
SUBSTITUTE SENATE BILL 6409

State of Washington

55th Legislature

1998 Regular Session

By Senate Committee on Human Services & Corrections (originally sponsored by Senators Hargrove and Long; by request of Department of Social and Health Services)

Read first time 02/06/98.

1 AN ACT Relating to care for children with developmental
2 disabilities provided by the department of social and health services
3 in the division of developmental disabilities; amending RCW 71A.10.020,
4 71A.12.040, and 74.20A.030; adding a new section to chapter 71A.10 RCW;
5 and creating new sections.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** It is the intent of the legislature that
8 parents are responsible for the care and support of children with
9 developmental disabilities. The legislature recognizes that, in some
10 instances, intense support is required to care for a child with
11 developmental disabilities, and the assistance of preventive home-based
12 or out-of-home care might be needed. The legislature intends to
13 consolidate all preventive home-based and out-of-home care provided to
14 children with developmental disabilities, where those services are
15 necessitated by issues dependent on the child's developmental
16 disability and not on issues related to either or both abuse and
17 neglect, and excluding those children whose permanency plan recommends
18 adoption, through the department of social and health services in the
19 division of developmental disabilities.

1 The legislature further intends that, through this transfer of
2 administrative authority from the division of children and family
3 services to the division of developmental disabilities within the
4 department of social and health services, the currently authorized
5 levels and types of services available to children with developmental
6 disabilities and their families is unaffected.

7 NEW SECTION. **Sec. 2.** A new section is added to chapter 71A.10 RCW
8 to read as follows:

9 The department shall consolidate all services currently provided
10 through children's administration, not related to either or both abuse
11 and neglect, to children with developmental disabilities in the
12 division of developmental disabilities. The department shall provide
13 for an orderly transfer of staff, equipment, and related
14 responsibilities from the division of children and family services to
15 the division of developmental disabilities. The division of
16 developmental disabilities shall assume responsibilities for children
17 with developmental disabilities under this section no later than July
18 1, 1998. Any disputes between the division of children and family
19 services and the division of developmental disabilities regarding the
20 transfer of responsibilities under this section shall be resolved by
21 the secretary.

22 NEW SECTION. **Sec. 3.** The transfer and consolidation of services
23 for children with developmental disabilities within the department of
24 social and health services required by this act must be accomplished
25 within appropriated funds.

26 **Sec. 4.** RCW 71A.10.020 and 1988 c 176 s 102 are each amended to
