Brief Title: Modifying eligible dependents and coordination of benefits for health benefits provided through the health care authority.

**HB 1382 - DIGEST**

Directs the board to include as an eligible dependent the dependent of a qualifying dependent if the dependent of the qualifying dependent resides with the subscriber and qualifies as a dependent of the subscriber under the internal revenue code.

Provides that any program created under RCW 41.05.140 shall be subject to coordination of benefits provisions in Title 48 RCW, including coordination of benefit rules adopted by the office of the insurance commissioner.
