18 (1) In making the assessment of the operating property of any

28 or logging railroad company shall be considered as personal property
29 and taxed as such: PROVIDED, That all of the operating property of
30 street railway companies shall be assessed and taxed as personal
31 property.

32 (2) All of the operating property of airplane companies, telegraph
33 companies, pipe line companies, (~~(water companies and toll bridge~~

1 (3) Notwithstanding subsections (1) and (2) of this section, the
2 limit provided under RCW 84.40.0305 shall be applied in the assessment

6 as follows:

7 Upon the assessment roll shall be placed after the name of each
8 company a general description of the operating property of the company,
9 which shall be considered sufficient if described in the language of
10 RCW 84.12.200(~~(13)~~) (12), as applied to the company, following which
11 shall be entered the assessed value of the operating property as
12 determined by the department of revenue. No assessment shall be
13 invalidated by reason of a mistake in the name of the company assessed,
14 or the omission of the name of the owner or by the entry as owner of a
15 name other than that of the true owner. When the department of revenue
16 shall have prepared the assessment roll and entered thereon the
17 assessed value of the operating property of the company, as herein
18 required, it shall notify the company by mail of the valuation
19 determined by it and entered upon the roll.

20 **Sec. 4.** RCW 84.12.360 and 1997 c 3 s 118 are each amended to read
21 as follows:

22 The value of the operating property assessed to a company, as fixed
23 and determined by the department of revenue, shall be apportioned by
24 the department of revenue to the respective counties and to the taxing
25 districts thereof wherein such property is located in the following
26 manner:

27 (1) Property of all railroad companies other than street railroad
28 companies, telegraph companies and pipe line companies--upon the basis
29 of that proportion of the value of the total operating property within
30 the state which the mileage of track, as classified by the department
31 of revenue (in case of railroads), mileage of wire (in the case of
32 telegraph companies), and mileage of pipe line (in the case of pipe
33 line companies) within each county or taxing district bears to the
34 total mileage thereof within the state, at the end of the calendar year
35 last past. For the purpose of such apportionment the department may
36 classify railroad track.

1 (2) Property of street railroad companies, telephone companies,
2 electric light and power companies, and gas companies(~~(, water~~
3 ~~companies, heating companies and toll bridge companies)~~)--upon the
4 basis of relative value of the operating property within each county
5 and taxing district to the value of the total operating property within
6 the state to be determined by such factors as the department of revenue
7 shall deem proper.

8 (3) Planes or other aircraft of airplane companies (~~(and watercraft~~
9 ~~of steamboat companies)~~)--upon the basis of such factor or factors of
10 allocation, to be determined by the department of revenue, as will
11 secure a substantially fair and equitable division between counties and
12 other taxing districts.

13 All other property of airplane companies (~~(and steamboat~~
14 ~~companies)~~)--upon the basis set forth in subsection (2) of this
15 section.

16 The basis of apportionment with reference to all public utility
17 companies above prescribed shall not be deemed exclusive and the
18 department of revenue in apportioning values of such companies may also
19 take into consideration such other information, facts, circumstances,
20 or allocation factors as will enable it to make a substantially just
21 and correct valuation of the operating property of such companies
22 within the state and within each county thereof.

23 **Sec. 5.** RCW 84.36.080 and 1986 c 229 s 1 are each amended to read
24 as follows:

25 (1) All ships and vessels which are exempt from excise tax under
26 subsection (2) of RCW 82.49.020 and excepted from the registration
27 requirements of subsection (10) of RCW 88.02.030 shall be and are
28 hereby made exempt from all ad valorem taxes, except taxes levied for
29 any state purpose.

30 (2) All ships and vessels listed in the state or federal register
31 of historical places are exempt from all ad valorem taxes.

32 **Sec. 6.** RCW 84.40.036 and 1986 c 229 s 2 are each amended to read
33 as follows:

1 (b) Engaged in foreign commerce; and/or

2 (c) Engaged exclusively in fishing, tendering, harvesting, and/or
3 processing seafood products on the high seas or waters under the
4 jurisdiction of other states.

5 (2) The value of each apportionable vessel shall be apportioned to
6 this state based on the number of days or fractions of days that the
7 vessel is within this state during the preceding calendar year:
8 PROVIDED, That if the total number of days the vessel is within the
9 limits of the state does not exceed one hundred twenty for the
10 preceding calendar year, no value shall be apportioned to this state.
11 For the purposes of this subsection (2), a fraction of a day means more
12 than sixteen hours in a calendar day.

13 (3) (~~Days~~) Time during which an apportionable vessel is in the
14 state (~~exclusively~~) for one or more of the following purposes shall
15 not be considered as (~~days~~) time within this state, if the length of
16 time is reasonable for the purpose:

17 (a) Undergoing repair or alteration;

18 (b) Taking on or discharging cargo, passengers, or supplies; and

19 (c) Serving as a tug for a vessel under (a) or (b) of this
20 subsection.

21 (4) Days during which an apportionable vessel leaves this state
