continue the hearing from
19 time to time. The decision of the department upon a petition for
20 reassessment shall become final thirty days after service upon the
21 (~~special fuel dealer or special fuel user~~) licensee of notice
22 thereof.

23 Every assessment made by the department shall become due and
24 payable at the time it becomes final and if not paid to the department
25 when due and payable, there shall be added thereto a penalty of ten
26 percent of the amount of the tax.

27 (10) Any notice of assessment required by this section shall be
28 served personally or by certified or registered mail; if by mail,
29 service shall be made by depositing such notice in the United States
30 mail, postage prepaid addressed to the (~~special fuel dealer or special~~
31 ~~fuel user~~) licensee at his or her address as the same appears in the
32 records of the department.

33 (11) Any licensee who has had (~~either their~~) the licensee's
34 special fuel (~~user~~) license (~~or special fuel dealer license, or~~
35 ~~both,~~) revoked shall pay a one hundred dollar penalty prior to the
36 issuance of a new license.

37 (12) Any person who, upon audit or investigation by the department,
38 is found to have not paid special fuel taxes as required by this
39 chapter shall be subject to cancellation of all vehicle registrations

1 for vehicles utilizing special fuel as a means of propulsion. Any
2 unexpired Washington tonnage on the vehicles in question may be
3 transferred to a purchaser of the vehicles upon application to the
4 department who shall hold such tonnage in its custody until a sale of
5 the vehicle is made or the tonnage has expired.

6 (13) Unless expressly authorized by the Internal Revenue Code and
7 this chapter, a person using dyed special fuel in the propulsion of a
8 motor vehicle upon the highways of this state is subject to a civil
9 penalty of ten dollars for each gallon of dyed special fuel placed into
10 the supply tank of the motor vehicle, or one thousand dollars,
11 whichever is greater. The civil penalty collected as a result of this
12 subsection must be deposited in the motor vehicle fund. The penalties
13 must be collected and administered under this chapter.

14 (14) For the purposes of enforcement of this section, the
15 Washington state patrol or other commercial vehicle safety alliance-
16 certified officers may inspect, collect, and secure samples of special
17 fuel used in the propulsion of a vehicle operated upon the highways of
18 this state to detect the presence of dye or other chemical compounds.

19 (15) The Washington state patrol shall, by January 1, 1999, develop
20 and implement procedures for collection, analysis, and storage of fuel
21 samples collected under this chapter.

22 (16) RCW 43.05.110 does not apply to the civil penalties imposed
23 under subsection (13) of this section.

24 **Sec. 71.** RCW 82.38.180 and 1972 ex.s. c 138 s 4 are each amended
25 to read as follows:

26 Any person who has paid a special fuel tax either directly or to
27 the vendor from whom it was purchased may file a claim with the
28 department for a refund of the tax so paid and shall be reimbursed and
29 repaid the amount of:

30 (1) Any taxes previously paid on special fuel used for purposes
31 other than for the propulsion of motor vehicles upon the public
32 highways in this state.

33 (2) Any taxes previously paid on special fuel exported for use
34 outside of this state. Special fuel carried from this state in the
35 fuel tank of a motor vehicle is deemed to be exported from this state.
36 Special fuel distributed to a federally recognized Indian tribal
37 reservation located within the state of Washington is not considered
38 exported outside this state.

1 (3) Any tax, penalty, or interest erroneously or illegally
2 collected or paid.

3 (4) Any taxes previously paid on all special fuel which is lost or
4 destroyed, while applicant shall be the owner thereof, through fire,
5 lightning, flood, wind storm, or explosion.

6 (5) Any taxes previously paid on all special fuel of five hundred
7 gallons or more which is lost or destroyed while applicant shall be the
8 owner thereof, through leakage or other casualty except evaporation,
9 shrinkage, or unknown causes.

10 (6) Any taxes previously paid on special fuel that is inadvertently
11 mixed with dyed special fuel.

12 Recovery for such loss or destruction under either subsection (4)
13 ~~((or))~~, (5), or (6) of this section must be susceptible to positive
14 proof thereby enabling the department to conduct such investigation and
15 require such information as they may deem necessary. In the event that
16 the department is not satisfied that the fuel was lost ~~((or))~~,
17 destroyed, or contaminated as claimed because information or proof as
18 required hereunder is not sufficient to substantiate the accuracy of
19 the claim, they may deem such as sufficient cause to deny all right
20 relating to the refund or credit for the excise tax paid on special
21 fuel alleged to be lost or destroyed.

22 No refund or claim for credit shall be approved by the department
23 unless the gallons of special fuel claimed as nontaxable satisfy the
24 conditions specifically set forth in this section and the nontaxable
25 event or use occurred during the period covered by the refund claim.
26 Refunds or claims for credit by sellers or users of special fuel shall
27 not be allowed for anticipated nontaxable use or events.

28 NEW SECTION. Sec. 72. (1) Upon application, the department may
29 give special authorization to farmers, logging companies, and
30 construction companies to purchase nondyed special fuel directly into
31 the supply tanks of nonhighway equipment or into portable slip tanks
32 for nonhighway use without payment of the special fuel tax. Purchases
33 of this nondyed special fuel must be made at a card lock facility owned
34 and operated by a special fuel distributor who is required to pay the
35 special fuel tax on nondyed special fuel delivered to the card lock
36 facility and has elected to sell the special fuel in this manner. The
37 election is solely at the discretion of the special fuel distributor
38 and must be approved by the department.

1 (2) A special fuel distributor who has paid the special fuel tax on
2 nondyed special fuel purchased by a holder of a special authorization
3 may file a claim for refund of the special fuel tax paid. A claim for
4 refund of the special fuel tax paid under this section is allowed only
5 if all the following apply:

6 (a) Special fuel tax was paid by the distributor on the nondyed
7 special fuel to which the claim relates and the claim is supported by
8 an invoice or invoices showing such payment;

9 (b) The special fuel distributor sold the special fuel to a holder
10 of a valid special authorization issued by the department;

11 (c) The claim contains the name and special authorization number of
12 each purchaser and the number of gallons sold to the purchaser;

13 (d) The claim contains a statement that the special fuel
14 distributor has not included the amount of the tax in the sale price of
15 the nondyed special fuel and has not collected the special fuel tax
16 from the purchaser; and

17 (e) The claim contains a statement that the special fuel covered by
18 the claim did not contain visible evidence of dye.

19 (3) Each claim for refund under this section must be made on a form
20 prescribed by the department and must be for a period of not less than
21 one week.

22 (4) The department may terminate the election of a special fuel
23 distributor if the special fuel distributor fails to comply with this
24 section.

25 (5) The department shall require a holder of a special
26 authorization to submit a request at least once every two years for
27 renewal of the special authorization upon forms supplied by the
28 department. The department shall prescribe the information to be
29 submitted by the special authorization holder and shall determine
30 whether the special authorization shall continue.

31 (6) For any special fuel purchased under this special
32 authorization, a special authorization holder shall retain records
33 required under RCW 82.38.190 for refund submittals for three years
34 following the purchase date of the fuel.

35 (7) Notwithstanding the special provisions provided under this
36 section, the special authorization holder is subject to all provisions
37 of this chapter that apply to refund claims.

1 NEW SECTION. **Sec. 73.** A licensee, other than a special fuel
2 exporter, is entitled to a refund of the special fuel tax previously
3 paid on special fuel which has been purchased from the licensee by a
4 person who is exempt from payment of the special fuel tax imposed by
5 this chapter. Application for the refund shall be accompanied by an
6 invoice or proof satisfactory to the department documenting each sale
7 wherein the purchaser was exempt from the special fuel tax. Claims for
8 refunds shall be made under this chapter.

9 **Sec. 74.** RCW 82.38.190 and 1997 c 183 s 10 are each amended to
10 read as follows:

11 (1) Claims under RCW 82.38.180 shall be filed with the department
12 on forms prescribed by the department and shall show the date of filing
13 and the period covered in the claim, the number of gallons of special
14 fuel used for purposes subject to tax refund, and such other facts and
15 information as may be required. Every such claim shall be supported by
16 an invoice or invoices issued to or by the claimant, as may be
17 prescribed by the department, and such other information as the
18 department may require. The requirement to provide invoices may be
19 waived for small refund amounts, as determined by the department.
20 Claims for refund of special fuel tax must be for at least twenty
21 dollars.

22 (2) Any amount determined to be refundable by the department under
23 RCW 82.38.180 shall first be credited on any amounts then due and
24 payable from ((the special fuel dealer or special fuel user or any))
25 a person to whom the refund is due, and the department shall then
26 certify the balance thereof to the state treasurer, who shall thereupon
27 draw his or her warrant for ((such)) the certified amount to ((such
28 ~~special fuel dealer or special fuel user or any~~) the person.

29 (3) No refund or credit shall be approved by the department unless
30 a written claim for refund or credit stating the specific grounds upon
31 which the claim is founded is filed with the department:

32 (a) Within thirteen months from the date of purchase or from the
33 last day of the month following the close of the reporting period for
34 which the refundable amount or credit is due with respect to refunds or
35 credits allowable under RCW 82.38.180(~~(, subsections))~~ (1), (2), (4),
36 and (5), and if not filed within this period the right to refund shall
37 be forever barred.

1 (b) Within (~~three~~) five years from the last day of the month
2 following the close of the reporting period for which the overpayment
3 is due with respect to the refunds or credits allowable under RCW
4 82.38.180(3). The department shall refund any amount paid that has
5 been verified by the department to be more than ten dollars over the
6 amount actually due for the reporting period. Payment credits shall
7 not be carried forward and applied to subsequent tax returns for a
8 person licensed under this chapter.

9 (4) Within thirty days after disallowing any claim in whole or in
10 part, the department shall serve written notice of its action on the
11 claimant.

12 (5) Interest shall be paid upon any refundable amount or credit due
13 under RCW 82.38.180(3) at the rate of one percent per month from the
14 last day of the calendar month following the reporting period for which
15 the refundable amount or credit is due.

16 The interest shall be paid:

17 (a) In the case of a refund, to the last day of the calendar month
18 following the date upon which the person making the overpayment, if he
19 or she has not already filed a claim, is notified by the department
20 that a claim may be filed or the date upon which the claim is approved
21 by the department, whichever date is earlier.

22 (b) In the case of a credit, to the same date as that to which
23 interest is computed on the tax or amount against which the credit is
24 applied.

25 If the department determines that any overpayment has been made
26 intentionally or by reason of carelessness, it shall not allow any
27 interest thereon.

28 (6) The department shall pay interest of one percent on any refund
29 payable under RCW 82.38.180 (1), (2), or (6) that is issued more than
30 thirty state business days after the receipt of a claim properly filed
31 and completed in accordance with this section. After the end of the
32 thirty business-day period, additional interest shall accrue at the
33 rate of one percent on the amount payable for each thirty calendar-day
34 period, until the refund is issued.

35 (7) No injunction or writ of mandate or other legal or equitable
36 process shall issue in any suit, action or proceeding in any court
37 against this state or against any officer of the state to prevent or
38 enjoin the collection under this chapter of any tax or any amount of
39 tax required to be collected.

1 **Sec. 75.** RCW 82.38.210 and 1979 c 40 s 15 are each amended to read
2 as follows:

3 If any (~~special fuel dealer, supplier, or user~~) licensee liable
4 for the remittance of tax imposed by this chapter fails to pay the
5 same, the amount thereof, including any interest, penalty, or addition
6 to such tax, together with any costs that may accrue in addition
7 thereto, shall be a lien in favor of the state upon all franchises,
8 property, and rights to property, whether real or personal, then
9 belonging to or thereafter acquired by such person, whether such
10 property is employed by such person for personal or business use or is
11 in the hands of a trustee, or receiver, or assignee for the benefit of
12 creditors, from the date the taxes were due and payable, until the
13 amount of the lien is paid or the property sold in payment thereof.
14 The lien shall have priority over any lien or encumbrance whatsoever,
15 except the lien of other state taxes having priority by law, and except
16 that such lien shall not be valid as against any bona fide mortgagee,
17 pledgee, judgment creditor, or purchaser whose rights have attached
18 prior to the time the department has filed and recorded notice of such
19 lien as hereinafter provided.

20 In order to avail itself of the lien hereby created, the department
21 shall file with any county auditor a statement of claim and lien
22 specifying the amount of delinquent taxes, penalties and interest
23 claimed by the department. From the time of filing for record, the
24 amount required to be paid shall constitute a lien upon all franchises,
25 property and rights to property, whether real or personal, then
26 belonging to or thereafter acquired by such person in the county. Any
27 lien as provided in this section may also be filed in the office of the
28 secretary of state. Filing in the office of the secretary of state

35 **Sec. 76.** RCW 82.38.220 and 1994 c 262 s 26 are each amended to

4 property belonging to (~~such user or dealer~~) the licensee or owing any
5 debts to (~~such user or dealer~~) the licensee, at the time of the

12 control or owing by them, as the case may be, and shall immediately
13 deliver such credits, personal property, or debts to the department or
14 its duly authorized representative to be applied to the indebtedness
15 involved.

16 Upon service, the notice and order to withhold and deliver
17 constitutes a continuing lien on property of the taxpayer. The
18 department shall include in the caption of the notice to withhold and
19 deliver "continuing lien." The effective date of a notice to withhold
20 and deliver served under this section is the date of service of the
21 notice.

22 If a person fails to answer the notice within the time prescribed
23 by this section, it is lawful for the court, upon application of the
24 department and after the time to answer the notice has expired, to
25 render judgment by default against the party named in the notice to
26 withhold and deliver for the full amount claimed by the department in
27 the notice to withhold and deliver, together with costs.

28 **Sec. 77.** RCW 82.38.230 and 1979 c 40 s 17 are each amended to read

10 such envelope in the United States mail, postage prepaid. In addition,
11 the notice shall be published for at least ten days before the date set

13 county in which the property seized is to be sold. If there is no
14 newspaper of general circulation in such county, the notice shall be
15 posted in three public places in the county for a period of ten days.
16 The notice shall contain a description of the property to be sold,
17 together with a statement of the amount due (~~((hereunder))~~ under this
18 chapter, the name of the (~~((user, supplier or dealer))~~ licensee and the
19 further statement that unless such amount is paid on or before the time
20 fixed in the notice the property will be sold in accordance with law.
21 The department shall then proceed to sell the property in
22 accordance with the law and the notice, and shall deliver to the
23 purchaser a bill of sale or deed which shall vest title in the
24 purchaser. If upon any such sale the moneys received exceed the amount
25 due to the state (~~((hereunder))~~ under this chapter from the delinquent
26 (~~((user, supplier or dealer))~~ licensee, the excess shall be returned to
27 (~~((such user, supplier or dealer))~~ the licensee and (~~(his))~~ the
28 licensee's receipt obtained (~~((therefor))~~ for the excess. If any person
29 having an interest in or lien upon the property has filed with the
30 department prior to such sale, notice of such interest or lien, the
31 department shall withhold payment of any such excess to (~~((such user,~~
32 ~~supplier or dealer))~~ the licensee pending a determination of the rights
33 of the respective parties thereto by a court of competent jurisdiction.
34 If for any reason the receipt of (~~((such user, supplier or dealer shall~~
35 ~~not be))~~ the licensee is not available, the department shall deposit

10 dollars. The clerk of the county wherein the warrant is filed shall
11 immediately designate a superior court cause number for such warrant,

13 the superior court cause number assigned to the warrant, the name of
14 the ((~~special fuel user, supplier or dealer~~)) licensee mentioned in the
15 warrant, the amount of the tax, penalties, interest and filing fee and
16 the date when such warrant was filed. The aggregate amount of such
17 warrant as docketed shall become a lien upon the title to, and interest
18 in all real and personal property of named person against whom the
19 warrant is issued, the same as a judgment in a civil case duly docketed
20 in the office of such clerk. Such warrant so docketed shall be

22 garnishment in favor of the state in the manner provided by law in the
23 case of civil judgment, wholly or partially unsatisfied. The clerk of
24 the court shall be entitled to a filing fee of five dollars, which
