SENATE BILL 6478

State of Washington 55th Legislature 1998 Regular Session

By Senators Patterson, Roach, Heavey, Prentice, Kohl, McAuliffe, Fairley, Fraser, Jacobsen, Snyder, Franklin and Kline

Read first time 01/19/98. Referred to Committee on Education.

- 1 AN ACT Relating to assisting school districts to establish and
- 2 develop educational foundations; creating new sections; making an
- 3 appropriation; and providing an expiration date.
- 4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 5 <u>NEW SECTION.</u> **Sec. 1.** The legislature finds that nonprofit
- 6 educational foundations created to provide financial and other support
- 7 to public schools can play an important role in enhancing the quality
- 8 of education in Washington state. Educational foundations are private
- 9 nonprofit corporations organized to benefit education in school
- 10 districts and local communities. They are able to access private,
- 11 federal, and local resources not otherwise available to public schools,
- 12 to devise innovative solutions to solve problems, and to serve students
- 13 in new and innovative ways. Existing efforts supported or administered
- 14 by foundations include drop-out prevention programs, innovative
- 15 classroom grants, and math clubs for girls.
- 16 The legislature further finds that while the number of public
- 17 school foundations in Washington is increasing, only a small percentage
- 18 of the school districts in the state are assisted by foundations.
- 19 Additional leadership and support from the state in assisting in the

p. 1 SB 6478

- 1 establishment and development of foundations would increase the number
- 2 of foundations, and thereby increase the number of students who would
- 3 benefit from their support.
- 4 <u>NEW SECTION.</u> **Sec. 2.** (1) The department of community, trade, and
- 5 economic development shall enter into a contract with one or more
- 6 organizations or individuals to provide support, guidance, training,
- 7 and technical assistance to individuals and organizations for the
- 8 establishment and development of nonprofit educational foundations
- 9 established to provide financial support and services to assist public
- 10 schools.
- 11 (2) The department shall solicit contract proposals from the
- 12 following: Washington state school directors' association, Washington
- 13 coalition of public schools foundations, northwest development officers
- 14 association, Washington association of partners in education, and other
- 15 individuals and organizations that have the appropriate experience and
- 16 expertise.
- 17 <u>NEW SECTION.</u> **Sec. 3.** The sum of forty thousand dollars, or as
- 18 much thereof as may be necessary, is appropriated for the fiscal year
- 19 ending June 30, 1999, from the general fund to the department of
- 20 community, trade, and economic development for the purposes of this
- 21 act.
- 22 NEW SECTION. Sec. 4. This act expires June 30, 2000.
