
SENATE BILL 5601

State of Washington

55th Legislature

1997 Regular Session

By Senators Stevens and Finkbeiner

Read first time 02/03/97. Referred to Committee on Transportation.

1 AN ACT Relating to construction of certain highway projects under
2 a design-build procedure; creating a new section; and making an
3 appropriation.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The sum of seventy-five million dollars, or
6 as much thereof as may be necessary, is appropriated from the motor
7 vehicle fund to the department of transportation for the fiscal year
8 ending June 30, 1999, for the construction of two additional lanes on
9 state route number 522 from state route number 9 to the Snohomish River
10 bridge in the vicinity of milepost 20.0, including interchanges at
11 Paradise Lake Road and Fales Road.

12 NEW SECTION. **Sec. 2.** The projects authorized by section 1 of this
13 act shall be carried out by means of an alternative public works
14 contracting procedure project using a design-build procedure. As used
15 in this section, "design-build procedure" means a contract between the
16 department of transportation and another party in which the party
17 agrees to both design and build the structures, facilities, and other
18 items specified in the contract. The project authorized by section 1

1 of this act must be awarded to a contractor no later than December 31,
2 1997.
